Founded in 1972, the Great Lakes Intercollegiate Athletic Conference (GLIAC) continues to be a leader in the development and promotion of intercollegiate athletics for men and women.

The charter members of the conference were Grand Valley State University, Lake Superior State University, Northwood University and Saginaw Valley State University.

Ferris State University followed soon afterward when they joined the conference along with Oakland University in 1972. The conference continued to expand until it reached its current number of 13 member institutions. The GLIAC's current members are—Ashland University, Ferris State University, The University of Findlay, Gannon University, Grand Valley State University, Hillsdale College, Lake Superior State University, Mercyhurst College, Michigan Technological University, Northern Michigan University, Northwood University, Saginaw Valley State University and Wayne State University.

The GLIAC entered a new era in 1995-96. Previously its members were all institutions located in the state of Michigan. On December 13, 1994, membership was offered to three institutions located in Ohio and Pennsylvania. The expansion members were Ashland University (Ashland, Ohio), Gannon University (Erie, Pa.) and Mercyhurst College (Erie, Pa.). All three began their conference membership July 1, 1995. The University of Findlay (Ohio) was later added to the conference in July of 1997.

Overall the GLIAC conducts championships in 20 sports, 10 for men and 10 for women. Men's championship sports are baseball, basketball, cross country, football, golf, soccer, swimming and diving, tennis, indoor track and outdoor track. Women's championship sports include basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor track, outdoor track and volleyball.

Both the 2002-03 GLIAC Men's and Women's Indoor and Outdoor Track and Field Championships will be held at Saginaw Valley State in University Center, Mich. The league indoor championships are slated for Friday-Saturday, Feb. 28-March 1, while the outdoor meet will take place Friday-Saturday, May 2-3, 2003.
