Bulldogs

Mike Bohnet

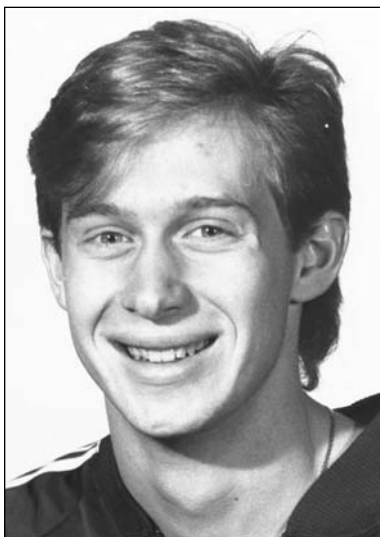

Men's Basketball, 1959-62

Mike Bohnet scored 1,380 points and had 606 rebounds as a Bulldog men's basketball player from 1959-62. The 6-4 Bohnet presently ranks among the top 10 career scoring and rebounding leaders at Ferris State, which represents the highest placings of any Ferris State player other than current Hall of Fame member Bernie Kilpatrick from the pre-1965 era.

Bohnet's 21.6 points per game average in his final campaign (1961-62) currently stands as the school's third-best senior class scoring figure while his team-high 23.2 ppg total in 1960-61 also ranks third among Ferris' all-time junior class performers. He led FSU to a 23-3 record and an NAIA National Tournament appearance in his final season under head coach Jim Wink after compiling a 17-5 ledger in the prior campaign. The three-year letterwinner from Lansing set a then-school record with 540 total points as a senior in 1961-62. His 286 rebounds in 1961-62 presently ranks as Ferris' third-best single-season mark.

Bohnet's 549 career made field goals currently is listed 11th on the school's all-time chart while his 218 made baskets as a senior is the program's 10th-best single-season figure. He totaled a team-high 399 points in his sophomore season (1959-60) as FSU finished 15-6 overall and reached the NAIA National Tournament. Bohnet, who led Ferris in both scoring and rebounding as a senior, compiled the Bulldogs' second-best junior class rebounding average (11.6 rpg) in 1960-61.

He was a two-time Michigan NAIA All-Star pick. Bohnet, who was also a high jump record holder for track coach Norm Bennett, played pro basketball with the Kansas City Steers of the ABL and the Grand Rapids Tackers. He presently resides with his family in Jerome, Mich.

Mark Casler

Men's Swimming, 1986-90

One of the school's top all-time performers in the pool, Mark Casler served as team captain twice and was chosen team MVP three times during his collegiate career. He continues to hold school records in the 50-yard freestyle (20.69), 100-yard freestyle (46.24) and the 200-yard freestyle (1:42.39). In addition, he also recorded top all-time efforts in the 100-yard backstroke (52.13) and swam on two record-setting school relay teams in the 400-yard medley relay (3:31.41) and the 400-yard free relay (3:08.45).

The Lansing Everett High School product recorded the squad's top performances in 10 different events during the 1989-90 season. He placed fourth in the 100-yard backstroke (52.13) to earn All-America honors at the 1990 NCAA Division II Swimming and Diving Championships. He also finished 12th in the 100-yard freestyle (46.24) and 15th in the 200-yard freestyle (1:42.15). He won a league title in the 100-yard backstroke as a senior under head coach Rick Kowalkoski while leading the Bulldogs to a runner-up conference finish.

As a junior, Casler won the 100-yard backstroke (54.24) at the league meet and was the lead swimmer in the school's record-setting 200-yard freestyle and 200-yard medley relays. He also had the Bulldogs' best times in the 50-yard (21.28) and 100-yard (48.16) freestyle events along with the 100-yard backstroke (54.22). During his freshman season, Casler posted season-best times in four different individual events for Ferris State and also swam a leg on four different relay teams. The Bulldogs earned conference runner-up accolades in each of his four seasons at FSU.

Casler, who earned a degree in hospitality management from Ferris, currently lives in Westminster, Colo.

Tony Fleming

Cross Country & Track, 1973-76

A four-year (1973-76) standout, Tony Fleming received All-America recognition in 1976 after placing third in the mile run at the NAIA National Indoor Meet and sixth in the 1,500 meters at the NCAA Division III Outdoor Meet.

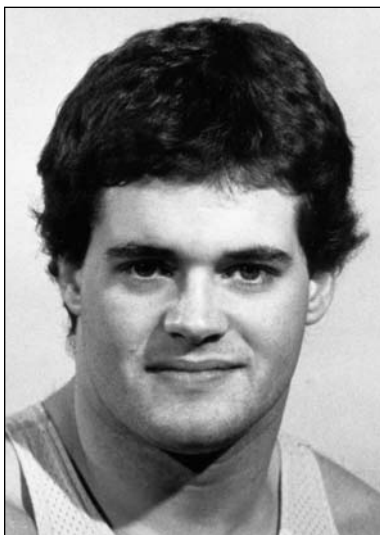

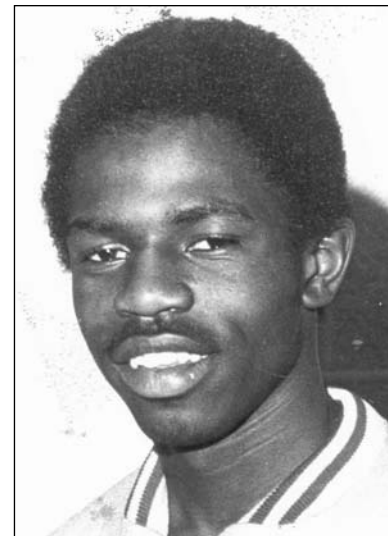

He was also a member of the two-mile relay team that placed fifth. Fleming set school records in the mile run (4:11), three-mile run (14:26) and the 1,500-meter run (3:49.14) during his career.

A product of Detroit's Cody High School, Fleming was the Great Lakes Intercollegiate Athletic Conference Outdoor Track Champion in the 1,500 meters during the 1975 season while attaining conference indoor track champion status in both the 600-yard and mile run events the following year. He set a school indoor track mark in the 3,000 meters (8:16.04) in 1976.

In cross country, Fleming was an all-conference and all-district runner in 1973 and placed 85th at the NAIA National Championships. Fleming earned 12 varsity letters and was captain of the 1974 and 1975 cross country teams along with the 1976 indoor and outdoor track teams. He was the 1976 Bulldog of the Year Award recipient.

He serves as a supervising nutritionist in the Detroit Health Department and is a major in the U.S. Army Reserve.

He now makes his home along with his family in Detroit.

Doug Gillard

Men's Track & Field, 1980-83

A six-time All-America performer in the hammer throw and the 35-pound weight throw, Doug Gillard continues to hold school records in both the indoor weight throw (60-2) and the outdoor hammer throw (200-11). The two-time (1981 & 1983) FSU Most Valuable Performer Award recipient later captured fifth-place at the 1988 Olympic Tryouts in Indianapolis, falling one spot short of an Olympic berth in the hammer throw.

In 1980, Gillard placed fifth at the NAIA Outdoor Championships in the hammer throw and was sixth at the NCAA-II Outdoor Championships in the same event, becoming the school's first All-America performer in a men's weight event. He finished second in the hammer throw at the 1981 NAIA Outdoor Championships and third at the 1981 NCAA-II Outdoor Championships.

Gillard registered a second-place hammer throw finish in 1983 at the NCAA-II Championships. He also took fifth place in the 35-pound weight throw at the 1981 NAIA Indoor Championships. Gillard was a four-time GLIAC Champion, winning two league indoor titles in the weight throw and two outdoor titles in the hammer throw. In his junior indoor campaign (1980-81), Gillard helped lead FSU to a third-place finish at both the GLIAC and NAIA District 23 Championships.

The Muskegon Mona Shores graduate was the school's first athlete to ever qualify to take part in the NCAA Division I Championships. Gillard later posted what was then the 11th-farthest toss (234-4) in U.S. Track and Field hammer throw history at a national Olympic tune-up meet.

Gillard and his family make their residence in Morgan Hill, Calif.

Christie (Duthie) Gionfriddo

Women's Swimming, 1990-94

Christie (Duthie) Gionfriddo became FSU's first women's swimming All-America performer by placing sixth (2:09.29) in the 200-yard butterfly at the 1993 NCAA-II Championships. She then attained honorable mention All-America accolades in four events during her final season (1994) including the 200-yard freestyle, 200-yard butterfly, 500-yard freestyle and the 1650-yard freestyle.

A three-time team Most Valuable Swimmer Award recipient, Gionfriddo also earned team Most Improved Swimmer Award kudos in 1994 along with being inducted into the team's Swimming Hall of Fame. The North Farmington High School standout held nine school marks when the program was disbanded following her senior season.

The 1993 GLIAC Champion in the 200-yard butterfly, Gionfriddo helped guide Ferris to an 8-2 overall dual mark and a 20th-place national finish as a senior under head coach Rick Kowalkoski. Gionfriddo, who was an All-GLIAC finalist in four events her final campaign, also ranks among the program's top eight all-time individuals in eight events.

The two-time FSU Dean's Academic Award recipient helped Ferris garner NCAA Division II Women's Swimming Team All-Academic Award recognition in 1993.

Gionfriddo, who graduated from Ferris with a bachelor's degree in business education, currently resides in Sarasota, Fla., with her husband, Gregg.

The couple has a son, Hunter, and a daughter, Kaley.

Bill Love

Football, 1991-95

Bill Love led Ferris to a NCAA-II National Semifinal appearance in 1995. The two-time All-America quarterback finished second overall in the voting for the 1995 Harlon Hill Trophy, which is annually awarded to the top Division II player.

The 6-1, 200-pound Love threw for 7,752 career yards and 49 touchdowns during his collegiate career. As a senior, he was afforded the team's highest individual honor (MVP) and earned the 1995 Midwest Intercollegiate Football Conference (MIFC) Player of the Year Award as Ferris secured its fourth consecutive conference title and recorded its third-straight undefeated regular season.

The two-time (1994-95) first team all-conference honoree was an honorable mention offensive pick in his first season (1993) as the starting quarterback. He was also voted the league's Offensive Back of the Year in 1995.

As a senior, he earned numerous All-America honors from a variety of sources. He currently ranks third all-time in career passing yards at Ferris State as he completed 565 career passes out of 1,012 attempts (55.8%). He's also listed third all-time in total offense (176.3 ypg).

His 2,835 passing yards as a senior represents the school's second-best single-season figure while his 2,491 yards in 1993 is the program's fifth-best seasonal mark. He threw for 2,332 yards in 1994 to rank seventh on FSU's single-season leaders chart.

Love played his prep football at Stevenson High School in Sterling Heights, Mich. He earned a bachelor's degree in business management from Ferris and now lives in Washington, Mich., along with his wife, Renee, and their two daughters. He works as an architectural consultant.

Doug Mooney

Wrestling, 1987-90

A Bulldog wrestling great, Doug Mooney placed second at 177 pounds in 1989 while earning his second of three All-America finishes. He also took third place in both 1988 and 1990.

In addition, Mooney was a two-time (1989-90) first-team Academic All-America honoree. He was named FSU's Most Outstanding Wrestler as a senior in 1989-90 after registering a 22-5 record and leading the Bulldogs to a 9-1 dual mark and a ninth-place finish at the NCAA-II Championships.

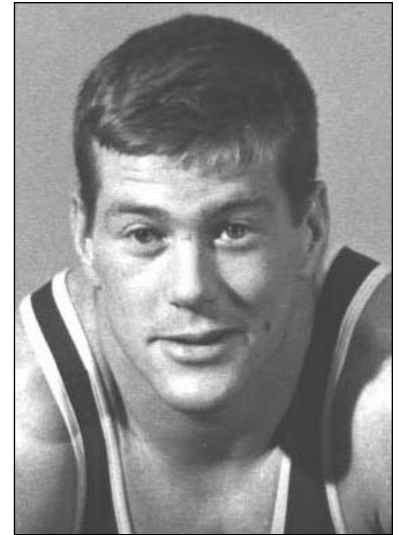

A team captain as a senior, Mooney was both a three-time NCAA-II Mideast Region and GLIAC Champion. He led FSU to both four consecutive league and regional titles during his varsity career as well as a number one national ranking in 1988-89.

Mooney registered a 23-8-2 slate along with four pins as a junior while helping Ferris achieve its most successful season ever with a second place NCAA-II Championships finish.

As a sophomore (1987-88), the Burlington, Ontario, native finished 26-4 overall as FSU concluded the campaign with an 8-1 dual record and a fourth-place national finish. Mooney garnered 1987-88 NCAA-II Mideast Region Rookie of the Year Award recognition.

The Nelson High School graduate was a three-year letterwinner at FSU and finished his career with a 71-9-2 individual record. He was also the Canadian National Greco-Roman champ in the 82-kilo class.

Presently, he and his family reside in Stafford, Va.

Amy (Summers) Pollack

Women's Golf, 1988-92

Amy (Summers) Pollack became Ferris first National Golf Coaches Association Women's All-American following a third-place finish at the 1992 NCAA-II Championships.

The Kalkaska native currently ranks among FSU's all-time leaders in single-season stroke average as she posted an 80.0 stroke average in 1991-92 over 19 rounds of play. She placed 95th overall at the 1992 NCAA Division I Championships after leading FSU to a fourth place Division II team finish in its first-ever NCAA Tournament appearance. In addition, she was the first FSU women's golfer to advance to nationals on an individual basis.

Pollack, who received Ferris' team Most Valuable Player Award four times, continues to rank among the school's all-time leaders with an 84.78 career stroke average over 50 rounds. She led the Bulldogs in stroke average all four seasons she played.

In her junior campaign (1990-91), she compiled an 87.17 average over 12 rounds of play. As a sophomore (1989-90), Pollack shot 88.56 in nine rounds. She totaled an 87.60 effort while playing 10 rounds in her freshman season (1988-89).

Pollack, who garnered FSU's Bulldog Award for dedication and hard work in her final campaign, was the individual medalist in the 1991 Michigan Wolverine Invitational.

She currently serves as as PGA Head Golf Professional at the Boulder Creek Golf Club and lives in Grand Rapids along with her husband, Joe, and son, Samuel.

Jodi (Raab) Scovill

Women's Basketball, 1989-93

A Big Rapids native and former Cardinal basketball and softball star, Jodi (Raab) Scovill set numerous school records as a Bulldog women's basketball standout while starting all 106 of her collegiate contests.

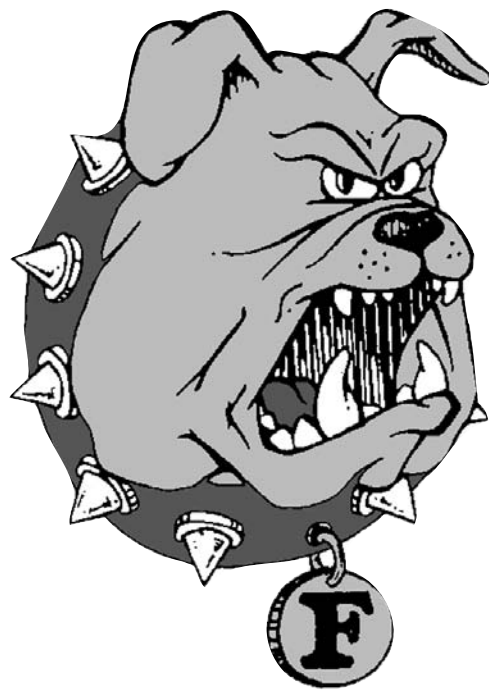

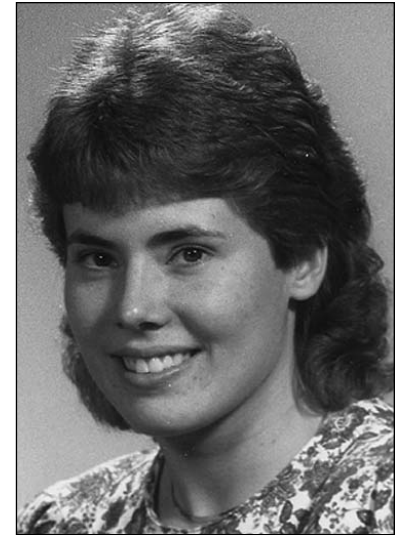

She was a second-team All-GLIAC choice as both a sophomore and senior along with being named FSU's team Most Valuable Player in her final season. Scovill posted what was then a school career record for free throws made with 345 in her career. Her 491 career assists currently ranks second all-time at FSU while her 1,210 career points is also included among the Bulldogs' all-time leaders.

She set a Ferris record for single-game scoring when she tallied 46 points against Wayne State as a senior and continues to hold current single-game highs for free throws made (15) in addition to assists (15) at FSU.

As a senior, Scovill was named national offensive player of the week for the Division II ranks.

The 1992-93 Bulldog of the Year Award recipient later was inducted into the Mecosta County Sports Hall of Fame, becoming the youngest person and first woman ever to earn such the distinction.

Scovill and her husband, Mark, have two sons and live in Fennville.

Special Thanks

Bulldog Athletics Hall of Fame

This evening's Bulldog Athletics Hall of Fame Ceremony would not be possible without the combined effort of several individuals. The Selection Committee extends special thanks to:

- Tony Albachten**, AV Electronic Maintenance Technician
- Elaine Baumunk**, Paper Chase
- Rob Bentley**, Assistant Athletics Communications Director
- Steve Cox**, Video Producer/Director
- Kent Kachaterian**, Graphic Designer
- Karen Kirk**, Assistant to the Vice President for University Advancement
- Lynn Miller**, Holiday Inn Sales and Catering Manager
- Rich Piippo**, Multi-Media Coordinator
- Michael Terry**, Williams Auditorium Manager
- Al Williams**, Senior Graphic Designer
- Matt Yeoman**, University Photographer

FERRIS STATE UNIVERSITY

www.ferris.edu

Ferris State University is in its second century as one of the nation's premier technical and professional universities. Ferris provides practical, "hands-on" education necessary to make its graduates immediately employable in a diverse array of fields.

The institution was founded Nov. 4, 1884 by Woodbridge N. Ferris, a former Governor of Michigan and a U.S. Senator. His intent was to provide a practical education for any person with the motivation and potential to benefit.

Today, Ferris State continues to teach technical skills and applications focused on solving real problems, and produces a career-oriented work force that is prepared to meet the world of high technology.

The University offers more than 150 educational programs through the colleges of Allied Health Sciences, Arts and Sciences, Business, Education and Human Services, Kendall College of Art and Design, Michigan College of Optometry, Pharmacy and Technology. The programs are designed to respond to the changing needs of manufacturing, business, health care and other industries and professions which are critical to Michigan's economy.

With a student-to-faculty ratio of approximately 16-1, students at FSU receive the individual attention necessary to prepare them for their careers. Additionally, Ferris boasts a placement rate for graduates of 98 percent, one of the best in Michigan.

Students also have the opportunity to join nearly 200 student organizations on campus plus club, intramural and intercollegiate sports.

The scenic Big Rapids campus is located along the banks of the Muskegon River in the gentle rolling hills of west central Michigan.

Initially, Ferris was known as the Ferris Industrial School, but in 1899 the title was changed to Ferris Institute. It was privately owned and operated until 1931 when it became a non-profit, non-stock education corporation. In 1949, Ferris became a state college, and the school was officially re-named Ferris State College in 1963 and Ferris State University in 1987.

**"Education is life. It involves growth, development and training."
— Woodbridge N. Ferris**

FERRIS STATE QUICK FACTS

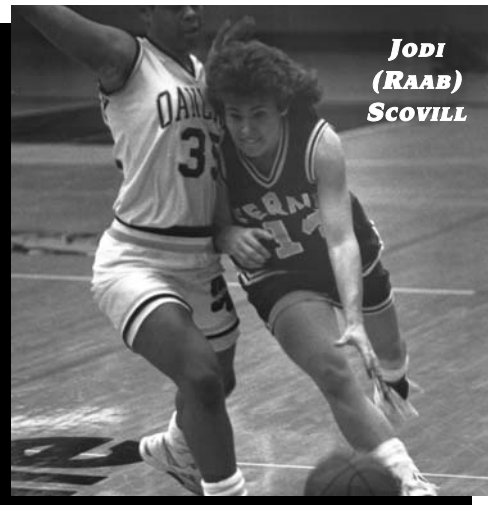

- ▼ Ferris has the largest undergraduate Surveying Engineering program in the U.S. and the only one in Michigan. The program has a 100% placement rate and a starting salary range of \$32-55K.
- ▼ The Ferris Pharmacy program is one of 83 nationally and the largest school in Michigan. The job placement rate is 100% with a starting salary range of \$75-95K.
- ▼ FSU's Television Production is the only program of its kind in Michigan with an emphasis on professional television. Job placement is 100% with a starting salary range of \$26-30K.
- ▼ Medical Records Administration is the only program of its kind in Michigan. Students consistently exceed the national average on the national boards. Job placement is 100% with 3 to 6 offers per graduate.
- ▼ Ferris' two-year welding technology program is ranked best in the nation with 100% placement and a starting salary range of \$32-40K.
- ▼ In printing management, Ferris has a 100% job placement rate with 15 offers per graduate. Starting salary ranges from \$28,000 to \$40,000.
- ▼ The criminal justice program is one of the largest in Michigan and has a 96% placement rate with a starting salary range of \$30-35K. Upon graduation, students are certifiable in the state of Michigan.
- ▼ The professional tennis management program, which features a 100% placement rate with a starting salary range of \$30-35K, is one of four in the nation. Upon graduation, students receive a BS in Business Marketing and are USPTA Certified tennis professionals.
- ▼ The Heating, Ventilation, Air Conditioning and Refrigeration (HVACR) Technology program is the only four-year program in Michigan and is one of two nationally. The program boasts a 100% job placement rate with 25 offers per graduate and a starting salary range of \$41-71K. The HVACR, which opened in the fall of 2003, tripled the facilities size.

MISSION STATEMENT

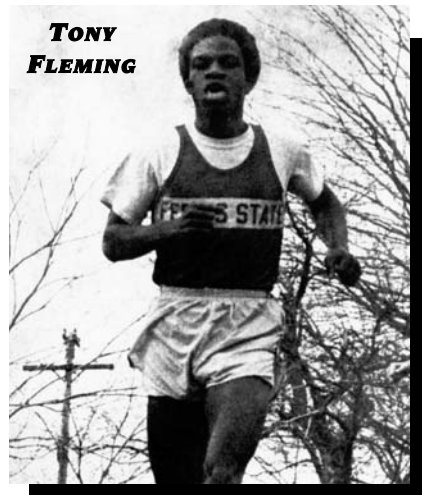

Ferris State University will be a national leader in providing opportunities for innovative teaching and learning in career-oriented, technological and professional education.
