# 1st Digital 2 Competition
Fall 2010

First prize, an Altera DE1 development board, was donated by Altera University Program and awarded to Alex Breu (left) and Jacob Schwind (center).

Second prize, a certificate for a IEEE one-year student membership, was donated by EET/CNS programs and awarded to Noah Rayburn and Michael Landis (not pictured).

Third prize, a Ferris flash drive, was donated to the competition by our program technician Steve Johnson and awarded to Tim Parks, Matt Elliot, Mike Hastings (pictured) and Darius Ganzie.
