

Ferris State University's School of Education offers an exemplary program in Secondary Education designed to provide a balanced blend of theory and practice. Students have the opportunity to obtain Michigan Secondary Provisional Certification by taking all classes at Jackson College and Ferris State University. Certification will allow an individual to teach sixth through twelfth grade in both their major and minor subject areas. Throughout the program, students will complete at least 570 hours in a variety of hands-on, field-based experiences in the classroom. Our class sizes of 20-25 students guarantee that all students receive the attention they deserve. A background in state-of-the-art educational technology prepares students to integrate computer technology into instruction.

The Secondary Education Program requires the completion of a secondary education minor giving students a broad academic base in their chosen subject area. The professional education courses include field-based experiences supervised by instructional teams comprised of teacher educators, professors from the content area disciplines, and expert 6-12 teachers.

General Admission Criteria

Students seeking admission to the teacher education program must have at least 30 transferable credits and a minimum 2.50 overall GPA. All transferred courses must be a "C" grade or higher and the following courses must be completed prior to admission: ENGL 150, ENGL 250, COMM 105 or COMM 121, and MATH 115. English majors need a "B" or better in ENGL 150 and ENGL 250. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application. Financial aid is available and may include concurrent enrollment at both institutions.

Teacher Certification Requirements

As required by the State of Michigan to receive teacher certification, all teacher candidates must: (1) pass the Professional Readiness Exam, (2) pass the MTTC in the subject areas of their major and minor, and (3) pass the Student Teaching and the Professional Seminar with a grade of "B-" or better. It is encouraged students take the Subject Matter Exams in their subject area minors [after finishing respective minor(s) and prior to Student Teaching] in order to be able to teach grades 6-8. It is recommended that the Professional Readiness Exam be completed following completion of English 1 and 2, and Intermediate Algebra. These state requirements are in addition to the FSU graduation requirements of your individual program.

Field Experience, Pre-Teaching

Pre-student teaching field experiences provide an opportunity to experience classroom management, discipline, planning and delivery of content in the classroom setting. EDUC 338 and 438 have pre-teaching field experiences with clock hour requirements.

Student Teaching

Student Teaching is the ending activity of the B.S., Secondary Program. It is 15/16 weeks in length and requires completion of all courses and GPAs for all sections of the degree program, along with completion of the MTTC subject matter exams. More information about student teaching can be obtained by contacting Student Teacher Placement Coordinator, Karen Baar, 1349 Cramer Circle, BIS 618C, Big Rapids, MI 49307

Additional Requirements

Various policies are in place to ensure the success of our students. All students must take the Professional Readiness Exam prior to starting their Level II/III courses. All students must pass all three sections of the Professional Readiness Exam prior to taking EDUC 438. Students must submit required paperwork prior to taking any courses with field placements included. Students are required to maintain appropriate GPA in their planned program and minors to be eligible for student teaching and program completion.

Course Requirements

Jackson College				Ferris State University		
Course	Ferris Equiv.	Jackson College Course Title	Cr. Hrs.	Course	Ferris Course Title	Cr. Hrs.
General Education Requirements:				Professional Sequence Level I (must complete prior to Level II)		
ENG 131	ENGL 150	Writing Experience	3	EDUC 101	Introduction to Profession of Teaching	1
ENG 132	ENGL 250	Writing Experience	3	EDUC 251	Life Span of Human Development and Growth	3
COM 240	COMM 105	Interpersonal Communication	3	EDUC 289	Principles of Teaching & Learning	3
or	or	or		Professional Sequence Level II (2.75 GPA is required in Level I and II courses prior to EDUC 493.)		
COM 234	COMM 121	Public Address	3	EDUC 303	School, Work, and Society	3
MAT 131	MATH 115	Intermediate Algebra	4	EDUC 338	Secondary General Methods I (Application required)	4
Professional Development:				EDUC 415	Teaching Strategies Special Education/Diversity Population	3
EDU 221	EDUC 331	Exploring Teaching	3	EDUC 438	Secondary General Methods II (Application Required)	5
FSU General Education - Natural Sciences- Fulfilled by major.				EDUC 443	Teaching Reading/Secondary Areas	3
FSU General Education - Quantitative Literacy- Proficiency in MATH 115 or higher or ACT Math subtest score of 24 or higher.				Professional Sequence Level III (Prior to enrolling in Level III courses, all students must pass the Michigan test for teacher certification in their subject area. Students may not repeat any education course more than once).		
FSU General Education - Culture- Varies: 9 Credit Hours Required.				EDUC 499	Secondary Student Teaching	12
FSU General Education - Self and Society- Varies: 9 Credit Hours Required.				Teaching Minors: this degree requires a teaching minor in a chosen subject area. Teaching Minors may not be in the same content area as a student's major.

PHY 232	PHYS 212	College Physics 2	4			

Please refer to FSU's General Education Requirements at:
<http://www.ferris.edu/htmls/academics/gened/index.htm>

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students are encouraged to work with their Ferris advisor for selection of any electives, to ensure transferability and to minimize credits taken

Program Offered at:
Main Campus, Big Rapids
College of Education and Human Services
School of Education
(231) 591-5362

Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

Online Learning

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location). The "Online Readiness Tutorial" is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in Blackboard skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.
