LEARNING OUTCOMES

Participants will learn how to use MAP-Works to identify students who are at-risk for attrition, and receive suggestions for interacting with those students. As a result of this workshop, participants will be able to:

- *Understand the five basic individual student views*
- *Identify at-risk students*
- *Log contacts*
- *Issue referrals*
- *Create filters for sorting student tracking*
- *Participants will also receive tips and suggestions for meeting with students*

Provided by the Retention and Student Success Unit, Educational Counseling and Disabilities Services and the Faculty Center for Teaching and Learning.

Professional Development Incentive PDI money available.
