# FERRIS STATE UNIVERSITY

CHARTER SCHOOLS OFFICE

# **January 2026 Board Communication**

# **❖** January is National School Board Recognition Month

Our office is proud to join school systems across the nation in recognizing the vital contributions of its board members during School Board Recognition Month. School board members play an essential role in shaping public education and the future of our communities.

Our board members volunteer countless hours of their time and expertise to guide the direction of the school, ensuring every student has access to a quality education. This dedication often goes beyond monthly meetings, involving continuous training, community advocacy and difficult decision making, all without compensation. We are truly fortunate to have such conscientious and devoted community members guiding and supporting our schools.

To all board members - thank you for your leadership, thoughtful discussions, grounded decision making and continued commitment to ensure that our schools provide the best education possible for the children in your community.

#### **❖** Board of Directors Question Toolbox

The Ferris State University Charter Schools Office is happy to provide you with a few questions to help further your conversations this month. The question focus could come from one or more of our four School Support Pillars: Academics, Fiscal, Operations, and Compliance.

Please note that this is meant as a reference, some items may not apply to all schools, and that there are many questions a board member may choose to ask. If you have questions, please reach out to your Field Representative or the Ferris State University Charter Schools Office.

#### We will focus on Pillar #2 Fiscal:

- What is the school's financial outlook over the next several years and do new spending decisions create future financial obligations?
- What is the current fund balance and how does it compare over the last 5 years?
- How long would your current fund balance carry your school if all revenue were to dry up and expenses would remain the same?
- How do actual revenues and expenses compare to the budget?

# Virtual Board Professional Development Opportunities

Mark your calendar for the next webinar in the 2025-2026 board professional development series, *Governance Growth: Strengthening Boards, Empowering Schools*. This session, *Ensuring Effective Financial Oversight*, is scheduled for Tuesday January 13th at 7pm. To register for this session, board members look for an email invitation from AirWin Educational Services with registration information.

In case you missed the previous virtual board professional development sessions, below are links to the recordings. If you would like a copy of a presentation or handouts, please contact Sharon Hopper at SharonHopper@ferris.edu.

## **❖ 2024-2025 CSO Annual Report and Authorizer Accountability Report**

The 2024-2025 CSO Annual Report has been published and shared with Ferris State University Board of Trustees, leadership and other stakeholders. Besides summarizing information about the CSO, the report provides key facts about each of the academies in our portfolio. Below is a link to the report.

#### 2025 Annual Portfolio Report

Also, the CSO has submitted the Authorizer Accountability Report to the FSU Vice President for Governmental and External Affairs, who will submit it to the State of Michigan as required by law. Below is a link to the report.

# 2025 University Report on Authorizing

# 2025-2026 CSO Competitive Grant Program

The CSO received grant applications from 21 of the 23 FSU-authorized academies for the CSO Competitive Grant Program. While the program had a limit of \$400,000 to award, the CSO received a combined request amount of \$414,040. Therefore, the CSO had to make decisions about how to distribute the funds in a fair and equitable manner. It was important to the CSO that each applicant receive a portion of the grant. Below is the breakdown of grant awards.

The CSO processed a supplemental payment in the award amount, prior to the normal State Aid payment at the end of December 2025. By June 30, 2026 the academy is required to submit in Epicenter verification and certification that the award amount was spent on its intended purpose, as well as present this information to the Board of Directors at a public meeting prior to submission in Epicenter.

Academy	Award Amount	Intended Purpose	
Battle Creek Montessori Academy	\$15,000	Expand STEAM program, classroom tables and library shelving units	
Benton Harbor Charter School Academy	\$15,000	Washington DC field trip and PBIS awards
