

MOBILE APP

Feature Overview

Summary

The U.S. Bank Focus Mobile App gives you the ability to view transactions, check your balance, search for the nearest ATM location or sign up for text alerts all when you're on the go.

Description

The U.S. Bank Focus Mobile App allows you to connect to your card account anytime, anywhere on your iPhone® or Android™ phone. Focus makes it easy for you to manage your money on the go. It's safe, secure and best of all, it's free!

Download the app today and check out these great features:

Check Your Balance – Get up-to-the-minute balance and transaction detail

View Transactions – Description, date, and total dollar amount of transaction

Enroll in and Manage Text Alerts¹

ATM Locator – Find the nearest ATM based on location or zip code

Single Login – Access your card account on your phone using the same password you setup online

Enjoy Safety and Security – Built using the highest standards of mobile web security – you can feel confident that your card account number and private information are never stored on your phone

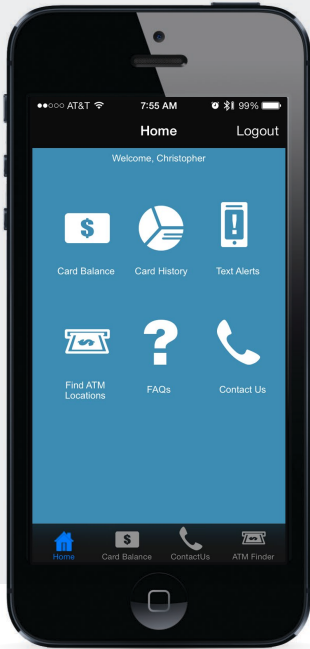

Download the app today! Search for “U.S. Bank Focus” in the iTunes Store or Google Play.
