

## Monroe County Community College Transfer Guide

The Product Design Engineering Technology program at Ferris offers instruction and practical experience in all facets of product design. Students are prepared to effectively participate in a design environment, generate conceptual design sketches and drawings, create complex design layouts, perform static and dynamic analysis, create models and prototypes, create and define complex surfaces and shapes, and understand and integrate manufacturing principles into design. Study also emphasizes communication, mathematics and analytical skills. Students also receive hands-on experience through labs that gives them real-world experience.

### General Admission Criteria

To be admitted to this degree program, students must have completed a minimum of 60 transferrable semester credit hours with a minimum GPA of 2.5 (on a 4.0 scale). Included in the 60 semester hours pre-admission courses are the following MCCC courses which must have a grade of C (2.0 on a 4.0 scale).

ENG 101 or 151    ENG 102 or 152    SPCH 152    MATH 164    PHY 151    MATL 101  
Self and Society 100 level or higher (3 credits)\*    Culture 100 level or higher (3 credits)\*  
One course in mechanical based computer aided drafting (CAD)

It is recommended that students submit applications by January 15<sup>th</sup> prior to fall entry. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application.

### Course Requirements

Monroe County Community College			
Course	Ferris Equiv.	MCCC Course Titles	Cr. Hrs.
<b>Pre-admission classes</b>			
SPCH 152	COMM121	Public Speaking	3
ENG 101/151	ENGL 150	English Composition I	3
ENG 102/152	ENGL250	English Composition II	3
MATL101	MATL240	Material Science	3
PHY 151	PHYS211	General Physics I	4
MCCC		FSU General Education – Self and Society (100 level or higher)*	3
MCCC		FSU General Education - Culture (100 level or higher)*	3
MCCC		CAD Graphics Class (mechanical)	
Other classes		As needed to achieve a total of 60 credit hours	
<b>Sub-Total (minimum)</b>			<b>60</b>
<b>Program classes</b>			
MCCC		FSU General Education – Self and Society (200 level or higher)*	3
MCCC		FSU General Education - Culture (200 level or higher)*	3
ART 180	ARTS 101	Drawing I	3
CHEM 150	CHEM 103	Introductory Chemistry	3
GEOG 152	GEOG100	World Geography	3
MATH 171	MATH 220	Calculus I	4
<b>Total Monroe County Community College Credits</b>			<b>79</b>

Ferris State University		
Course	FSU Course Titles	Cr. Hrs.
COMM 336	Technical and Professional Presentation	3
EEET 201	Electrical Fundamentals	3
ENGL 321	Advanced Composition	3
MATL 341	Material Selection Metals	3
MECH 340	Statics & Strengths of Materials	4
MFGE 352	Design for Manufacturing	2
PDET 311	Seminar in Product Design	1
PDET 312	Plastics Product and Tool Design II	2
PDET 321	Applied Mechanics-Kinematics	3
PDET 322	Model – Prototype Development	2
PDET 411	Machine Design	3
PDET 412	Statistics – Ergonomics	2
PDET 413	Applied Fluids – Thermodynamics	3
PDET 415	Advanced Solid Modeling CAD	2
PDET 422	Advanced Machine Design	4
PDET 499	Product Design Project	3
PLTS 342	Plastic Material Select – PDET	3
<b>Total Ferris Credits</b>		<b>46</b>
<b>Credits Required for Degree (Minimum)</b>		<b>125</b>

Please refer to FSU's General Education Requirements at:  
<http://www.ferris.edu/htmls/academics/gened/index.htm>

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students are encouraged to work with their Ferris advisor for selection of any electives, to ensure transferability and to minimize credits taken.

**Program Offered at:**  
**Main Campus, Big Rapids**  
Product Design Engineering Technology

**Monroe County Community College**  
Transfer Guide**Advising Notes**

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

**Transfer Student Orientation**

All new students to Ferris State University are required to complete an orientation.

**Online Learning**

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location). The "Online Readiness Tutorial" is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in Blackboard skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

**Reverse Transfer Agreement**

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

**Michigan Transfer Agreement (MTA)**

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

**Disclaimer**

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.
