## Dear Ferris Football Alumni:

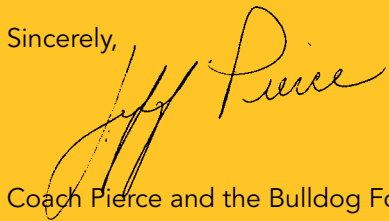

The Ferris State University Football program would like to take this opportunity to tell you about an exciting new addition to our Gridiron Club: the Bulldog Football Players Association. The BPA will be exclusive, inviting only former players and coaches of Ferris State Football. Our main goal is to reconnect former players and coaches with one another and be a part of re-establishing relationships that may have been lost over the years. Our second goal is to create a network of former players for both professional and social purposes. One of our biggest challenges of this endeavor is establishing a consistent line of communication and the ability to contact every potential association member. This is where we need your help.

We have included a short questionnaire in this brochure and would like to use your e-mail and cell phone number as the main methods of communication. They seem to be the most constant, even through multiple moves. The cost to enter the association is nothing. We simply want to get the Bulldog Football family back together.

We plan to host a BPA tailgate party for our former players during Homecoming when Ferris takes on Gannon October 14, 2006. Our future plans include an annual banquet open to all former players and their families. Finally, we are currently selling DVDs of past seasons so that you will not forget the memories you had as a Bulldog.

Please complete the questionnaire and send it in the enclosed return envelope as soon as possible so we can start the communication. Thank you and hope to hear from you soon.

Sincerely,

Coach Pierce and the Bulldog Football staff

## Go Bulldogs!

I think the Bulldog Players Association can be a great help to everyone. I always enjoy talking with not only former players that I have coached but former teammates that I have played with. What we are trying to create will benefit every former Bulldog, from being able to develop professional relationships to social relationships. I can't wait to hear from you. If you ever have any questions, please call me at (231) 591-2864 or e-mail me at piercej@ferris.edu.

## BULLDOG FOOTBALL

Our greatest challenge in creating this association is finding accurate information on our former players. If you could please take the time to complete our questionnaire, it would greatly help in reuniting former Bulldogs.
