Joan Nelson is a longtime supporter of the Bulldog women's athletic programs. A significant financial contributor to the university, Nelson served in the College of Education and Human Services from 1962-90. Her continued support of FSU's varsity athletic teams has aided the university in its quest to field successful teams both on the playing surface and in the classroom. The Ferris Women's Athletics Golf Outing is named for her in recognition of her outstanding contributions and her desire to expand opportunities for our female student-athletes.
