

Northwestern Michigan College
 Articulation Agreement and Transfer Guide

To meet the needs of students in the Aviation – Flight Program at NMC, this option includes an Associate in Applied Science Degree in Aviation from NMC and a Bachelor of Science Degree in Business Administration from Ferris State University. Through this program, students will earn their necessary training and hours as pilots and they will gain a solid foundation of knowledge and skills for the business world.

<i>NMC</i>	<i>VARIES</i>	General Ed Electives (3 credits at 300+, as needed for 48 General Education total)	8			
Total Northwestern Michigan College Credits			110-111			

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students are encouraged to work with their Ferris advisor for selection of any electives, to ensure transferability and to minimize credits taken.

Program Offered at:
Ferris State University – Traverse City

Northwestern Michigan College
Articulation Agreement and Transfer Guide

General Admission Criteria**Transfer Students – Degree Completion at the Community College**

- To be admitted to this degree program, students must have at least 48 transferable semester credit hours (“C” or better on 4.0 scale) from an accredited college or university with a 2.35 overall GPA and credit for, or placement into Ferris’ ENGL 150 (ENG 111 at NMC) and Ferris’ MATH 115 (MTH 111 at NMC) are required. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application. Financial aid is available and may include concurrent enrollment at both institutions.

Transfer Students – Big Rapids Main Campus

- Combined college or university GPA of 2.35 (on a 4.0 scale) from all institutions attended. GPA is based on completion of 12 credit hours or more. (It is highly recommended that transfer credits include The FSU equivalency of ENGL 150, MATH 115, and the FSU equivalency of a social awareness or cultural enrichment course OR general education requirements.) Developmental courses will not be considered in computing the GPA requirement.
- Transfer equivalency for FSU ENGLISH 150 or placement during the first semester at FSU that would require an ACT English score of 16 or higher; Compass score 70 – 100.
- Transfer equivalency for FSU MATH 115 or placement during the first semester at FSU that would require an ACT Math score of 19 or higher; Compass Algebra score 46 - 74 and HS Algebra with 2.0.

Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation

Online Learning

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus in Big Rapids or at an off-campus location). The “Online Readiness Tutorial” is required for students who register for an online *course*. Students must demonstrate competency in BlackBoard skills.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Indemnification

To the extent permitted by law, Ferris State University and the Community College agree to indemnify and hold one another harmless from any and all claims initiated by student participants, their parents, survivors, or agents, arising from any negligent acts or omission on the part of either institution or any of their employees.

Original Signed Articulation Agreement

The original, signed document is on file in the Office of Transfer and Secondary School Partnerships. To obtain a copy of the original, signed document, contact the Office of Transfer and Secondary School Partnerships at 231/591-5983 or email your request to transfercenter@ferris.edu.

This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

This Articulation Agreement is in effect January 15, 2012, through January 15, 2018.
