

**Evaluation of a Proposed General Education Activity, Experience, or Course**

---

**Sub-committee member determination**

**Date:**

**Course Prefix, Number, and Name:**

**Core Competency:**

**Does the proposed General Education activity, experience, or course satisfy the spirit of the operational definition for the selected core competency?**

**Is evidence provided demonstrating that each of the FLOs for the core competency are addressed by the General Education activity, experience, or course?**

**Based upon the materials provided, does the proposed General Education activity, experience, or class spend sufficient time on each FLO?**

**Does the proposed General Education activity, experience, or course use assessment instruments that are likely to provide valid, reliable, and meaningful measures of student learning in this core competency?**

**Recommendation:**
