

Grand Rapids Community College Transfer Guide

The Bachelor of Science in Biology (Pre-Physical Therapy) is designed to prepare students for admission to each of the six professional physical therapy programs in Michigan. These programs generally take three to four years to complete, at which time a Doctor of Physical Therapy degree is obtained. Candidates for admission into a professional physical therapy program must obtain high grades in their preparatory coursework, and they must also complete a minimum number of hours of documented observational or work experience in a physical therapy setting.

The requirements of the Pre-Physical Therapy program are based on the general requirements of the Bachelor of Science in Biology, specifically adjusted for pre-physical therapy students. Coursework in anatomy and physiology, genetics, pathophysiology, exercise physiology, inorganic and inorganic chemistry, biochemistry, physics, psychology, and sociology prepares students for admission into professional programs and for future success in the field.

General Admission Criteria

Transfer students must have at least 12 credits at the time of application with a minimum 2.0 overall GPA including an English and mathematics course, or they must provide their high school records and ACT /SAT scores for admission review.

Official transcripts from all accredited colleges/universities must be submitted with the Ferris application.

Course Requirements

Grand Rapids Community College

Course	Ferris Equiv.	Ferris Course Title	Cr. Hrs.
EN 100	ENGL 150	English 1	3
or			
EN 101			
EN 201	ENGL 250	English 2	3
EN 249	ENGL 311	Advanced Technical Writing	3
COM 131	COMM 121	Fundamentals of Public Speaking	3
MA 131	MATH 130	Advanced Algebra/Analytical Trigonometry	4
MA 215	MATH 251	Statistics for the Life Sciences	3
BI 151	BIOL 121	General Biology 1	8
and			
BI 152**	BIOL 122	General Biology 2	
BI 240	BIOL 300	Pathophysiology	3
CHM 130	CHEM 121	General Chemistry 1	5
and			
CHM 131			
CHM 140	CHEM 122	General Chemistry 2	5
and			
CHM 141			
CHM 240	CHEM 214	Fundamentals of Organic Chemistry	4
CHM 250	CHEM 324	Fundamentals of Biochemistry	3
PH 125	PHYS 211	Introductory Physics 1	4
PH 126	PHYS 212	Introductory Physics 2	4
GH 110	MRIS 102	Medical Vocabulary	1
GRCC	VARIES	Cultural Enrichment Electives (one must be at FSU 200+ level)	9
GRCC	VARIES	Social Awareness Electives (one must be FSU 200+ level) (must come from 2 different subject areas)	9

Ferris State University

Course	Ferris Course Title	Cr. Hrs.
FSU	Biology Elective (see FSU advisor)	3
BIOL 286	General Microbiology	3
BIOL 301	Exercise Physiology	4
BIOL 321	Human Anatomy and Physiology 1	8
and		
BIOL 322	Human Anatomy and Physiology 2	
BIOL 346	Ecological Assessment	3
or		
BIOL 347	Environmental Conservation	
or		
BIOL 442	Ecology	
BIOL 375	Principles of Genetics	3
BIOL 460	Current Topics in Biology	2
RMLS 122	Responding to Emergencies	2

Credits Required for Degree 121

www.ferris.edu/transferservices

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their

advisor regarding classes that meet the MTA.

****Students must take entire sequence at Community College or take the entire sequence at Ferris State University in order to earn course credit.**

Delivery Locations

This degree and the Ferris courses are offered at the following locations:

- Ferris State University, Big Rapids Campus, Big Rapids MI
- Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location)

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation. Orientation for incoming freshmen is a one-day session that occurs on campus and includes class registration. Eligible transfer students have the option of completing an online orientation or attending an on campus session.

Advising Notes

It is recommended that potential students meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. **Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of any electives or general education classes shown above could reduce the chance of completing a course that will not apply toward the selected degree.** Once admitted, students must continue to meet with an advisor as they work towards graduation.

Online Learning

Orientation is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in FerrisConnect skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.

Effective Fall 2014
