

Foundation Directory Online Professional

Produced by the Foundation Center, The Foundation Directory Online Professional is an expanded version of the print reference sources, The Foundation Directory and The Foundation Grants Index.

Database Information

History: The Foundation Center was founded in 1956 with the goal of collecting, organizing, and communicating information relating to philanthropy in the United States. The Foundation Directory Online Professional represents the latest iteration of the reference sources The Foundation Center has been publishing for decades.

Coverage: The Foundation Directory Online Professional contains four separate databases: **Grantmaker Search** which holds information on over 95,000 grantmakers; **Company Search** which contains information on corporate grantmakers; **Grant Search** which includes information on over 1.3 million grants; and **990 Search** which includes reproductions of over 533,000 IRS 990 or 990-PF forms. The 990 is the tax form filed by non-profit organizations.
