

St. Clair County Community College

Transfer Guide

This program is designed for Associate Degree and Diploma RNs who want to further their education. Students will build upon their prior nursing education and be equipped with the theory-based knowledge and skills to work in many of the new expanding fields of Nursing. Students will be prepared to lead health-care teams, coordinate and plan nursing care for a variety of clients, collaborate with other health professionals, and make confident, independent decisions. Job opportunities are fast-growing and diverse. The BSN program also serves as the foundation for graduate nursing studies. The program is fully accredited by National League for Nursing Accrediting Commission (NLNAC).

General Admission Criteria

To be admitted to this degree, students must have an Associate Degree or Diploma in Nursing as well as their RN License. Students must have a C grade (2.0 on a 4.0 scale) or better in ENGL 101 (ENGL 150 at Ferris), ENGL 102 (ENGL 250 at Ferris), MTH 102 (MATH 110 at Ferris), and 7-8 credits of science. A minimum 2.5 cumulative grade point average is required. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application. Financial aid is available and may include concurrent enrollment at both institutions.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Transfer Guide**Advising Notes**

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

Online Learning

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location). The "Online Readiness Tutorial" is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in Blackboard skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.
