

## Our Camps

### Facilities

Ferris tennis camps utilize up to 27 tennis courts at the FSU Racquet Center and a local high school. At Ferris, the tennis never stops with four indoor tennis courts. The facility also boasts a complete fitness center with cardio and weight machines for all fitness levels (only available to those 18 years old and older).

### Camp Philosophy

Our Ferris camp program offers the finest in instruction and enjoyment. Our coaching staff understands the intricate process of building a better game based on sound fundamentals. The three key areas of tennis fundamentals are stroke technique, movement and tactics. We focus our instruction specifically to your level of play. We also understand that enthusiasm, fun and socialization are essential, and we bring an endless supply to every aspect of our camps!
