

Montcalm Community College
 Transfer Guide

The Integrative Studies BS program is a flexible degree program designed for highly motivated, independent students who wish to pursue an interdisciplinary baccalaureate degree in educational areas where Ferris State University has appropriate faculty, facilities, and course work, but for which FSU does not have an existing baccalaureate degree program.

Within the individualized study program, a student could propose a program of study that crosses department or college disciplinary areas in an unconventional manner or creates a new configuration of areas of study. The proposed programs should not duplicate any existing FSU major.

In short, the program allows students to develop competencies from a variety of disciplines that will be well matched with their intended career and/or educational goals.

Course Requirements

Montcalm Community College			
Course	Ferris Equiv.	Montcalm CC Course Titles	Cr. Hrs.
COMM 210	COMM 121	Speech	3
ENGL 100	ENGL 150	Freshman English I	3
ENGL 101	ENGL 250	Freshman English II	3

COAS 491	Internship (recommended)	1-8
VARIABLES*	Program of Study Coursework	11 - 24
Total Ferris Credits		30
Credits Required for Degree		120

* Program of Study coursework may be taken from Montcalm CC or Ferris State, after approval by your advisor. Ferris requires a minimum of 30 FSU credits for graduation.

Students transferring to Ferris with the Michigan Transfer Agreement (MTA) and entering a degree program will have met a 30-hour block of lower-level general education courses. However, this does not exempt students from completing program specific prerequisites or higher-level general education course requirements. Students should contact their advisor regarding classes that meet the MTA.

Students are encouraged to work with their Ferris advisor for selection of any electives, to ensure transferability and to minimize credits taken.

Montcalm Community College
Transfer Guide

Graduation Requirements

- Students must have a minimum of 120 semester credits, including general education requirements
- Students must have earned at least 30 Ferris credits
- Students must have a minimum of 40 credits at the 300-level or higher

General Admission Criteria

Admission to the BIS degree requires a minimum 2.0 overall grade point average. Official high school transcript and transcripts from all accredited colleges/universities must be submitted with the Ferris application. Financial aid is available and may include concurrent enrollment at Montcalm Community College after a minimum of 48 credits are transferred to Ferris.

Advising Notes

It is recommended that potential applicants meet with an advisor to review the degree, course schedule, and have any questions answered prior to completing an application. Students who are completing the MTA may have different general education course requirements for the particular degree selected. Meeting with a Ferris advisor prior to the selection of general education or elective course work may reduce the chance of completing a course that will not apply toward the selected degree. Once admitted, students must continue to meet with an advisor as they work toward graduation.

Transfer Student Orientation

All new students to Ferris State University are required to complete an orientation.

Online Learning

Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at the Ferris Main Campus or at an off-campus location). The "Online Readiness Tutorial" is required for students who register for an online *course* or are completing an online *degree*. Students must demonstrate competency in Blackboard skills. This may be done by taking a tutorial and quiz, or, for students who have already taken and passed online courses, they can submit a waiver request. Students should check with the department that offers the class to determine its particular needs and/or the Ferris advisor regarding registration for online course work.

Reverse Transfer Agreement

The Community College and Ferris have entered into a partnership in order to work collaboratively and creatively to increase student completion of associate and bachelor degrees. The partners work together to provide a seamless transfer experience and increase student retention and completion at both the community college and Ferris.

Michigan Transfer Agreement (MTA)

Ferris participates in the Michigan Transfer Agreement (MTA). This agreement will facilitate the transfer of general education requirements from one Michigan institution to another. Students may complete the MTA as part of a degree program or as a stand-alone package. The MTA consists of a minimum of 30 general education credit hours as identified by the college or university.

Disclaimer

This is a guide for students who plan to transfer to Ferris State University. This guide is not intended to be a contract with Ferris. The information on this guide is subject to change. Students should contact their community college or Ferris to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Please refer to the effective and/or revised date on the bottom of the guide.
