

Delta College Transfer Guide

The Bachelor of Science in Biology provides a quality, well-rounded education for students preparing for a variety of careers in the field of biology. Courses in general biology, anatomy and physiology, microbiology, genetics, and ecology are required, as are courses in mathematics, chemistry, physics, and additional biology electives of the student's choosing. The program is flexible and individually designed, matching the abilities of each student with his/her academic interests.

General Admission Criteria

To be admitted to this degree program, students must have completed at least 12 credits at the time of application with a minimum 2.0 overall GPA including an English and mathematics course, or they must provide their high school records and ACT /SAT scores for admission review. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application.

Course Requirements

Delta College				Ferris State University			
Course	Ferris Equiv.	Ferris Course Title	Cr. Hrs.	Course	Ferris Course Title	Cr. Hrs.	
ENG 111	ENGL 150	English 1	3	ENGL 311	Advanced Technical Writing	3	
ENG 112	ENGL 250	English 2	3	or	or		
COM 112	COMM 121	Fundamentals of Public Speaking	3	ENGL 321	Advanced Composition		
MTH 121	MATH 120	Trigonometry	3	or	or		
BIO 203	BIOL 286	Microbiology	3	ENGL 323	Proposal Writing		
BIO 171	BIOL 121	General Biology 1	8	or	or		
and	and	and		ENGL 325	Advanced Business Writing		
BIO 172**	BIOL 122	General Biology 2		BIOL 346	Ecological Assessment	3	
BIO 240	BIOL 205	Human Anatomy & Physiology	5	or	or		
and				BIOL 347	Environmental Conservation		
BIO 241				or	or		
CHM 111	CHEM 121	General Chemistry 1	5	BIOL 442	Ecology		
CHM 112	CHEM 122	General Chemistry 2	5	BIOL 375	Principles of Genetics	3	
CHM 210	CHEM 321	Organic Chemistry 1	5	<i>FSU</i>	Biology Elective (see FSU advisor)	7-13	
and				BIOL 460	Current Topics in Biology	2	
CHM 210L				CHEM 324	Fundamentals of Biochemistry	3-4	
CHM 220	CHEM 322	Organic Chemistry 2	5	or	or		
and				CHEM 364	Biochemistry		
CHM 220L				<i>FSU</i>	Biology Application Area (see FSU advisor)	5	
PHY 111	PHYS 211	Introductory Physics 1	4				
PHY 112	PHYS 212	Introductory Physics 2	4				
<i>Delta</i> *	<i>VARIES</i>	Cultural Enrichment Electives (one must be at FSU 200+ level)	9				
<i>Delta</i> *	<i>VARIES</i>	Social Awareness Electives (one must be FSU 200+ level) (must come from 2 different subject areas)	9				

Credits Required for Degree 121

www.ferris.edu/transferservices

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

**Students must take entire sequence at the Community College or take the entire sequence at Ferris State University in order to earn course credit.

Delivery Locations

This degree and the Ferris courses are offered at the following locations:

- Ferris State University, Big Rapids Campus, Big Rapids MI
- Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location)

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation. Orientation for incoming freshmen is a one-day session that occurs on campus and includes class registration. Eligible transfer students have the option of completing an online orientation or attending an on campus session.

Advising Notes

It is recommended that potential students meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. **Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of any electives or general education classes shown above could reduce the chance of completing a course that will not apply toward the selected degree.** Once admitted, students must continue to meet with an advisor as they work towards graduation.

Online Learning

Orientation is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in FerrisConnect skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.
