2003 Evaluation Summary (Frankenmuth, Michigan)

There were a total of 17 evaluations returned. Of those, many were not complete in all areas.

Therefore, I have calculated an average response based on the number of responses per question, the total of evaluations returned.

Hospitality 4.36

David Heth **Time Management and Goal Setting**

Speaker 4.41
Knowledge 4.23
Delivery 4.15

Comments: helpful handouts, valuable information, the take home cards were great

Commodity Exchange

3.73

Comments: since I do all of the commodities, it was hard to decide, looking forward to the list of contacts

Bonny Weber Strategic Supplier Contracts

Speaker 4.35
Knowledge 4.5
Delivery 4.25

Comments: hard to follow presentation because of questions, best to save those for the end. Good info

Vendor Exhibit

4.36

Comments: vendors in more commodities, very good, did not attend

Round Table Discussions

Speakers 4.29
Knowledge 4.58
Delivery 4.18

Comments: group exchange was great, interesting to learn about other college practices

Miles Postema **Contracts**

Speaker 4.5

Future Topics / Suggestions

- Excellent!
- CPM why is it needed? Is it important to have? (2)
- Please cut the vendor exhibit down to 2 hours. It would be nice to have some free time to do some sightseeing and shopping
- Re-manufactured/ used furniture- obligated as public entity to consider bid these products?
- Bringing in goods from foreign countries: pitfalls, customs, duty, door to door delivery , NAFTA
- Travel: contracting for travel? Round table discussion Review travels cost, selection of vendors including, hotel, food, busing, airfare, etc.
- Development of RFQ's, Government FAR grant requirements, Inbound shipping program,
- e-procurement
