

The Product Design Engineering Technology program at Ferris offers instruction and practical experience in all facets of product design. Students are prepared to effectively participate in a design environment, generate conceptual design sketches and drawings, create complex design layouts, perform static and dynamic analysis, create models and prototypes, create and define complex surfaces and shapes, and understand and integrate manufacturing principles into design. Study also emphasizes communication, mathematics and analytical skills. Students also receive hands-on experience through labs that gives them real-world experience.

General Admission Criteria

To be admitted to this degree program, students must have completed a minimum of 60 transferrable semester credit hours with a minimum GPA of 2.5 (on a 4.0 scale). Included in the 60 semester hours pre-admission courses are the following LCC courses which must have a grade of C (2.0 on a 4.0 scale). WRIT 121 WRIT 122 or 124 SPCH 130 MATH 126 or MATH 121 & 122 PHYS 221 PMMT 190 or METM 190 Social Awareness 100 level or higher (3 credits)* Cultural Enrichment 100 level or higher (3 credits)* One course in mechanical based computer aided drafting (CAD) such as METD 110 It is recommended that students submit applications by January 15th prior to fall entry. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application.

Course Requirements

Lansing Community College			
Course	Ferris Equiv.	LCC Course Titles	Cr.Hrs.
Pre-admission classes			
SPCH 130	COMM121	Public Speaking	3
WRIT 121	ENGL 150	English Composition I	3
WRIT 122 or 124	ENGL250	English Composition II or Technical Writing	3
PMMT190 or METM190	MATL240	Metallurgy & Heat Treat.	4
MATH 126 or MATH 121 & 122	MATH 130	Accelerated Pre-Calculus or Pre-Calculus I & II	4
PHYS 221	PHYS211	Intro to Physics I	4
LCC		FSU General Education – Self and Society Elective (100 level or higher)*	3
LCC		FSU General Education - Culture Elective (100 level or higher)*	3
LCC		CAD Graphics Class (mechanical)	
Other classes		As needed to achieve a total of 60 credit hours	
Sub-Total (minimum)			60
Program Classes			
LCC		FSU General Education – Self and Society Elective (200 level or higher)*	3
LCC		FSU General Education - Culture Elective (200 level or higher)*	3
ARTS 131	ARTS 101	Art	3
CHEM 151 & 161	CHEM 103	Introductory Chemistry Chemistry Lab	5
GEOG 200	GEOG 100	World Geography	3
MATH 151	MATH 220	Calculus I	4
Total Lansing Community College Credits			81

FSU General Education Requirements can be found at:

<http://www.ferris.edu/HTMLS/academics/gened/index.htm>.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education requirements. Students should contact their advisor regarding classes that meet the MTA.

Students are encouraged to work with their Ferris advisor for selection of any electives, to ensure transferability and to minimize credits taken.

Effective Fall 2017

Ferris State University is an equal opportunity institution. For information on the University's Policy on Non-Discrimination, visit ferris.edu/non-discrimination.

Ferris State University		
Course	FSU Course Titles	Cr. Hrs.
COMM 336	Technical and Professional Presentation	3
EEET 201	Electrical Fundamentals	3
ENGL 321	Advanced Composition	3
MATL 341	Material Selection Metals	3
MECH 340	Statics & Strengths of Materials	4
MFGE 352	Design for Manufacturing	2
PDET 311	Seminar in Product Design	1
PDET 312	Plastics Product and Tool Design II	2
PDET 321	Applied Mechanics-Kinematics	3
PDET 322	Model – Prototype Development	2
PDET 411	Machine Design	3
PDET 412	Statistics – Ergonomics	2
PDET 413	Applied Fluids – Thermodynamics	3
PDET 415	Advanced Solid Modeling CAD	2
PDET 422	Advanced Machine Design	4
PDET 499	Product Design Project	3
PLTS 342	Plastic Material Select – PDET	3
Total Ferris Credits		52
Credits Required for Degree (Minimum)		133

Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

Online Learning

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location). The "Online Readiness Tutorial" is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in Blackboard skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.
