

The Bachelor of Science in Allied Health is a completion degree for graduates of associate degrees in the numerous allied health disciplines where there is no discipline specific bachelor degree available. This degree allows two-year health degree students the opportunity to advance in their chosen health profession or continue into a graduate program. The curriculum is designed as a "+2" degree allowing students to transfer 50 credits of their professional coursework.

In addition to the professional coursework required in the Bachelor of Science in Allied Health, you will be required to complete the general education requirements for a Bachelor of Science degree at the university, the College Health Professions core courses and additional upper level coursework from Ferris State University. The curriculum has been designed to allow you to pursue different avenues during your degree completion: a certificate in gerontology; exposure to health care management; specialization in health care finance; or a specialization in personnel practices in health care.

Communication Competency Requirements

| FSU Course | FSU Course Title | FSU Cr. Hrs. | GRCC Equiv. | GRCC Course Title | GRCC Cr. Hrs. |
|--|--|--------------|-----------------------|--|---------------|
| COMM 105 or COMM 121 or COMM 221 | Interpersonal Communication or Fundamentals of Public Speaking or Small Group Decision Making | 3 | COM 131 or COM 135 | Fundamentals of Public Speaking or Interpersonal Communication | 3 |

This program is available online or at the Big Rapids Main Campus

Program Contact Information:**Main Campus, Big Rapids****College of Health Professions**(800) 462-8553 | (231) 591-2270 | [College of Health Professions Email](#)**Ferris Statewide – Grand Rapids**(616) 451-4777 ~ fsugr@ferris.edu ~ www.ferris.edu/statewide**Ferris Online**(800) 562-9130 | (231) 591-2340 | [Ferris Online Email](#)[Transfer Partnerships Website](#)**Delivery Locations**

This degree and the Ferris courses are offered at the following locations:

- Ferris State University, Main Campus, Big Rapids
- Ferris State University Online
- Select courses may be delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location).

General Admission Criteria**Transfer Student**

- Cumulative GPA of 2.5
- Previously earned an associate degree in a health specialty from an accredited college or university or be enrolled within an associate degree program within the College of Health Professions

Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Ferris State University and Grand Rapids Community College – Allied Health Sciences - Transfer Guide

Effective Spring 2019

Ferris State University is an equal opportunity institution. For information on the University's Policy on Non-Discrimination, visit ferris.edu/non-discrimination.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students must work with their Ferris advisor to declare a Minor or Concentration and for selection of Directed Electives.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to effective and/or revised date on the bottom of this guide.
