DAKTRONICS SUPER REGION #3 TEAMS ANNOUNCED PAIR OF BULLDOGS GARNER PLAYER OF YEAR HONORS Grand Valley State Has Eight First-Team Honorees

St. Paul, Minn. - Although they represent two different teams, a pair of Bulldogs earned Daktronics Regional Player of the Year awards. The University of Minnesota Duluth Bulldog's Ted Schlafke earned offensive player of the year honors while Ferris State University Bulldog's Jake Visser was tabbed defensive player of the year.

Grand Valley State dominated the first team selection as eight Lakers were named to the first team. No other team had more than three members on the first team. The GLIAC totaled 23 players overall, 13 on the first team. The NSIC had 17 with eight first teamers while the RMAC tallied 13 with three on the first team.

First team all-region honorees are now eligible for Daktronics, Inc. Division II Football All-American selection. The announcement of those All-American teams is expected on December 9th, preceding the NCAA Division II Football Championship, which takes place Dec. 13 in Florence, Ala.

The team is sponsored by Daktronics, Inc., an acknowledged world leader in scoring, timing and programmable display systems for virtually every sport at every level of competition. The team is voted on by the members of the College Sports Information Directors of America (CoSIDA).
