Golf carts will be provided for members of the games committee and selected tournament officials. (No parents, etc., are allowed to use golf carts.) One cart may be used by each competing institution. Only an institutional representative (a non-athlete) may drive or ride in the assigned golf cart for that institution during a tournament round. The athletic trainer also may ride in or drive the cart. Only two people may ride in the cart at one time. Exceptions must be approved by the games committee. Participants may not use golf carts or motorized pull carts during the championships rounds. The only exception to this policy would be if the participant is permanently disabled. A written request must be submitted to the games committee with accompanying medical statements requesting the use of a cart. Participants may not use caddies in the championships.

### **EQUIPMENT**

The type of equipment (i.e. balls, clubs) to be used shall be determined by the individual team and must be acceptable under USGA rules. The one-ball rule (brand) will not be in effect. Golf bags must have the name and logo of the school on them. Players and coaches will be required to use non-metal spiked shoes during the regional competition.

### **LINE-UPS AND SUBSTITUTIONS**

During registration, the head coach must submit his/her line-up according to playing position. The five contestants from each institution must be determined by the conclusion of registration. No substitutions will be allowed after the conclusion of registration without the approval of the games committee. The substitute will assume the position of the replaced player. Please return line-up forms to Brad Bedortha by Thursday, April 27<sup>th</sup>. Fax # 231-591-2869

### **PASSES AND CREDENTIALS**

Each of the six (6) members of the official traveling party will receive a participant pass. These will be distributed to the coaches at the practice session. An issued credential cannot be given to another team member individual.

### **SCORING AND TIES**

Scorecards shall be kept in strict accordance with Rule 6-6 of the USGA's "Scoring in Stroke Play." The scorecards have been turned in when the player or the coach hands the card to the official scorer at the scoring tent. A daily team score is computed by totaling the lowest scores of four of the five team members. The final team score is determined by totaling each daily score.

### **SCORING AND TIES Contd.**

The regional is 54 holes. Playoffs (time and weather permitting) will be used for breaking ties for advancement to the NCAA finals. If a playoff is not possible, the tie breaking procedures outlined in Appendix A of the NCAA Division II Women's Golf championship Handbook will be used. For all championships, sudden death playoffs will be used for breaking ties for the individual and team championships.

### **SPECTATORS**

Spectators must remain on cart paths or in the rough and approximately 15 yards from the players at all times. There may be no communication between players and spectators that could be deemed advice of any nature for the duration of the 18 holes. All institutional personnel, with the exception of the designated coach, are considered spectators.

### **STOPPAGE OF PLAY**

The games committee will do everything possible to complete 54 holes. If 54 holes cannot be completed, the appropriate committee will advance teams and individuals by 36-hole scores and criteria used for selection to the championships. Evacuation map will be given to each Head Coach at the mandatory coaches meeting. It will include vehicle locations for evacuation.

### **UNIFORMS**

Players must wear uniforms of the same color during competition or practice. Walking or Bermuda shorts are permitted provided they are team shorts and are of similar color. The inseam of the shorts must be four (4) inches. Players may wear slacks or shorts at the individual's discretion, provided they are of similar color and are considered the team uniform. If a student-athlete wears headgear during competition, it must display only an institutional, conference or NCAA logo or no logo. If there is no logo, a coach's or team member's headgear must be of an institutional color.
