

All organizations, from service facilities to product manufacturers, use operations management: The tools can improve any category of organization. Employees with this skill set are attractive to employers because the focus is clearly on process improvement, which improves cost efficiency. This program encourages those who aren't likely to think in terms of "the way we've always done it."

Operations management professionals decide how products and services are developed, manufactured, sold, and moved, which means they're involved in all facets of a company. This program teaches management concepts and decision-making tools to prepare students to solve tough problems and become indispensable assets to their organizations.

Internships and participation in the Grand Rapids-based chapter of APICS (the American Production and Inventory Control Society) polish skills and put classroom knowledge into a real-world context.

This program is accredited by the Accreditation Council for Business Schools and Programs. ACBSP is a leading specialized accreditation association for business education supporting, celebrating, and rewarding teaching excellence.

*Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location).*

### General Admission Criteria

#### New Student SAT Scores

- 2.50 High School GPA (on a 4.00 scale)
- Two of the Three Criteria:
  1. ERW SAT score of 450 or higher.
  2. Math SAT score of 500 or higher. Placement in MATH 109 or 110 will be considered (Math SAT score of 480 or higher).
  3. Composite SAT of 900 or higher.

#### New Student ACT Scores

- 2.50 High School GPA (on a 4.00 scale)
- Two of the Three Criteria:
  1. English ACT score of 16 or higher.
  2. Math ACT score of 19 or higher.
  3. Reading ACT score of 19 or higher.

### Transfer Students

- Combined college or university GPA of 2.35 (on a 4.00 scale) from all institutions attended. GPA based on completion of 12 credit hours or more. Developmental courses will not be considered in computing the GPA requirement.
- Transfer equivalency for FSU ENGL 150 or placement during the first semester at FSU which would require an English ACT score of 16 or higher; or ERW SAT score of 450 or higher; or English Accuplacer score of 6 or higher.
- Transfer equivalency for FSU MATH 114 or 115 or placement during the first semester at FSU which would require a Math ACT score of 19 or higher; Math SAT of 500 or higher; or Math Accuplacer scores: Elementary Algebra score 75 or higher and College Level Math 0 to 49.

### Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

### Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

### Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor's degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

### Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students must work with their Ferris advisor to declare a Minor or Concentration and for selection of Directed Electives.
