

**UNIVERSITY ATHLETICS**

Ferris State University has a rich athletics tradition. The Bulldogs compete athletically in 15 sports, including NCAA Division I men's ice hockey in the Central Collegiate Hockey Association. Fourteen other squads are members of the extremely competitive NCAA-II Great Lakes Intercollegiate Athletic Conference.

Bulldog hockey often hosts the likes of the University of Michigan, Michigan State, Ohio State and Notre Dame, which are all members of the CCHA. Meanwhile, the Bulldogs take on other schools such as Grand Valley State, Northern Michigan, Wayne State and Michigan Tech in GLIAC competition.

Ferris' Division II sports include football, men's and women's basketball, volleyball, soccer, softball, track and field, cross country, men's and women's golf along with men's and women's tennis. Along with athletics' success, Ferris student-athletes continually gain recognition for their work in the classroom as student-athletes.

With an extremely-loyal fan base and avid support, the Bulldogs often draw large crowds to home events. FSU has received increased television and media exposure in recent years and offers fans an opportunity to follow the action in a variety of formats both at home and on the road.
