

## Grand Rapids Community College (GRCC)

### Transfer Guide

The Manufacturing Engineering Technology program at Ferris offers instruction and practical experience in all facets of quality engineering. Graduates of the program determine how to interpret, monitor, and develop quality systems to ensure products meet customer expectations. Study through hands on applied coursework/projects in statistics, quality control, manufacturing methods, industrial engineering, design of experiments, and quality planning allows graduates to participate in the design of a Quality system. These abilities are always in demand, and the Manufacturing Engineering Technology program gives the student the skills necessary to enter into a professional position with an excellent salary. This unique concentration was designed with representatives from industry and the American Society for Quality Control. Although completion of a technical Associates degree is encouraged, it is not required for entry to the bachelor's degree.

### Manufacturing Engineering Technology Admission Requirements

#### Transfer Students

- 2.5 College GPA (on a 4.0 scale)
- 57 semester hours of college coursework, including technical courses, general courses, and technical related courses.
- Completed MATH through MATH 126 or 130.
- Completed COMM 121 or equivalent.
- Completed ENGL 150 and 211 or 250 or equivalent.
- Completed 3 credit hours of a Natural Science Competency course; preferred Chemistry.
- Completed MATL 240 or equivalent.
- Completed ISYS 105 or equivalent or completed competency exam.
- Completed PDET 122 or equivalent.
- Completed MFGT 110 lecture and MFGT 114 lab or equivalent.
- It is recommended that at least one Culture and one Self and Society Competency course be completed.

#### Transfer Students – Grand Rapids

- If applying to Grand Rapids the time to apply is best determined thru meeting with an advisor. The Grand Rapids campus admittance occurs year round, however, the Fall a student begins in dictates their graduation date.

#### Transfer Students – Big Rapids Main Campus

- It is recommended that students submit applications by December 1st prior for fall semester entry to the Big Rapids campus. Entry is on a first come first serve basis and the number of transfer slots available may be limited.

#### Communication Competency Requirements

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
COMM 121	Fundamentals of Public Speaking	3	COM 131	Fundamentals of Public Speaking	3
ENGL 150	English 1	3	EN 100 or EN 101	College Writing or English Composition 1	3
ENGL 250 or ENGL 211	English 2 or Industrial & Career Writing	3	EN 102	English Composition 2	3
ENGL Upper	3 WIC's (MFGE 324 + 393 + 421) or ENGL 321 or 311	11 or 3	No Equivalent or EN 249	No Equivalent or Technical Writing	No Equivalent or 3

#### Quantitative Literacy Requirements

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
MATH 130	Advanced Algebra & Analytical Trigonometry + MATH 100 Gen Cr	5 or 7	MA 131 or MA 108 + 110	Pre-Calculus or Trigonometry + College Algebra	5 or 7
MATH 220	Analytical Geometry and Calculus 1	3	MA 133	Calculus with Analytic Geometry 1	5

#### Natural Sciences Competency Requirements – Two courses are required with a minimum of 6 credits; must have at least one lab course

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
PHYS 211	Introductory Physics 1	4	PH 125	College Physics	5
Varies	FSU General Education – Natural Sciences Elective	3	Varies	Varies	3

#### Culture Competency Requirements – Three courses are required with a minimum of 9 credits: must be from two different disciplines, have at least one 200 level or higher course

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
Varies	FSU General Education – Culture Electives	9	Varies	Varies	9

#### Self and Society Competency Requirements - Three courses are required with a minimum of 9 credits: must be from two different disciplines, have at least one 200 level or higher course, and at least one Self and Society Foundation course

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
Varies	FSU General Education – Self & Society Electives	9	Varies	Varies	9

## Ferris State University General Education Program

Students are encouraged to work with an advisor to select appropriate general education courses

### **Additional Classes to meet credits for Manufacturing Engineering Technology Program**

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
ISYS 105	Intro Micro Systems – Software	3	BA 145 or CIS 103	Computer Applications in Business 1 or Introduction to Windows and Microsoft Office	3
MATL 240	Intro to Material Science	4	TE 114	Material Science	4
MFGT 110 and MFGT 114	Theory of Prod Machined Comp and Prod Machined Comp	5	No Equivalent	No Equivalent	No Equivalent
PDET 122	Parametric Modeling	2	No Equivalent	No Equivalent	No Equivalent

### **College Requirements – 83 Credits Required**

#### **Major Courses – 29 Credits Required**

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
MECH 340	Statics and Strengths of Materials	4	No Equivalent	No Equivalent	No Equivalent
MFGE 311	Industrial Engineering	4	No Equivalent	No Equivalent	No Equivalent
MFGE 321	Metrology	3	No Equivalent	No Equivalent	No Equivalent
MFGE 322	Production Processes	3	No Equivalent	No Equivalent	No Equivalent
MFGE 341	Quality Science Statistics	3	No Equivalent	No Equivalent	No Equivalent
MFGE 342	Statistical Process Engineering	3	No Equivalent	No Equivalent	No Equivalent
MFGE 393	Internship (Department Approval)	4	No Equivalent	No Equivalent	No Equivalent
MFGE 423	Engineering Economics	2	No Equivalent	No Equivalent	No Equivalent
MFGE 442	Design of Experiments I	3	No Equivalent	No Equivalent	No Equivalent

#### **Process Development Courses – 20 Credits Required**

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
MFGE 312	CNC and CAM (MFGT 110, 114 or equivalent)	4	No Equivalent	No Equivalent	No Equivalent
MFGE 324	Principles of Processing Planning I (MFGE 311, 312, 325 co-req)	3	No Equivalent	No Equivalent	No Equivalent
MFGE 411	Principle of Process Planning II (MFGE 322, 324, 342)	2	No Equivalent	No Equivalent	No Equivalent
MFGE 421	Automation and System Design (MFGE 411)	4	No Equivalent	No Equivalent	No Equivalent
MFGE 422	MFGE Facilities Planning (MFGE 411)	3	No Equivalent	No Equivalent	No Equivalent
PLTS 325	Plastic Processes	2	No Equivalent	No Equivalent	No Equivalent
WELD 416	Production Welding Processes (may be taken in alternative sequence)	2	No Equivalent	No Equivalent	No Equivalent

#### **Electives – Credits to Meet the Minimum 120 Credits Required**

FSU Course	FSU Course Title	FSU Cr. Hrs.	GRCC Equiv.	GRCC Course Title	GRCC Cr. Hrs.
Varies	Credits from an AAS in MFT or approved transfer plan are used to meet the minimum 120 credits required	34 – 36	Varies	Varies	Varies

#### **Total Credits Required for Degree**

**128 - 132**

### **Program Delivery Locations and Contact Information:**

#### **Main Campus, Big Rapids**

#### **College of Engineering Technology**

Manufacturing Engineering Technology

[Transfer Partnerships Website](#)

\*Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at either Grand Rapids Community College, the Ferris Main Campus or at an off-campus location).

**Advising Notes**

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

**Transfer Student Orientation**

All new students to Ferris State University are required to complete an orientation.

**Reverse Transfer Agreement**

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

**Michigan Transfer Agreement (MTA)**

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students must work with their Ferris advisor to declare a Minor or Concentration and for selection of Directed Electives.

**Disclaimer**

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to effective and/or revised date on the bottom of this guide.
