Fall 2019 Payment Information

The Ferris State University Board of Trustees will approve the 2019-20 dual enrollment tuition rate in Summer 2019. The updated **Dual Enrollment Payment Authorization Form** (including the 2019-20 tuition rate) will be emailed to the high school counselor once the rate has been set. High schools should then determine school district cost and parent/student cost, obtain the parent's/legal guardian's signature and return the completed form to dualenrollment@ferris.edu.

Failure to return the Dual Enrollment Payment Authorization form to Ferris State will result in the school being billed the full amount for tuition.

Schools may wish to use the 2018-19 dual enrollment tuition rate of \$265 per credit hour as a general guideline when projecting tuition costs for the 2019-20 academic year.

The \$265 per credit hour rate is not guaranteed and tuition rates are subject to change.

Please note there is an additional fee for online classes. For the 2018-19 academic year, the fee was \$12 per credit hour.
