

3. TUBING AUTHORIZATION FORM

Parent(s) or Guardian(s):

One of the scheduled events at the Camp may be "tubing" the Muskegon River. Each participant will have his or her own inner tube and will float down the river. Please note that the river may be over 12 feet deep in some places. Camp personnel will be accompanying the campers. Participation is **NOT** mandatory, and those participating are subject to the personal responsibility statement/waiver of liability form set out below. Please place an "X" on the appropriate line below.

I/We, the parent(s), (custodial parent(s)), or guardian(s) of

_____ direct the following:

___ YES. He or she may tube the river but only **WITH** a life preserver.

___ NO. He or she may **NOT TUBE** the river.
