Dec. 8th

•

Final Exam Week
Dec. 11- Dec. 15

•

Final Grades Due
Dec. 19

•

Beginning of Spring Semester
Jan. 8

HAS YOUR STUDENT REGISTERED FOR SPRING SEMESTER?

Make Sure Your Child is Ready for the 2018 Spring Semester

Can you believe the Spring Semester is already upon us? It's an exciting time, and a great opportunity for parents to help their students reflect on the things that have worked well during the Fall Semester and discuss new opportunities for success. As your student is preparing their spring schedule, a few good questions to ask may be:

- Which classes have they liked best?
- What time of the day did you learn best? •Have you decided which classes you would like to register for?
- Did you already register on your assigned day?

To Register for Classes

A student can register for classes through their MyFsu. By simply clicking on the registration tab, a student can locate the add/drop classes link. Once clicking on Spring 2018 semester, students can begin looking at the classes they are interested in or need to successfully complete their program.

Additional Help

COEHS Dean's Office: 231-591-3646 | Timmie Center (Student Services): 231-591-5242 |

Our E-mail: coehsparentprogram@gmail.com

Steps to Register

Clear all holds on student account

Have student talk to their advisor

Determine what classes are best for Spring

Add Class through MyFSU Registration

STUDY ABROAD

Study abroad opportunities allow students to experience academic, social, and personal growth.

While studying abroad your student will:

- Earn academic credit at Ferris State University
- Apply most forms of financial aid to program expenses
- Study a variety of subjects in English
- Explore, discover, and broaden their cultural horizons

Ferris offers both Short-Term (2-4 weeks; faculty-led) and Long-Term (a semester) exchange programs

Getting your Student Involved

Registered Student Organization (RSO): Media Communications Association

The Media Communications Association is an international professional association dedicated to the advancement of the private television industry, including graphic designers, and dedicated to serving the needs of professional video communicators in non-broadcast settings.

The MCA organizational goal is to provide extracurricular opportunities for career exploration and professional development in the field of Television and Digital Media Production.

Requirements: None

DOES YOUR STUDENT HAVE TRANSFER CREDITS?

ENSURING YOUR STUDENTS RECIEVES THE CREDITS THEY DESERVE

If your student is a transfer or has any college credit from high school, make sure their official transcripts have been sent our way.

Here at Ferris, we offer a unique "laddering system" which allows students to continue in a compatible bachelor's or associates degree program with little or no less of credit.

Therefore, our goal is to help transfer and non-traditional students who want to complete or further their education in the best way possible.

To prepare for a smooth transfer process, check out the following supportive material below that may help you and your student.

Transfer Guide

Included in each transfer guide are career path information, general transfer requirements, program specific contact information, and much more.

Transfer Credit Equivalencies

Looking for information about the transferability of a particular course? Use Ferris Transfer Credit Equivalencies Database to find the information.

Have Questions?

For general questions, or if you are unsure which office to call, please contact the main office at (231) 591-5983 or e-mail transfercenter@ferris.edu and they will point you in the right direction.
