Founded in 1972, the Great Lakes Intercollegiate Athletic Conference (GLIAC) continues to be a leader in the development and promotion of intercollegiate athletics for men and women.

The charter members of the conference were Grand Valley State University, Lake Superior State University, Northwood University and Saginaw Valley State University.

Ferris State University followed soon afterward when they joined the conference along with Oakland University in 1972. The conference continued to expand until it reached its current number of 13 member institutions. The GLIAC's current members are—Ashland University, Ferris State University, The University of Findlay, Gannon University, Grand Valley State University, Hillsdale College, Lake Superior State University, Mercyhurst College, Michigan Technological University, Northern Michigan University, Northwood University, Saginaw Valley State University and Wayne State University.

The GLIAC entered a new era in 1995-96. Previously its members were all institutions located in the state of Michigan. On December 13, 1994, membership was offered to three institutions located in Ohio and Pennsylvania. The expansion members were Ashland University (Ashland, Ohio), Gannon University (Erie, Pa.) and Mercyhurst College (Erie, Pa.). All three began their conference membership July 1, 1995. The University of Findlay (Ohio) was later added to the conference in July of 1997.

All 13 member institutions compete in volleyball. The GLIAC continues to be one of the most dominating volleyball conferences at the Division II level. During the 1997 season, Northern Michigan represented the GLIAC at the NCAA-II Championships and recorded a fourth-place finish. Last year, Grand Valley State, Ferris State, Ashland, Northwood and Hillsdale were NCAA Tournament participants. Host GVSU claimed the regional title and advanced to the NCAA Division II Elite Eight in Kearney, Neb., where the Lakers captured the NCAA-II National Championship. The GLIAC placed three of the four teams in the NCAA Great Lakes Regional Tournament five times in six seasons from 1996-2001 before the regional field was expanded.

In 1996, five GLIAC teams, including Ferris State, were ranked among the NCAA-II top 25 teams in the national poll. From 1992-95, NMU advanced to the NCAA-II Championship match and claimed back-to-back national titles.

The 1996 season marked the advent of divisional volleyball play with both a North and South Division. The North tier includes Ferris State, Grand Valley State, Lake Superior State, Michigan Tech, Northern Michigan, Northwood and Saginaw Valley State. The South tier is made up of the remaining six teams.

Overall the GLIAC conducts championships in 21 sports, 11 for men and 10 for women. Men's championship sports are baseball, basketball, cross country, football, golf, soccer, swimming and diving, tennis, wrestling, indoor track and outdoor track. Women's championship sports include basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor track, outdoor track and volleyball.
