<b>Total</b>				<b>5</b>	

\*Obligation may also be fulfilled by taking MATH 117 - Contemporary Math

\*Coursework not required for students with a MATH ACT score of 24 or higher

It is highly recommended that you take the ASE tests prior to graduating from your baccalaureate degree program and while the information is still fresh in your mind. Taking and passing ASE tests leads to certification and reflects achievements, grants professional credentials, and provides for greater potential earnings. Most employers require ASE certification as a condition of employment.
