2002-03 CCHA SCHEDULING "CLUSTERS"

The CCHA plays a 28-game league schedule, and to adjust for teams not being able to play an equal number of games against each other, the league has developed a "rivalry pairing" cluster scheduling format, meaning that the 12-member schools will play three league opponents four times (two series) and eight opponents just twice (one series) in the regular season. Listed below are the rivalry and cluster pairings for the 2002-03 season:
