THE PROGRAM

The National Summer Transportation Institute (NSTI) is a one week residential program designed for students to explore careers in the transportation industry. There is no cost for the student campers as this camp is offered through a MDOT and FWA grant.

During this one week adventure campers will:

- ◆ Experience aviation career opportunities at Northwestern Michigan College in Traverse City.
- ◆ Experience marine transportation careers through the United States Coast Guard in Sault Sainte Marie.
- ◆ Experience and learn about the Unmanned Aerial Systems (drones) includes flying a UAS.
- ◆ Participate in a bridge building competition with other NSTI students
- ◆ Create concrete cylinders and asphalt materials used for transportation construction projects.
- ◆ Experience highway design and construction careers and tour construction projects.
- ◆ Engage in recreational activities and social functions with other outstanding students selected for the NSTI.
