Bulldog Football Camp

JUNE 27, 2009

Featuring:

The Ferris State Coaching Staff

Bulldog Football

Team Camp/Coaches Clinic

Being the head coach at my alma mater, Ferris State University, is a great honor. Our program is based on the values of family, team chemistry, and successful attitudes.

Since 1990, we have won or shared six conference championship titles and made the NCAA Division II Playoffs five-straight years (1992-96). In 1995, FSU advanced to the national semifinals en route to a school-record 12-1 overall mark. As you can see, Ferris State has experienced success on the field through commitment, hard work and pride.

I invite you and your teammates to attend our third annual Bulldog Football Camp this summer. As a young football player, you will have a special opportunity to increase your game knowledge and skill level. We, the coaching staff, place a great deal of emphasis on teaching fundamentals of the game.

I hope to see you on June 27th and we at Ferris State University thank you for the opportunity to let us be a part of your development as a player.

Jeff Pierce
Head Football Coach
Ferris State University

SATURDAY, JUNE 27, 2009

FOOTBALL CAMP BENEFITS

The 2009 Ferris State Bulldog Football Team Camp/Coaches Clinic provides a unique learning environment with personalized instruction, game simulated exposure and in-depth coaching philosophies.

“Attending the Ferris State Football Team Camp/Coaches Clinic proved to be an invaluable learning experience for not only our coaching staff, but also our players. The “hands on” approach was beneficial because we were taught fundamentals that are crucial to the game of football.”

Randy Lark
Head Varsity Football Coach
Alma (Mich.) High School
