

MEN'S ALLOCATIONS

Listed below are the allocations by region for the 2008 Division II Men's Cross Country Championships.

REGION	Automatic Qualifiers (Teams)	Automatic Qualifiers (Individuals)
East	2	2
Midwest	4	2
Atlantic	2	2
Central	6	2
South	2	2
South Central	3	2
Southeast	2	2
West	3	2

Method of Selection

Teams – (1) All regions automatically qualify two teams, and (2) additional berths are awarded based on the following formula: Regions will be allotted one additional berth for each team finishing in the top eight in the previous year's national championships.

Individuals – (1) All eight regions automatically qualify the top two individuals from nonqualifying teams, and (2) all individual competitors who finish in the top five overall places in their respective regional meet and are not a member of a qualifying team will automatically advance to the championships.

TOTAL COMPETITORS

24 teams of seven men each = 168	
Individuals	+ <u>16</u> + (Top five overall places that are not a member of a qualifying
Total = 184	team in their respective region)
