Men's Basketball Program

Your Invitation to join

FERRIS STATE UNIVERSITY

Welcome back to another Bulldog basketball season!

I invite you to become a member of the Rebounders Club. We all expect an exciting year in a highly competitive GLIAC league. Last season our Bulldogs won our division for the second straight year and qualified for the NCAA Regional Championship Playoff of the Final 16 Teams. Our goal is to continue that success with our returning players and some outstanding new recruits.

The strong support of my staff, the Big Rapids community, basketball alumni, and supporters throughout the state and nation have established the rich tradition of success here at Ferris State University.

Once again my staff and I are committed to hard work, perseverance and the necessary time to maintain the excellence and integrity that is the hallmark of Bulldog basketball.

Please consider joining our efforts today!

Sincerely,
Bill Sall
Head Coach

Basketball Program Philosophy

Our intention is to bring the community and University wholesome and exciting basketball entertainment and success. Our goals are threefold.

First, to field a competitive team. The team must play unselfishly with great effort and realize that the best teams are disciplined offensively and defensively.

Second, to provide an atmosphere that exemplifies true sportsmanship while maintaining positive values that are not compromised.

Finally, to provide an upbeat, ambitious environment by playing an aggressive, fundamental and up-tempo style of basketball.
