

2005 NCAA Division II Men's and Women's Cross Country Championships

NEW Event 1 Online Ordering System

An online ordering system will be available to institutions if they are interested in ordering Event 1 merchandise in advance of the cross country regionals. This will allow participating institutions the advantage of purchasing enough merchandise in the correct sizes for their student-athletes. The Web site will be available beginning Friday, October 21. All orders must be placed by 6 p.m. on Monday, October 24. Merchandise will then be shipped to the regional site that your institution will be participating. You will need to contact the meet director of your regional upon your arrival to arrange for a distribution time.

Web site available: Friday, October 21

Deadline to submit orders: 6 p.m. Monday, October 24
