

MONDAY 10.12.15

MIX IT UP NETWORKING EVENT

Theme: Opportunities for Women in the College of Engineering Technology

- ✚ Network with students within the College of Engineering Technology (CET) and undecided students. Dinner provided!
- ✚ Enjoy an evening meal with fellow students.
- ✚ Hear from CET alum Erin Lavender, Design Engineer at B&P Manufacturing.
- ✚ Ms. Lavender will share with us her varied career experiences since she graduated from Ferris in 2004.
- ✚ Ms. Lavender brings with her the unique perspective of the career opportunities associated with living and working in a smaller community in northern Michigan

Ferris State University, an Affirmative Action/Equal Opportunity employer, is committed to enhancing equity, inclusion, and diversity within its community. The University prohibits discrimination on the basis of race, color, religion or creed, national origin, sex, sexual orientation, age, marital status, veteran or military status, height, weight, disability, and any other characteristic prohibited by applicable State or federal laws. Participation in this event is open to all community members. Individuals requiring accommodation or assistance to participate should contact Karen Miller Gross at 989-591-3171 or karengross@ferris.edu

These materials were developed under a grant awarded by the Workforce Development Agency.

This event is made possible through support from Carl D. Perkins Career and Technical Education funds and the Office of Academic Affairs at Ferris State University.
