

USTFCCCA names NCAA Division II Women's All-Academic Team

Victoria Martinez of Adams State and Mandi Zemba of Grand Valley State are among the national champions named to the 2006 Division II USTFCCCA Women's All-Academic Track & Field Team.

The U.S. Track and Field and Cross Country Coaches Association (USTFCCCA) honors individuals and teams for their academic and athletic accomplishments during the indoor and outdoor track seasons. Forty-nine Division II women's teams had cumulative grade-point averages of 3.0 or higher.

Adams State, the third-place team at the 2006 NCAA Division II Outdoor Track and Field Championships at Emporia State, placed nine athletes on the All-Academic team. Martinez, the NCAA champion in the 800 and 1,500 meters, is joined by teammate Emily Mortensen, the national 10,000-meter winner.

Grand Valley State, the fourth-place team at the NCAA Division II outdoor meet, has 14 athletes on the All-Academic team, including Zemba, a double national champion in the 3,000 and 5,000 meters.

Other NCAA outdoor champions on the All-Academic Team are Holly Noller of Southern Illinois-Edwardsville (javelin) and Lesley Crutcher of Nebraska-Kearney (high jump).

South Dakota had the most athletes on the All-Academic team with 18.

To qualify for the USTFCCCA All-Academic Track & Field Team, an athlete must have a cumulative GPA of 3.25 or higher and must have met the NCAA Division II national qualifying standard in her event.
