

## Internet Explorer 9 Not Supported

Currently Internet Explorer 9 (IE9) is not a supported browser for FerrisConnect. Please do not install it and if you have already installed it, you may want to uninstall it.

### Here are a few tips:

After you uninstall IE9, the previously installed version of Internet Explorer will be available on your computer. It is not necessary to reinstall.

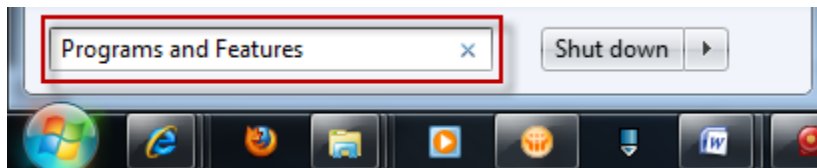

### How to Uninstall IE9

The following instructions apply to both Windows 7 and Windows Vista.

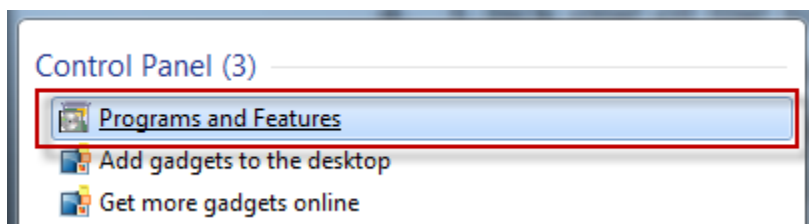

1. Click the Start Orb button.

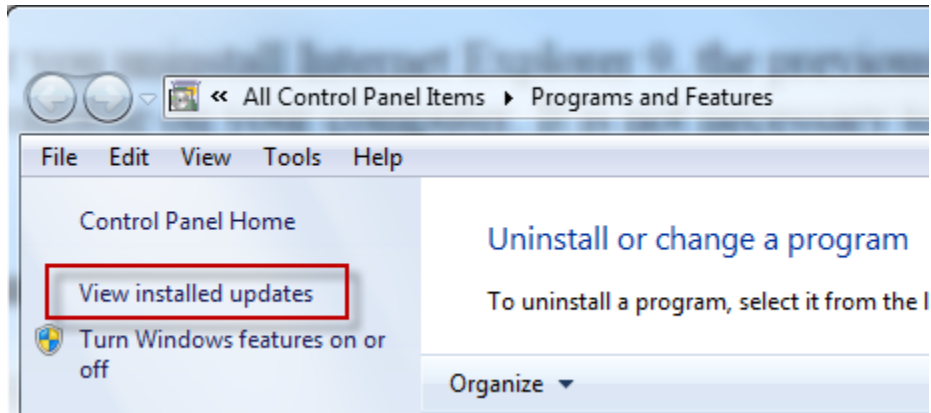

2. Type "Programs and Features" in the *Search programs and files* box, without the double quotes.

3. Click on Programs and Features under the Control Panel heading.

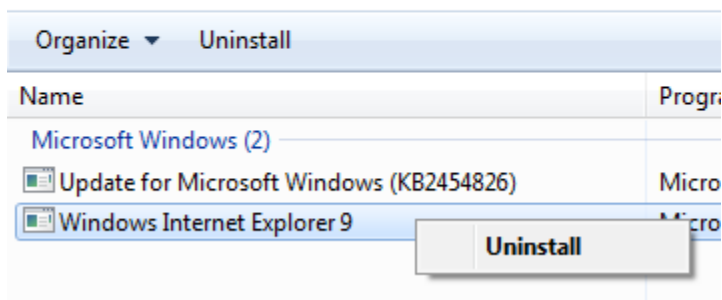

4. Click View installed updates in the left pane.

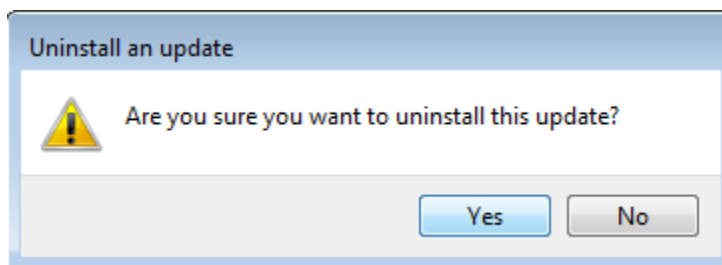

5. Under Uninstall an update, scroll down to the Microsoft Windows section.
6. Right-click Windows Internet Explorer 9 and click Uninstall.

### Uninstall an update

To uninstall an update, select it from the list and then click Uninstall.

7. When prompted, click Yes.

8. Click one of the following

- Restart now (to finish the process of uninstalling IE9, and restore the previous version of Internet Explorer).
- Restart later (to wait until you shut down or restart your computer).
