

2. Term Calculator

The “Term Calculator” is used to see what the GPA will be at the end of a term.

The student’s current GPA and credits earned to date automatically appear. In the boxes provided:

1. Enter each of the courses and the number of credits in which the student is currently enrolled.
2. Enter the estimated grade for each course.
3. Click Calculate.
4. The calculated GPA the student would receive (if he/she earned the estimated grades) will appear.
