

FERRIS PRIDE COMMITTEE

TO: Ferris State University Community
FROM: FERRIS PRIDE COMMITTEE
SUBJECT: 2018-19 Academic Year Update
DATE: August 2018

Reminder: Ferris Pride Day is every Friday!

The Ferris State University Pride Committee is once again excited to kick off another semester. As always, we encourage everyone to wear Ferris red and gold colors, every Friday, to demonstrate Bulldog pride. In addition, you are urged to wear your pride button as further demonstration of Bulldog pride and to take advantage of benefits.

Continuing this year: KCAD/UICA faculty and staff are invited to wear their favorite KCAD/UICA gear, every Friday, and pick up a KCAD Pride button – available at the KCAD Barnes and Noble Bookstore, located at the 17 Fountain St. building, in Grand Rapids.

As a reminder, pride button benefits (on Pride Day) include:

- a 20-percent discount* at Ferris' Barnes and Noble Bookstore (located in the University Center, on main campus) and the KCAD Barnes and Noble Bookstore (in the 17 Fountain St. building) on one logoed item.
- a 20-percent discount* at Starbucks (at either the University Center or IRC locations, on main campus) and at The Market, on your full purchase.

**Not applicable with already discounted merchandise or combined with other discounts or coupons.*

Pride buttons are available at several university locations by contacting Sandy Gholston at x2021 or sandygholston@ferris.edu. KCAD pride buttons are available at the KCAD Barnes and Noble Bookstore (in KCAD's 17 Fountain St. building) or by contacting Jill Schneider at x1150 or JillSchneider@ferris.edu.

The Pat-on-the-Back Award program is an easy way to say thank you to faculty, staff and students for assisting others. Nominate someone for a job well done by emailing fsupride@ferris.edu with your name and address, the nominee's name and address, and the reason you have chosen this person for a Pat-on-the-Back award. Awardees will receive a special certificate.

Mission: The Ferris Pride Committee encourages all employees and students to promote and participate in a spirit of cooperation, responsible citizenship and lifelong pride in our University.
