FERRIS STATE FOOTBALL

Join the Gridiron Club Today!

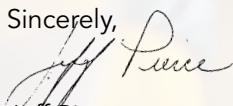

Adversity and triumph make us all stronger. The Bulldog Football program is no exception, and we are very fortunate to have the support of the Gridiron Club and its members as we compete every Saturday during the fall in what has become the strongest Division II football conference in America.

Do you remember in the 1990s, when Bulldog Football won six GLIAC championships and appeared in the NCAA Division II Playoffs five of those six championship years? It was a life-changing experience for me, as well as the young men who worked so hard to achieve success on and off the gridiron. You can help Bulldog Football achieve that success again.

Our Football program needs people like you who are willing to support our student-athletes and our program. The financial support and encouragement of Gridiron Club members continues to inspire coaches and student-athletes. The commitment from generous individuals like you keeps alive the strong tradition of Ferris State Football.

I want to thank you for considering becoming a member of the Gridiron Club. You may not know all their names, but the Bulldog Football student-athletes carry thanks in their hearts for your generosity and commitment to the Gridiron Club and our Football team.

Sincerely,

Jeff Pierce
Head Football Coach
