## FERRIS STATE GRIDIRON CLUB

Ferris State's Gridiron Club continues to serve a vital role in support of the Bulldog football program.

The club, which was formed in 1997, has progressed from a handful of financial supporters to over 550 current individual members and businesses.

Since its inception, club members have contributed well over \$900,000 in cash and gift-in-kind donations.

The financial support and encouragement of Gridiron Club members continues to inspire coaches and student-athletes on an annual basis. Through their commitment, the tradition of Bulldog football remains a successful one.

Membership in the FSU Gridiron Club is divided into three levels of giving which range from \$150 to \$1,000 and more with various corresponding benefits associated with each level.

To join the Ferris State Gridiron Club, or for more information, contact Tarrance Price at (231) 591-2860 or via
