The Ferris State softball program has experienced noteworthy success on the diamond over the last decade and attained national recognition as a result of their accomplishments.

Since current head coach Keri Becker stepped onto campus in 1997, the Bulldogs have won or shared two overall GLIAC titles (2000 and 2005), claimed three NCAA Regional Championships (1998-99 and 2008) and qualified for the NCAA National Championship Tournament three times (1998-99 and 2008). Under Becker, Ferris turned in a third-place showing at the 1998 NCAA Championship Tournament in its first-ever national tourney appearance. FSU then followed with a sixth-place effort at the 1999 NCAA Championships. In 2008, the Bulldogs tied for fifth-place honors at the national tournament.

Ferris State has registered a 22-11 all-time record in NCAA Tournament contests, which includes a 4-5 mark in NCAA Softball Championships competition.

Ferris State head coach Keri Becker (center) is pictured with senior captains Shawn Martinez (left) and Sarah Guzal (right) after the Diamond Dawgs won their first-ever NCAA Regional title. The 1998 team went on to place third at the NCAA National Championships, the highest finish ever for a FSU women's athletics program at the time.

The 2008 season represented Ferris State's third national tournament appearance ever in the program's history as the Bulldogs would finish in a tie for fifth-place honors.

Ferris State, which received a NCAA Division II Postseason Tourney berth for the sixth time in school history and the second consecutive season, claimed the 2008 NCAA-II Great Lakes Regional Championship title with a 1-0 decision over 2007 NCAA-II National Champion and regional tourney's top-seed Southern Illinois-Edwardsville.

The Bulldogs began the 2008 post-season by not allowing a run in the first 48 innings of action.
