FERRIS STATE UNIVERSITY

FERRIS FORWARD

CHARTER SCHOOLS OFFICE POLICY

Revised: January 31, 2025

EDUCATIONAL SERVICE PROVIDER

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy (“Contract”) issued by the Ferris State University Board of Trustees (“University Board”), these Educational Service Provider Policies (“ESP Policies”) have been prepared by the University’s Charter Schools Office (CSO). These ESP Policies now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement with an Educational Service Provider (“ESP”) on or after the date set forth above. A public school academy board of directors (“Academy Board”) must comply with these ESP Policies in addition to other Contract provisions that apply to an Academy contracting with an ESP. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

The Academy Board may enter into a management agreement with an ESP to contract out its administrative and/or educational functions and personnel (hereafter, a “Management Agreement” or “ESP Agreement”), subject to the terms of this ESP Policy and the Contract. The Revised School Code requires that a public school academy authorizer must review and may disapprove any ESP Agreement before it is executed. These Policies are to be incorporated into all ESP Agreements entered into by any public school academy authorized by the University Board.

A. Academy Board Due Diligence

1. Prior to approving and/or executing an ESP Agreement, the Academy Board shall perform sufficient due diligence to establish that the ESP and its key personnel has the appropriate financial resources, educational services, and managerial experience to provide the contracted services. Prior to contracting with an ESP, the Academy Board shall obtain sufficient information to conclude that the ESP Agreement, on the terms to be approved, is in the best financial and educational interest of the Academy. At a minimum, and prior to the execution of an ESP Agreement, the Academy Board shall provide the following information to the Charter Schools Office via Epicenter **in addition to the proposed ESP Agreement:**

- List of all ESP owner(s), directors, officers, and key stakeholders. This list shall disclose all and any known conflicts of interest that any ESP owner, director, officer, and/or stakeholder may have in regard to Academy Board members, administrators, and employees, as well as other vendors contracting with the Academy. Conflict of interests include, but are not limited to, close familial (defined as mother, mother in law, father, father in law, son, son in law, daughter, daughter in law, brother or sister, brother or sister in law, spouse, or domestic partner) and/or social relationships. Here are some examples of conflicts of interest:
 - **Familial Relationships**--An ESP owner or director has a close familial relationship with an Academy Board member or school administrator. This could lead to potential biases in decision-making regarding contracts, services, or employment opportunities.
 - **Employment of Immediate Family Members**--An ESP officer employs persons in a close familial relationship in a position at the Academy or a vendor providing services to the Academy. This could result in preferential treatment, unequal access to resources, or conflicts in personnel decisions.
 - **Personal Relationships with Academy Leadership**--An ESP director has a personal, non-familial relationship (e.g., long-standing friendship, romantic relationship, or social ties) with an Academy Board member or senior administrator, which could influence decisions regarding the award of contracts or hiring processes.
 - **Board Membership Overlap**--An ESP owner or officer serves on the Academy's Board of Directors or has a close familial relationship with individuals on the Academy's Board, which is prohibited.
 - **Shared Financial or Business Interests**--An ESP key stakeholder has an ownership stake or significant financial interest in a business or organization that provides educational services, resources, or products to the Academy, potentially influencing the award of contracts or procurement decisions.
 - **Gifts or Favored Treatment**--An ESP officer or director receives gifts, favors, or other benefits from Academy staff or other vendors that could influence their professional actions or decisions relating to the Academy's operations or contracting.
 - **Consulting Agreements with Vendors**--An ESP director or officer has a personal consulting agreement with a third-party vendor providing services to the Academy. This could lead to biased recommendations or decisions regarding vendor selection or contract negotiations.
 - **Shared Ownership or Investment in Real Estate or Facilities**--An ESP officer or key stakeholder has ownership or a financial interest in the real estate, facilities, or equipment used by the Academy, leading to potential conflicts in leasing, facilities management, or construction decisions.
 - **Referral Relationships**--An ESP stakeholder or officer directs the Academy to use a specific vendor or service provider with whom they have a personal or financial relationship, which may not align with the Academy's best interests or competitive bidding processes.
- Type or form of entity (for-profit corporation, non-profit corporation, limited-liability company, etc.).

- Name of the ESP's primary banking institution.
 - Legal counsel for the ESP. Name, address, and telephone number of firm and name of contact person.
 - Accounting firm for the ESP. Name, address, and telephone number of firm and name of contact person.
 - A written statement regarding the ESP's experience in providing educational services and a description of the types of educational service to be provided to the Academy.
 - A mission, vision, and values statement of the ESP.
 - List all persons or entities with whom the ESP plans to subcontract for services provided to the Academy, along with a disclosure of the ESP's ownership in any such subcontractor and any known conflicts of interest that any ESP owner, director, officer, and/or stakeholder may have in regard to such subcontractors. Conflicts of interest include, but are not limited to, close familial and/or social relationships.
 - List of the public school academies or other schools (public or private) to which the ESP provides services.
 - List of any lease, license, contract or other agreement between the ESP (or its affiliates) and the Academy.
 - Identification of any start-up funding being provided by the ESP.
 - Fees to be charged by the ESP for management, including educational services, administrative services, and other services.
 - List of any services the ESP plans to provide to the Academy with regard to cash flow borrowings, including any fees for such services.
 - List of any materials, equipment or supplies the Academy will purchase or lease from the ESP.
 - Criminal history of the ESP's owners, officers, directors, managers, and employees.
2. The Academy Board must perform sufficient due diligence regarding whether any principal or officer of the ESP, or the ESP (including any related organizations or organizations in which a principal or officer of the ESP served as a principal or officer) as a corporate entity, has filed for bankruptcy protection within the five (5) years prior to execution of an ESP Agreement.
 3. Academy Board members, Academy employees, and persons in a close familial relationship may not have any direct or indirect ownership, employment, contractual or management interest in any ESP that has a contract with the Academy.
 4. The Academy Board must perform sufficient due diligence to ensure an ESP Agreement that provides employees to the Academy qualifies as employee leasing.
 5. In accordance with the Contract, an Academy Board shall timely notify the CSO of any proposed ESP Agreement between that Academy and an ESP before the proposed ESP Agreement becomes binding. If an Academy proposes to enter into a new, amended or renewal agreement with an ESP to provide persons to perform work at the Academy, or to extend the term of an existing agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed agreement to the CSO Director for review along with a detailed description of the methods by which the ESP will

be held accountable to the Academy Board. Earlier submission is strongly encouraged and may accelerate the review process.

6. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed ESP Agreement and detailed description in compliance with this Policy and the Terms and Conditions of the Contract, the CSO Director shall notify the Academy if the proposed agreement is disapproved. The CSO Director may disapprove the proposed ESP Agreement in his or her sole discretion, and reserves the right to disapprove an ESP Agreement that does not comply with the Contract, Applicable Law, or University policies, or where the proposed fees to be charged by the ESP are not a fair and reasonable fee for the services to be provided by the ESP. If the proposed Agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No agreement described in this policy may be entered into that is disapproved by the CSO Director. By not disapproving a proposed agreement, the CSO Director is in no way giving approval of the proposed agreement, or any of the terms or conditions thereof. No ESP Agreement may be entered into unless the Academy receives from the CSO Director notice of a non-disapproval.
7. The Academy Board shall retain legal counsel to review and advise it during the negotiation of the ESP Agreement. Legal counsel for the Academy shall not also represent the ESP or an ESP owner, director, officer, or employee, or have provided recent or significant representation to the ESP or its principals in the past. The ESP Agreement shall be an arms-length, negotiated agreement between an informed Academy Board and the ESP. Prior to the Academy Board's approval of the ESP Agreement, the Academy Board shall obtain a written legal opinion from its legal counsel, which includes the representations that legal counsel has reviewed the Proposed Management Agreement, the ESP Policies and the Contract, and which opines that:
 - a. The Academy Board has the power and authority to enter into the proposed ESP Agreement;
 - b. The Academy is duly organized, validly existing and in good standing under the laws of the State of Michigan;
 - c. Execution of the proposed ESP Agreement does not violate any term or provision of the ESP Policies, the Contract, or Applicable law; and
 - d. Entering into the ESP Agreement does not permit or require improper delegation of the Academy Board's statutory and fiduciary responsibilities under applicable law, or obligations and duties under the Contract.
8. The Academy Board shall not approve an ESP Agreement until all Academy Board members have been given a reasonable opportunity to review the proposed ESP Agreement with the Academy's legal counsel.
9. The Academy Board shall only approve an ESP Agreement with a formal vote at a public board meeting. Prior to the Academy Board's vote on the ESP Agreement, the Academy

Board shall provide a reasonable opportunity for public comment on the proposed Management Agreement. The fully executed ESP Agreement along with the above-referenced legal opinion from the Academy's legal counsel shall be submitted to the Charter Schools Office.

B. Academy Board Administrative and Fiduciary Responsibilities

1. In negotiating the ESP Agreement, the Academy Board shall budget adequate resources to fulfill its Contract requirements, which may include, but are not limited to: oversight of the Academy's ESP; negotiation and fulfillment of the Contract and any amendments; payment of staff costs; insurance required under the Academy's lease, ESP Agreement and the Contract; annual financial audit; the Academy Board's legal counsel, consultants, recording secretary and any other such cost necessary for Academy Board operations.
2. The Academy Board shall be responsible for determining the budget reserve amount included as part of the Academy's annual budget. In addition, the Academy Board is responsible for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount.
3. The ESP shall present to the Academy Board, on a frequency established by the Academy Board, a detailed reconciliation of budgeted to actual revenues and expenditures, with an explanation of variances. Also, the ESP shall present to the Academy Board, on a frequency determined by the Academy Board, a detailed schedule of expenditures at object level for review and approval by the Academy Board.
4. The Academy Board shall be informed of the level of compensation and fringe benefits provided to employees of the ESP assigned to the Academy.
5. Pursuant to the Uniform Budget and Accounting Act, MCL 141.422b (the "UBAA"), the Academy Board is responsible for designating the Chief Administrative Officer for the Academy as the official responsible for budget preparation and administration, and other responsibilities under the UBAA. If the Academy employs a superintendent, then the Academy Board may (but is not required to) designate the superintendent as the Chief Administrative Officer of the Academy. If the Academy contracts with a superintendent, then the Academy Board shall designate an Academy Board member as the Chief Administrative Officer of the Academy. No ESP or ESP owner, officer, director, employee or agent shall be designated as the Chief Administrative Officer of the Academy, but an ESP employee may assist an Academy Board member who is the Chief Administrative Officer in carrying out their responsibilities.
6. ESP Agreements shall provide that the financial, educational and student records pertaining to the Academy are Academy property, and that such records are subject to the provisions of the Michigan Freedom of Information Act. All Academy records shall be physically or electronically available, upon request, at the Academy's physical facilities. Except as permitted under the Contract and Applicable Law, no ESP Agreement shall restrict the University's or the public's access to the Academy's records.

7. ESP Agreements shall address the requirement that not later than November 1, of each year, the following information must be posted on a website that is available to the public: (i) the average salary for new teachers (i.e., an individual who has held a teaching certificate for less than 5 years) and for veteran teachers (i.e., an individual who has held a teaching certificate for 5 or more years) employed by the Academy or employed by the ESP and assigned to the Academy, or, if there are fewer than 5 new teachers or 5 veteran teachers at the Academy, the average salary for all teachers employed by the Academy or the ESP and assigned to the Academy, and (ii) the average salary for support staff (including but not limited to student-facing paraprofessionals, food service workers, bus drivers, and literacy coaches) employed by the Academy or employed by the ESP and assigned to the Academy.

C. Management Agreement Provisions

1. An ESP Agreement under which an Educational Service Provider provides persons to perform work at the Academy may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy.
2. An ESP Agreement shall contain a representation and warranty by the ESP to the Academy that no non-competition, no-hire, or similar provisions are included in the ESP's employment contracts or other agreements with instructional staff that perform work at the Academy, nor will any such provisions be included in any such contracts or agreements for the duration of the ESP Agreement.
3. An ESP Agreement under which an Educational Service Provider provides persons to perform work at the Academy shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation, but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract. Except as permitted under the Contract and Applicable Law, no ESP Agreement shall restrict the University's or the public's access to the Academy's records.
4. No provision of an ESP Agreement shall interfere with the Academy Board's duty to exercise its constitutional, statutory, contractual and fiduciary responsibilities governing the operation of the Academy. No provision of an ESP Agreement shall prohibit the Academy Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.
5. An ESP Agreement shall not restrict an Academy Board from waiving its governmental immunity or require an Academy Board to assert, waive or not waive its governmental immunity.
6. No provision of an ESP Agreement shall alter the Academy Board treasurer's legal obligation to direct that the deposit of all funds received by the Academy be placed in the Academy's depository account as required by law. The signatories on the depository account shall solely be Academy Board members and/or individuals properly designated

annually by Board resolution. Interest income earned on Academy depository accounts shall accrue to the Academy.

7. An ESP Agreement shall require the ESP to cooperate with the Academy's audits and shall contain a provision that all finance and other records of the ESP related to the Academy will be made available to the Academy's independent auditor.
8. An ESP agreement shall not permit the ESP to select or retain the independent auditor for the Academy.
9. If an ESP purchases equipment, materials and supplies on behalf of or as the agent of the Academy, the ESP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the Academy. The ESP will comply with the Revised School Code (including sections 1267 and 1274, MCL 380.1267 and MCL 380.1274) as if the Academy were making these purchases directly from a third party supplier.
10. An ESP Agreement shall contain a provision that if the ESP procures equipment, materials and supplies at the request of or on behalf of the Academy, the ESP shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.
11. An ESP Agreement shall contain a provision that clearly allocates the respective proprietary rights of the Academy Board and the ESP to curriculum or educational materials. At a minimum, ESP Agreements shall provide that the Academy owns all proprietary rights to curriculum or educational materials that (i) are both directly developed and paid for by the Academy; or (ii) were developed by the ESP at the direction of the Academy Board with Academy funds dedicated for the specific purpose of developing such curriculum or materials. ESP Agreements may also include a provision that restricts the Academy's proprietary rights over curriculum or educational materials previously developed or copyrighted by the ESP, or curriculum or educational materials that are developed by the ESP using funds from the Academy that are not dedicated for the specific purpose of developing Academy curriculum or educational materials. All ESP Agreements shall recognize that the ESP's educational materials and teaching techniques used by the Academy are subject to disclosure under the Code and the Freedom of Information Act.
12. An ESP Agreement under which an Educational Service Provider provides persons to perform work at the Academy shall be clear about which persons or positions are employees of the ESP, and which persons or positions are employees of the Academy, if any. If the ESP leases employees to the Academy, the ESP Agreement shall provide that the leasing company accepts full liability for benefits, salaries, worker's compensation, unemployment compensation and liability insurance for its employees leased to the Academy or working on Academy operations, irrespective of whether the employee leasing company receives an advancement of its costs or the payment for services from the Academy. If the Academy is staffed through an employee leasing agreement, legal confirmation shall be provided to the Academy Board that the employment structure qualifies as employee leasing. The ESP shall provide information to the Academy sufficient for the Academy to comply with

requirements under the Code to post average salary information for teachers and support staff.

13. An ESP Agreement shall contain insurance and indemnification provisions outlining the coverages the ESP will obtain, and provide detail regarding the amount of such required coverage. The insurance provision shall state that the ESP shall maintain such policies of insurance as required by the Contract and the Michigan Universities Self-Insurance Corporation (“M.U.S.I.C.”), and that in the event the University or M.U.S.I.C. requests any change in coverage by ESPs, the ESP agrees to comply with any change in the type of or amount of coverage, as requested, within thirty (30) days after notice of the insurance coverage change. The ESP’s insurance is separate from and in addition to the insurance the Academy Board is required to obtain under the Contract.
14. If the ESP Agreement includes financial reporting services provided by the ESP, then the ESP Agreement shall require the ESP to provide the Academy Board monthly financial statements that (at a minimum) include: a balance sheet, an object-level detailed statement of revenues, expenditures and changes in fund balance that includes a comparison of budget-to-actual information and an explanation of variances. The foregoing presentations shall be in a form and format acceptable to the Academy Board and are to be provided to all Academy Board members not less than five (5) working days prior to the Academy Board meeting at which the information will be presented and discussed.
15. ESP Agreements shall contain at least one of the following methods for paying fees or expenses: (i) the Academy Board may either pay or reimburse the ESP for approved fees or expenses upon properly presented documentation and approval by the Academy Board; or (ii) the Academy Board may advance funds to the ESP for the fees or expenses associated with the Academy’s operation provided that documentation for the fees and expenses are provided for Academy Board ratification at its next regularly scheduled meeting. No corporate costs or “central office” personnel costs of the ESP shall be charged to, or reimbursed by, the Academy, and such corporate costs or “central office” personnel costs shall be paid out of the management fee paid by the Academy.
16. ESP Agreements shall clearly state which of the ESP’s services will be included in the management fee paid by the Academy. All additional services that are to be provided by the ESP that are not included in the management fee and are to be reimbursed by the Academy shall be clearly stated in the ESP Agreement and shall not be payable by the Academy unless preapproved by the Academy. Any services to be provided by the ESP that are included in the management fee but are performed by a subcontractor shall not be charged to, reimbursed by, or passed through as an additional cost to the Academy. No corporate costs of the ESP shall be charged to, or reimbursed by, the Academy.
17. Where the ESP is responsible for both administrative services and staff and educational and instructional services or staff, the ESP Agreement for such ESP shall require that the names of the University and the ESP appear and be verbally provided, as applicable, on (i) signage that is on the Academy’s school property erected, repaired, or installed after April 2, 2025, (ii) promotional material created, modified, or distributed after April 2, 2025 (including billboards, internet advertisements, television advertisements, and radio advertisements), (iii) the footer of

the Academy's website pages, and (iv) the school application that the student must submit to enroll in the public school academy.

18. The ESP Agreement shall contain the specific provisions that are incorporated into the Contract as required provisions for all ESP Agreements.
19. Without limiting the foregoing, the ESP Agreement shall contain the following provisions:

"Indemnification of Ferris State University. The parties acknowledge and agree that the Ferris State University Board of Trustees, Ferris State University and its members, officers, employees, agents or representatives (collectively referred to as "the University") are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the [insert name of Educational Service Provider] hereby promise to indemnify, defend, and hold harmless the University from and against all claims, demands, actions, suits, causes of action, losses, judgments, damages, fines penalties, forfeitures, or any other liabilities or losses of any kind, including costs, attorney fees, and related expenses imposed upon or incurred by the University, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole gross negligence of the University, which arise out of or are in any manner connected with Ferris State University Board of Trustees' approval of the Academy's application, Ferris State University Board of Trustees' consideration of or issuance of a Contract, the [insert name of Educational Service Provider's] preparation for and operation of the Academy, or which are incurred as a result of the reliance by the University upon information supplied by the [insert name of Educational Service Provider], or which arise out of the failure of the [insert name of Educational Service Provider] to perform its obligations under the Contract, the Agreement or Applicable Law, as applicable. The parties expressly acknowledge and agree that the University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives, or any of them, may commence legal action against [insert name of Educational Service Provider] to enforce its rights as set forth in this Agreement."

"Agreement Coterminous with Academy's Contract. If the Academy's Contract issued by the Ferris State University Board of Trustees is suspended, revoked or terminated, or a new charter contract is not issued to the Academy after expiration of the Contract, this Agreement shall automatically be suspended or terminated, as the case may be, on the same date as the Academy's Contract is suspended, revoked, terminated or expires without further action of the parties."

"Compliance with Academy's Contract. The Educational Service Provider agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Academy's Contract issued by Ferris State University Board of Trustees. The provisions of the Academy's Contract shall supersede any competing or conflicting provisions contained in this Agreement.

“ESP Breach. Without limiting the remedies available to the Academy or the University by this Agreement, the Contract, or under applicable law, any action or inaction by the Educational Service Provider that is not cured within 60 days of notice which causes the Contract to be revoked, terminated, suspended or which causes the Contract to be put in jeopardy of revocation, termination or suspension is a material breach.”

“Compliance with Section 503c. On an annual basis, the ESP agrees to provide the Academy Board with the same information that a school district is required to disclose under Section 18(2) of the State School Aid Act of 1979, MCL 388.1618, for the most recent school fiscal year for which the information is available. Within fifteen (15) days of receipt of this information, the Academy Board shall make the information available through a link on the Academy’s website homepage, in a form and manner prescribed by the Michigan Department of Education. The defined terms in Section 503c of the Code, MCL 380.503c, shall have the same meaning in this agreement.”

“Amendment Caused By Academy Site Closure or Reconstitution. In the event that the Academy is required (i) to close an Academy site pursuant to a notice issued by the Department under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507 and the Contract Terms and Conditions, and such closure of an Academy site or reconstitution causes an amendment to or termination of this ESP Agreement, the parties agree that this ESP Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and [insert name of Educational Service Provider] shall have no recourse against the Academy or the University for implementing such site closure or reconstitution.”

“Except as permitted under the Code, [insert name of Educational Service Provider] shall not sell or otherwise provide to a business entity any personally identifiable information that is a party of an Academy student’s education records. If [insert name of Educational Service Provider] receives information that is party of an Academy student’s education records, [insert name of Educational Service Provider] shall not sell or otherwise provide the information to any other person except as permitted under the code. For purposes of this section, the terms “education records” and “personally identifiable information” shall have the same meaning as those terms in Section 1136 of the Code, MCL 380.1136.”

20. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of the ESP.
21. The maximum term of an ESP Agreement shall not extend beyond the term of the Academy’s Contract.
22. The University reserves the right to terminate an ESP Agreement for cause, in accordance with the terms of the Contract, relevant state law, and this policy. The University may

exercise this authority when it is determined that the ESP is failing to meet the academic, financial, or operational expectations outlined in the Contract, or if the ESP is in violation of applicable laws, regulations, or the terms of the ESP Agreement. An ESP Agreement shall provide that any action or inaction by the ESP which causes the Contract of the Academy to be revoked, terminated or suspended, or which results in the Academy receiving official notification from the CSO, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or suspension of the Contract, shall be designated a material breach, which shall be grounds for termination of the ESP Agreement by the Academy or the University. The ESP Agreement shall also provide for termination if directed by the University Board as part of the process of reconstitution or as a corrective action, as provided by the Revised School Code.

23. If the Academy intends to enter into an agreement with the ESP for the Academy's learning platform (e.g., virtual technology/curriculum, etc.), then such agreement must be separately documented, separately approved, and cannot be part of or incorporated into the ESP Agreement. Neither the ESP Agreement nor the agreement for the platform may contain a cross-default provision that allows the ESP to terminate the agreement for the learning platform upon termination of the ESP Agreement.
24. An ESP Agreement shall contain a provision that the Academy designates the ESP and the ESP employees as agents of the Academy having legitimate educational interest such that they are entitled to access to educational records under 20 U.S.C. Section 1232g, the Family Educational Rights and Privacy Act ("FERPA").
25. Any arbitration clause(s) contained with the ESP Agreement shall require a cause opinion (written explanation) as to the final decision. The CSO shall be notified of such decision, and the cause opinion shall be made available to the University Board and/or CSO upon request.
26. ESP Agreements shall not be assignable without prior notification to the CSO and without the consent of the Academy Board. Any assignable party shall be considered an ESP, as defined by these ESP Policies. As such, any assignable party shall follow the requirements set forth in these ESP Policies, including all due diligence and vetting requirements set forth above.
27. Consistent with the Academy's data breach response plan, an ESP Agreement shall contain a provision addressing how the Academy and ESP will handle a data breach of personally identifiable information (PII) from Academy education records or other information not suitable for public release.
28. The ESP Agreement shall contain language that any termination of the ESP Agreement by the ESP for cause or without cause shall not take effect until the earlier of (i) an approved agreement by the Academy with another ESP (or self-management) is in effect; or (ii) the end of the current school year in which the termination is invoked. A change in ESP (or a decision to self-manage) in mid school year is strongly discouraged and will be disapproved by the CSO with absent compelling circumstances and a clear demonstration that the new

ESP (or transition to self-management) can seamlessly assume management and operations of the school without disrupting the school's operations. The Academy Board and ESP should make all efforts necessary to remedy a breach of the ESP Agreement in-order to continue school operations until completion of the then-current school fiscal year. If a breach cannot be remedied, the Academy Board and ESP agree to work cooperatively to transition management and operations of the school without disrupting the school's operations.

29. The ESP shall notify the Academy Board if any principal or officer of the ESP, or the ESP (including any related organizations or organizations in which a principal or officer of the ESP served as a principal or officer) as a corporate entity, files for bankruptcy protection or, at the time the ESP Agreement is executed, has filed for bankruptcy protection within the last five (5) years .
30. The ESP Agreement shall contain a provision that states upon termination or expiration of the ESP Agreement, or the ESP Agreement is terminated due to a Contract revocation, reconstitution, termination or non-renewal, the ESP shall, without charge: (i) close the books on the then-current school fiscal year; (ii) organize and prepare the Academy's records for transition to the new ESP, self-management or dissolution; (iii) provide the Academy with an updated fixed asset schedule showing all property owned by the Academy; (iv) provide an updated list of outstanding vendor invoices with total amount owed (including the total outstanding owed by the Academy) to the ESP, if any; (v) the amount owed by the ESP to the Academy, if any; (vi) organize and prepare student records for transition to the new ESP, self-management or in the cause of a school closure, transfer to a student's new school as designated by the student's parent / legal guardian or to a person or entity authorized to hold such records; (vii) ensure the closeout of existing grants and the transfer of grant funded property to Academy, if applicable; and (viii) provide for the orderly transition of employee compensation and benefits to the new ESP or self-management without disruption to staffing, or in the case of school closure, final payment of all employee compensation, benefit and tax obligations related to services provided by the ESP to the Academy. This includes any keys, login information and passwords related to any Academy asset.
31. ESP Agreements shall require that the ESP provide to the Academy Board at least annually all of the same information that a school district is required to disclose under section 18(2) of the state school aid act of 1979, MCL 388.1618, for the most recent school fiscal year for which that information is available.
32. ESP Agreements shall provide that the financial, educational and student records pertaining to the Academy are Academy property, and that such records are subject to the provisions of the Michigan Freedom of Information Act. All Academy records shall be physically or electronically available, upon request, at the Academy's physical facilities. **To the extent the ESP manages and/or holds the Academy's financial, educational, and/or student records (whether electronically or physically), the ESP Agreement shall provide that the Academy Board shall have immediate access to such records, upon request, including electronic access to any database holding such records.** Except as permitted under the Contract and Applicable Law, no ESP Agreement shall restrict the University's or the public's access to the Academy's records.

33. ESP Agreements shall not contain terms inconsistent with this Policy.

D. Lease and Loan Agreement Provisions

1. If the Academy intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the ESP, then such agreements shall be separately documented and not be a part of or incorporated into the ESP Agreement. All such agreements must comply with the Contract, as well as any University Board and CSO policies and guidelines. In all cases, the Director of the CSO shall be provided copies of all such documents and agreements for review prior to execution by the Academy Board.

E. Timeliness and Board Best Practices

1. All Board members as well as FSU Field Representatives assigned to the Academy should receive a complete board packet no later than three (3) days in advance of the meeting. Packets may be delivered in hard copy or electronically, based upon the preference of the Board.
2. Members of the Board should not be given new information and asked to vote on that material at the same meeting unless extreme circumstances warrant this action.
3. The Board President should have the final review and decision as to the meeting agenda.
4. Special Board meetings (meetings outside of the official Board calendar) may be called for specific agenda items that cannot wait until the next regularly scheduled meeting or items that are of an emergency nature. In all cases, special meetings should not be a replacement for the full agenda of a regularly scheduled meeting.
5. The Board should conduct an annual review of the ESP to determine the Academy's progress towards goals, and the status of meeting the conditions set forth in the charter contract.

F. Amendments

1. The CSO may, from time to time, amend this ESP Policy, and such amended ESP Policy shall automatically apply to the Academy. Contract Amendments are identified further in the Contract Terms and Conditions.

FERRIS STATE UNIVERSITY

FERRIS FORWARD

CHARTER SCHOOLS OFFICE POLICY

Adopted: April 2008

Revised: January 31, 2025

FACILITY FINANCE & PROPERTY ACQUISITION

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy ("Contract") issued by the Ferris State University Board of Trustees ("University Board"), these Facility Finance & Property Acquisition Policies ("FF&PA Policies" or these "Policies") have been prepared by the Charter Schools Office (CSO). They now become part of the Contract and apply immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that enters into an agreement for Facility Finance & Property Acquisition ("FF&PA") on or after the date set forth above. These Policies shall be considered "Lease Policies" as that term is defined by the Contract. Failure by the Academy Board to comply with these Policies may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

The University Board does not intend to become a party to real property agreements or to negotiate such agreements on the Academy Board's behalf. Instead, these Policies are intended to assist Academy Boards in the process of conducting due diligence so that the Academy Board members can fulfill their fiduciary duties in evaluating such agreements prior to approval.

A. Academy Board Due Diligence

1. Before an Academy Board votes to approve an agreement to lease or purchase real property, the Academy Board must perform sufficient due diligence to establish that the lessor/seller of the facility ("Lessor" or "Seller") and the facility are suitable for the Academy. Prior to executing an agreement to lease or purchase real property ("Acquisition Agreement"), the Academy Board must obtain sufficient information to conclude that the Acquisition Agreement, on the terms to be approved, is in the best financial and educational interest of the Academy. At a minimum, and prior to the execution of the Acquisition Agreement, the Academy Board shall provide the CSO with the following information:
 - a. Identify the current party holding the real property interest (whether through fee title ownership or leasehold interest) in the real property that the Academy Board proposes to acquire. If the Lessor/Seller is not an individual, identify all individual owners, shareholders, members, etc., as well as the Lessor's/Seller's directors, officers and

management level employees. This list shall disclose any close familial relationship (defined as mother, mother in law, father, father in law, son, son in law, daughter, daughter in law, brother or sister, brother or sister in law, spouse, or domestic partner), business, or social relationships with Academy Board members, Academy employees, and owners and employees of the Academy's Educational Service Provider ("ESP"), if any.

- b. Identify whether the Acquisition Agreement transaction involves a related party. Related parties include the ESP, ESP owners, ESP employees, family members of ESP owners and employees, parent, subsidiary or affiliates of the ESP, as well as with Academy Board members, Academy employees and family members of Academy Board members and Academy employees. Academy Board members, Academy employees, entities owned by Academy Board members, Academy employees, and family members of Academy Board members and Academy employees are prohibited from having any ownership, contractual, or monetary interest in the Lessor/Seller.
- c. Identify all known conflicts of interest that the Lessor/Seller's owners, directors, officers or employees may have in regard to Academy Board members, Academy employees, as well as other vendors contracting with the Academy. Conflict of interests include, but are not limited to, close familial and/or business relationships.
- d. Identify whether the Lessor/Seller is an individual or an entity and, if an entity, the type or form of entity that owns the property (for-profit corporation, non-profit corporation, limited liability company, special purpose entity, etc.).
- e. Identify the type of property that the Lessor/Seller owns—if it is a church, parochial school, or other religious institution, the Academy Board will have to take appropriate steps to ensure separation of Church and State.
- f. Identify whether the facility is in close proximity to an existing University charter school, and if so, disclose such proximity to the CSO.
- g. Identify whether other tenants will occupy the physical plant, and if so, identify the other tenants and their relationship to the landlord, any ESP, and the Academy Board members.
- h. Identify the Lessor/Seller's legal counsel who is involved in negotiating the Acquisition Agreement: name, address, and telephone number of firm and name of contact person.
- i. Identify the Academy's anticipated total costs during the term of the proposed Acquisition Agreement, including:
 - i. Rent/Purchase Price, including cost per square foot for the physical plant
 - ii. Fixture costs
 - iii. Taxes
 - iv. Utilities and Assessments
 - v. Interest
 - vi. Insurance

- vii. Renovation, Repair and Maintenance
- viii. Transaction fees
- ix. Broker fees
- x. Other fees or costs (please identify)

j. Identify whether the Acquisition is classified as a capital or operating lease and the cost per square foot for the physical plant.

2. Before an Academy Board votes to approve an Acquisition Agreement, the Academy Board must:

- a. Aside from public utility easements, determine whether other individuals and entities will have an ongoing right to use or occupy the Academy's physical plant. If so, the Academy Board should identify those other individuals and entities and determine whether their relationship to the Lessor/Seller, the ESP, Academy Board members or employees would create a conflict of interest prohibited by the Contract or this Policy.
- b. Identify who presented the proposed site to the Academy Board. In other words, was the site identified by a real estate agent, the Academy's Educational Service Provider, an Academy Board member, the Lessor, or any other person.
- c. Confirm that the Academy Board undertook, or retained a third party to undertake, a process to identify and select the proposed site that is the subject of the Acquisition Agreement that included a site analysis to determine factors such as the school age population in the area surrounding the facility, adequacy of transportation options, number of other schools nearby, and any other factors considered by the Academy Board in selecting the site. If the Academy Board retained an ESP to undertake the process described in this paragraph, confirm that the information compiled by the ESP was presented to the Academy Board at a public meeting before the Acquisition Agreement was approved.
- d. Confirm that the Academy Board determined that the proposed Acquisition Agreement provides for a fair market value for the Academy. Suggestions for determining fair market value include:
 - Colliers International Market Report
 - Area chamber of commerce reports
 - CB Richard Ellis Market Index
 - Charter School Facilities Report from a National Survey of Charter Schools, prepared by Charter Friends National Network
 - Independent appraisal
 - Market analysis by independent real estate professional
 - Analysis of comparable properties by independent real estate professional
 - Comparison of other similar public school academies using the Michigan Department of Education's Bulletin 1014

- e. Confirm that the anticipated acquisition cost (including the lease or purchase of the Academy's land, building, and other physical facilities) will not exceed 20% of the amount received annually under Sections 22a and 22b of the State School Aid Act of 1979, as amended, MCL 388.1601, et seq., under the School Aid Act, or such other amount provided in the Contract.
- f. Confirm that the Academy retained a real estate, architect, or other professional to advise the Academy Board regarding the decision to lease the property, and identify that professional. If the Academy Board did not engage such experts, explain why no expert was engaged. If the Academy retained its ESP to engage such professionals, confirm that the ESP explained to the Academy Board at a public meeting prior to the Academy Board approving the Acquisition Agreement the process utilized to reach its recommendation regarding the property.
- g. Confirm the Academy Board considered other properties prior to agreeing to terms of an Acquisition Agreement. If so, explain what factor(s) compelled the Academy Board to select the site? If not, explain why the other properties were not considered? If the Academy retained its ESP to evaluate property options, confirm that the ESP explained to the Academy Board at a public meeting, prior to the Academy Board approving the Acquisition Agreement, the process utilized to identify the site selected.
- h. Where the Academy decided to lease, confirm whether the Academy considered purchasing the proposed site and, if so, why the Academy Board ultimately decided to lease instead of pursuing the purchase of the facility. Analyze whether the Academy's cost to acquire, construct, renovate, or occupy the building during the lease term exceed the amount for which the Academy could expect to purchase the building. If the lease term is one year, the Academy should use the annual lease cost contemplated in the Acquisition Agreement multiplied by the years remaining under the Contract. If the Academy is renewing an existing lease, the Academy should analyze whether the amount the Academy has paid under the expiring lease, together with the amount the Academy will pay under the new lease, exceeds the amount for which the Academy could expect to purchase the building.
- i. Confirm that the Academy Board has inspected the proposed physical plant and that the use and condition of the proposed physical plant, including the interior and exterior walls, restrooms, technology infrastructure, roof, HVAC, and other structures is sufficient for the intended use.
- j. Confirm the total square footage of the building and the number acres at the physical plant. Is there adequate space and acreage for subsequent expansion of the building, if necessary?
- k. Confirm whether the Lessor owns or leases the building. If the Lessor leases the building, obtain a copy of the underlying Lease Agreement and review with Academy

legal counsel to ensure the parties understand all obligations thereunder that may be assumed pursuant to the sublease.

3. Confirm that Academy Board members, Academy employees, and persons in a close familial relationship may not have any direct or indirect ownership, employment, contractual, management, or other monetary interest in any Lessor/Seller that leases or sells to the Academy. The relationship between the Academy and the Lessor/Seller shall be consistent with the conflicts of interest and prohibited familial relationship provisions set forth in the Contract and this Policy.
4. The Academy Board must retain independent legal counsel to review and advise on the negotiation of the Acquisition Agreement. Legal counsel for the Academy shall not represent the Lessor/Seller or the Lessor/Seller's owners, directors, officers, or employees. The Acquisition Agreement must be an arms-length, negotiated agreement between an informed Academy Board and the Lessor/Seller. Prior to the Academy Board's approval of the Acquisition Agreement, the Academy Board must obtain a legal opinion from its legal counsel, which includes the representation that legal counsel has reviewed the proposed Acquisition Agreement, this Policy and the Academy's Contract, and that in their opinion:
 - a. The Academy Board has the power and authority to enter into the proposed Acquisition Agreement;
 - b. Execution of the proposed Acquisition Agreement does not violate any term or provision of the Contract (including this Policy) and applicable law; and
 - c. Entering into the proposed Acquisition Agreement does not authorize or require an improper delegation by the Academy Board.
5. The Academy Board shall not approve an Acquisition Agreement until all Academy Board members have been given the opportunity to review the proposed Acquisition Agreement with the Academy's legal counsel.
6. The Academy Board shall only approve an Acquisition Agreement with a formal vote at a public board meeting. Prior to an Academy Board's vote on the Acquisition Agreement, the Academy Board shall provide an opportunity for public comment on the proposed Acquisition Agreement.

B. Academy Board Administrative and Fiduciary Responsibilities

1. In negotiating the Acquisition Agreement, the Academy Board must budget adequate resources to fulfill its Contract requirements which may include, but are not limited to: oversight of any ESP, negotiation of the Contract and any Contracts amendments, payment of staff costs, insurance required under the Acquisition Agreement, ESP agreement and the Contract, annual financial audit, the Academy Board's legal counsel, consultants, recording secretary and any other such cost necessary for Academy Board operations. In undertaking this analysis, the Academy Board should consider the total costs of the building identified above.

2. The Academy Board shall be responsible for ensuring that the budget reserve amount included as part of the Academy's annual budget is adequate for any anticipated facility improvements required under the Acquisition Agreement.
3. The Acquisition Agreement shall contain the specific provisions, if any, that are incorporated into the Contract as required provisions for all Acquisition Agreements.
4. For Contracts entered into, extended, renewed, or modified on or after April 2, 2025, the Academy shall ensure that the name of the University and any Educational Service Provider responsible for both administrative services or staff and educational and instructional services or staff (where relevant) appear and be verbally provided on signage on the Academy's property erected, repaired, or installed on or after April 2, 2025, pursuant to Section 503 of the Revised School Code, MCL 380.503(6)(q), and unless prohibited by a local ordinance or zoning authority.

C. Lease Agreement Provisions

1. The Lease Agreement must clearly state the length or term of the Lease. A Lease Agreement cannot exceed the term of the Academy's Contract. A Lease Agreement may be concurrent with the term of Academy's Contract provided that the last day of the Contract term shall be the last day of the Lease Agreement term. The Lease Agreement shall provide that, in the event the Contract is revoked, suspended, terminated, or expires by its terms, the Lease Agreement and all obligations thereunder shall immediately and automatically terminate.
2. The Lease Agreement shall clearly explain the disposition of pre-paid rent and security deposits upon termination of the Lease Agreement.
3. The Lease Agreement shall clearly state the total amount the Academy must pay to the Lessor each month.
4. The Lease Agreement shall clearly state which parties are responsible for utilities, taxes, maintenance, snow removal, repairs, and any other costs associated with the building.
5. If the Lease Agreement provides for a security deposit to be paid by the Academy, the Lease Agreement must make clear whether the Lessor must repay that security deposit to the Academy at the end of the Lease Agreement term.
6. The Lease Agreement shall provide that the Academy has no liability or obligation to investigate, clean, remove, remediate, or otherwise deal with hazardous material present at the site prior to the Academy occupying the site. Such liabilities should be the responsibility of the Landlord and the Lease Agreement must explicitly delineate the Lessor's responsibility.
7. The Lease Agreement shall provide that no party other than the Academy shall have an ongoing right to occupy the building, site, or physical plant without providing written notice to the CSO Director 30 days prior to such occupancy. If another school will occupy the Academy's building, site, or physical plant, the Academy must provide to the CSO a written

analysis regarding any potential implications of such occupancy, including potential security, school safety, and church-state issues.

8. No provision of a Lease Agreement shall interfere with the Academy Board's exercise of its statutory, contractual and fiduciary responsibilities governing the operation of the Academy. No provision of a Lease Agreement shall prohibit the Academy Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.
9. The Lease Agreement shall not restrict an Academy Board from waiving its governmental immunity or require an Academy Board to assert, waive or not waive its governmental immunity.
10. The Lease Agreement may not provide for an automatic increase in rental amount unless the rent escalator is fair and reasonable for the market at the time the Lease Agreement is executed.
11. A Lease Agreement must contain a provision that all lease and physical plant records of the Lessor related to the Academy will be made available to the Academy's independent auditor and the CSO.
12. The Lease Agreement must provide that any amendments to the Lease Agreement must be reviewed by the CSO before execution, however, for certain types of non-substantive amendments to the Lease Agreement, the CSO Director may decide to waive in writing the Lease Policy.
13. The Lease Agreement must provide that fixtures purchased with the Academy's funds are owned by the Academy.
14. If the Lessor procures equipment, materials and supplies at the request of or on behalf of the Academy, the Lease Agreement shall contain a provision requiring the Lessor to follow applicable competitive bidding laws and prohibiting the Lessor from including any added fees or charges with the cost of equipment, materials and supplies purchased from third parties (except that the Lessor may assess actual costs, such as taxes, shipping, permits, installation, or other similar expenses).
15. The Lease Agreement must provide that the Lessor will indemnify the Academy Board for damages or litigation caused by the condition of the physical plant, if those damages or litigation are caused by the Lessor's use or prior use of hazardous material at the physical plant.
16. Any lease agreement entered into by the Academy shall include a termination provision permitting the Academy to terminate the lease, without cost or penalty to the Academy, in the event that the Academy is required to close an Academy site covered by the lease (i) pursuant to a notice issued by the Department under Section 507 of the Code, MCL 380.507, or (ii) pursuant to a reconstitution by the University pursuant to Section 507 of the Code, MCL 380.507 and the Contract. The provision shall also provide that the lessor/landlord shall have no recourse against the Academy, the University, or the University Board for

implementing the site closure or reconstitution. Nothing in this paragraph shall prevent the lessor/landlord from receiving lease payments owed prior to site closure or reconstitution, or relieve the Academy from paying any costs or expenses owed under the lease prior to site closure or reconstitution.

17. Any lease agreement entered into by the Academy shall include aforementioned provision that allows termination of the lease upon the lessor's uncured breach of the lease agreement, without limiting the remedies available to the Academy or the University under the Contract, the Lease Agreement, or applicable law.

D. University Board Approval of Condemnation

1. In the event that the Academy desires to acquire property pursuant to the Uniform Condemnation Procedures Act, or other applicable statutes, it shall obtain express written permission for such acquisition from the University Board. The Academy shall submit a written request to the CSO Director describing the proposed acquisition and the purpose for which the Academy desires to acquire the property and a request for a contract amendment. The CSO Director will generate a recommendation for consideration by the University Board with regard to the proposed acquisition. The request and the CSO Director's recommendation will be submitted by the CSO Director for the University Board's consideration in accordance with the University Board's generally applicable timelines and policies for the agendas of regularly scheduled University Board committee meetings and formal sessions of the University Board. No acquisition may be made until the approval of the University Board is obtained by resolution adopted at a formal session of the University Board.

E. CSO Director Review of Certain Financing Transactions

1. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., or (ii) direct that a portion of its State School Aid Payments be forwarded by the Fiscal Agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request for review to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any) together with a copy of the proposed lease, deed or bill of sale for any facilities or equipment to be acquired in the transaction, and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the University Charter Schools Office; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director

extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

F. Other Transactions Requiring CSO Director Review

1. If the Academy desires to enter into a lease agreement for real property, purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, (ii) Academy facilities that are in addition to or intended to replace the Academy's facilities described in Schedule 6, or (iii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable), submit a written request for review to the CSO Director describing the proposed transaction and the facilities or capital assets to be purchased, leased or which are otherwise the subject of the transaction, together with a copy of the proposed lease, deed or bill of sale for such facilities or assets. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.
2. A copy of the Academy's Acquisition Agreement shall be included at Schedule 6 of the Contract. Any subsequent amendments to any Academy real estate lease agreement shall only be incorporated into the Contract pursuant to Article IX of the Contract.

G. Disapproval of Certain Transactions

1. Due to the uncertain status of an Academy's Contract where the Academy has been placed in Intensified Monitoring status by the CSO pursuant to the CSO's Reinvigorating Excellence Initiative, a transaction that is required to be submitted for review by the CSO Director pursuant to these Facility Finance and Property Acquisition Policies by such an Academy will be disapproved by the CSO Director if the transaction would require payments to be made by the Academy after the Academy's existing Contract expiration date, except that the CSO Director may elect not to disapprove such a transaction where the CSO Director determines in his or her sole discretion that all of the following conditions are met:

- a. The Academy is not in Intensified Monitoring;
- b. The Academy has an unrestricted fund balance that is not less than fifteen percent (15%) of its projected annual expenditures;
- c. Entering into the proposed financing transaction will not cause the Academy to expend more than an amount equal to twenty percent (20%) of the funds to be received by the Academy annually from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 et seq., on discharging its annual obligations in connection with the lease or purchase of the Academy's land, building and other physical facilities;
- d. The facilities or equipment to be acquired with the proceeds of the proposed financing transaction are replacements for existing facilities or equipment and are necessary for continued safe operation of the Academy and the achievement of its educational goals; and
- e. Any other conditions deemed relevant by the CSO Director.

H. Amendments

- 1. Any subsequent amendment to the Acquisition Agreement shall be submitted to the CSO in the same form and manner as a new Acquisition Agreement.
- 2. The CSO may, from time to time, during the term of the Contract, amend these Policies and such amended Policies shall automatically apply to the Academy without the need for a Contract amendment. Contract amendments are identified further in the Contract Terms and Conditions.

CHARTER SCHOOLS OFFICE POLICY

Adopted: March 2009

Revised: January 31, 2025

DISSOLUTION

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy (“Contract”) issued by the Ferris State University Board of Trustees (“University Board”), these Dissolution Policies (“Dissolution Policies”) have been prepared and adopted by the University’s Charter Schools Office (CSO). These Dissolution Policies now become part of the Contract and apply immediately to all Public School Academies now authorized, and prospectively to all Public School Academies hereafter authorized or re-authorized, pursuant to Contracts issued by the University Board. A Public School Academy Board of Directors (“Academy Board”) must comply with these Dissolution Policies in addition to other Contract provisions that apply to an Academy.

A. Academy Board Obligations Relating to Termination of Contract

1. **Contract Ending Notice.** When given by the Director of the Charter Schools Office (“CSO Director”) or the University Board, each of the following written notices to the Academy Board shall constitute a “Contract Ending Notice”: (a) that the University Board will not be renewing the Contract or extending it beyond its then existing term; (b) that the University Board is exercising its right to terminate the Contract; or (c) that the University Board has revoked the Contract. A notice of termination from the Academy and a notice from the Michigan Department of Education that an Academy site is subject to closure shall also constitute a “Contract Ending Notice” for purposes of this Dissolution Policy.

2. **Notice to State of Michigan.** Within ten (10) days of receipt of a Contract Ending Notice, the Charter Schools Office (CSO) shall give written notice to the Michigan Department of Education and the Michigan Department of Treasury of the non-renewal, non-extension, termination, or revocation of the Contract, as the case may be. Unless otherwise expressly provided in writing by the CSO Director or the University Board, the CSO shall request the Michigan Department of Education’s guidance and procedures on the dissolution, liquidation and winding up of the Academy. The notice given by the CSO shall advise the Michigan Department of Education and the Michigan Department of Treasury of the Contract Ending Date. The “Contract Ending Date” is (a) the date the term of the Contract ends, if the Contract is not being renewed or extended, (b) the effective date of termination, if the Contract is being terminated, or (c) the effective date of revocation, if the Contract is being revoked. The CSO shall simultaneously send the Academy Board a copy of its notice.

3. Plan of Dissolution and Liquidation.

a. When a Contract Ending Notice is received, then, unless otherwise expressly provided in writing by the CSO Director or the University Board, at least forty-five (45) days prior to the Contract Ending Date, the CSO Director shall submit to the Academy Board a plan of dissolution, liquidation and winding up for the Academy that is in full compliance with the Contract and all Applicable Law, regulations, rules, orders and governmental procedures.

b. The Academy shall immediately comply with the proposed plan of dissolution, liquidation and winding up provided by the CSO Director (the “Plan of Dissolution and Liquidation”). The Academy Board shall not alter the plan of dissolution, liquidation and winding up except by written permission of the CSO Director.

c. If not already in place in accordance with the Contract, the Academy shall cooperate in establishing an Academy Dissolution Administrative Account. If not so provided by existing Contract, beginning thirty (30) days after receipt of a Contract Ending Notice by either party, the University may direct up to ten thousand dollars (\$10,000) from each subsequent School Aid Fund payment, not to exceed a combined total of thirty thousand dollars (\$30,000) to a separate Academy account (“Academy Dissolution Administration Account”) to be used exclusively to pay the costs associated with the wind up and dissolution of the Academy, including but not limited to the expense of audits, inventory, appraisal, sale of unencumbered property, legal and other professional expenses, expenses of winding up corporate existence, the transfer of records, and the placement of students, and other administrative expenses related to dissolution. Within five (5) business days of the CSO’s notice, the Academy Board Treasurer shall provide the CSO Director, in a form and manner determined by the CSO, with account detail information and authorization to direct such funds to the Academy Dissolution Administrative Account. The Academy Dissolution Administrative Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as the wind up and dissolution administrative expenses have been satisfied. The University Board may also direct that a portion of the Academy’s state school aid funds be directed to the Academy Dissolution Administration Account. An intercept agreement entered into by the Academy and a third-party lender or trustee shall include language that the third party lender or trustee acknowledges and consents to the funding of the Academy’s Dissolution Administration Account in accordance with these Policies and the Contract. Any unspent funds remaining in the Academy’s dissolution account after payment of all wind-up and dissolution expenses shall be returned to the Academy. If the Academy does not cooperate in establishing the Academy Dissolution Administrative Account as directed, then the CSO may proceed to segregate such funds to be held by the University and separately accounted for, to be paid on behalf of or released to the Academy for the purposes described in this Section.

d. In the event that the Michigan Department of Education provides notification that that all Academy sites are included in a Contract Ending Notice, unless the MDE rescinds such notification, wind-up and dissolution of the Academy should occur at the end of the then-current school year.

e. Without limiting the above, following termination or revocation of the Contract, the Academy shall follow the applicable wind-up and dissolution provisions set forth in the Academy's articles of incorporation, Part 6A of the Code and applicable law.

4. Appointment of a Receiver. If requested to do so by the CSO Director or the University Board at any time following a Contract Ending Notice, the Academy Board shall cause the Academy to petition the appropriate Circuit Court of the State of Michigan for the appointment of a receiver to administer the dissolution, liquidation and winding up of the affairs of the Academy. To the extent necessary, the Plan of Dissolution and Liquidation shall thereafter be deemed modified to accommodate the appointment of a receiver. The CSO may, at its option, offer assistance for the Plan of Dissolution by providing services of Wind Up and Dissolution Manager at the CSO's expense.

B. Academy Board Best Practices

The Academy Board shall follow the wind-up and dissolution actions set forth at Attachment A, which may be updated from time to time and circulated to the Academy Board without revising these Policies.

C. Amendments

The CSO may, from time to time, amend these Dissolution Policies, and such amended Dissolution Policies shall automatically apply to the Academy. Contract Amendments are addressed further in the Contract.

CHARTER SCHOOLS OFFICE POLICY

Adopted: December 2010
Revised: January 31, 2025

NONESSENTIAL ELECTIVE COURSE

Pursuant to the Terms and Conditions of the Contract to Charter a Public School Academy (“Contract”) issued by the Ferris State University Board of Trustees (“University Board”), this Nonessential Elective Course Policy has been prepared by the University’s Charter Schools Office (CSO). It now becomes part of the Contract and applies immediately to all academies being authorized or re-authorized pursuant to Contracts issued by the University Board, and prospectively to any existing academy that is interested in providing nonessential elective courses to pupils at a non-public school site on or after the date set forth above. Failure by the Academy Board to comply with this Policy may result in the non-issuance of a Contract, or for existing Academies, the initiation of suspension, termination or revocation proceedings under the Contract.

- I. A public school academy (“Academy”) that is interested in providing nonessential elective courses to pupils at a non-public school site shall submit documentation sufficient to qualify for part-time pupil funding under the State School Aid Act.
- II. Without limiting the foregoing, the Academy shall provide the following documentation and information to the Ferris State University Charter Schools Office:
 - a. A draft copy of a Contract amendment with all attachments. See attached Contract Amendment form.
 - b. The name of the non-public school requesting the nonessential elective courses.
 - c. The name of the public school district in which the non-public school is located. (Note: In order for the Academy to provide nonessential elective courses to students at the non-public school, the Academy must be located in either (i) the same school district in which the non-public school requesting nonessential elective courses is located; (ii) the same intermediate school district in which the non-public school requesting nonessential elective courses is located; or (iii) an intermediate district that

is contiguous to the intermediate school district in which the non-public school requesting nonessential elective courses is located.)

- d. A copy of the non-public school's written request to the school district requesting that certain nonessential elective courses be provided.
- e. A copy of the district's written response to the non-public school notifying them that the district will/will not provide certain nonessential elective courses.
- f. The names and certification documents of each teacher providing instruction for a nonessential elective course.
- g. The names of all the mentors and teacher aides that will be assisting certified teachers during the instruction of the nonessential elective courses.
- h. The official enrollment records for all courses offered including every student's corresponding school district ID number.
- i. A copy of any agreement between the Academy and non-public school relative to the provision of nonessential elective courses to students at the non-public school site.
- j. A list of the nonessential elective courses being provided by the Academy to the non-public school, and the Academy's full schedule of courses including all nonessential elective courses.
- k. Confirmation that the non-public school is registered with the Michigan Department of Education and meets all the necessary reporting requirements for a non-public school under applicable law.
- l. Confirmation that the Academy has confirmed with its insurance carrier that the nonessential elective courses being provided by the Academy to pupils at the non-public school is an activity or program covered under the Academy's existing insurance policy.
- m. A written legal opinion from the Academy's legal counsel confirming that nonessential elective courses provided by the Academy to students at a non-public school (a) is not in violation of the single site requirements under section 504(1) of the Revised School Code ("Code"), MCL 380.504(1) and (b) is in compliance with section 166b of the State School Aid Act of 1979, as amended, MCL 388.1166b. If the Academy contracts with an educational service provider and nonessential elective course instruction is to be provided by educational service provider employees, then the written legal opinion shall also confirm that the Academy's provision of such services through employees of an educational service provider is permitted under applicable law.

- n. A copy of any Academy waiver request submitted to the Superintendent of Public Instruction (and any response received from the Superintendent) in connection with the Academy providing nonessential elective courses to students at a non-public school.
 - o. A copy of the Academy Board resolution(s) approving the Contract amendment and authorizing the Academy to provide nonessential elective courses to students at the nonpublic school site.
- III. The Academy shall maintain a record of the course schedule for each nonessential elective offered, detailing the number of instructional hours, days, and duration of the course. Such documentation should confirm that each part-time student is attending the nonessential elective course during the established times.
- IV. The Academy shall maintain sufficient documentation to demonstrate compliance with the funding criteria under MCL 388.1766b, including any supporting documentation required by the Michigan Department of Education or other governing bodies to substantiate the eligibility for part-time pupil funding, and shall ensure that all documentation is available for review by the University and in the event of an audit by state or federal agencies. The Academy will submit all required documentation to the Michigan Department of Education or other governing bodies.
- V. The Contract amendment shall not take effect until it is approved by the University Board, and once so approved the Contract amendment will be in effect only for the current school year in which the nonessential elective courses are requested and offered, unless an annual written extension to a subsequent school year is issued by the CSO Director after the Academy has once again submitted the information required by Section II of this Policy.

4b.1. Charter School Contract Conditional Authorization – Learn4Life Pontiac

Moved by **Trustee Fisher**, supported by **Trustee Snead**, and **unanimously carried** that the Ferris State University Board of Trustees hereby approves the following Resolution, as submitted on this date:

RESOLUTION

WHEREAS, the Michigan Legislature has provided for the establishment of public school academies as part of the Michigan Public School System by enacting Act No. 362 of the Public Acts of 1993; and,

WHEREAS, according to this enacted law, the Ferris State University Board of Trustees (“University Board”), as the governing board of a State public university, is an authorizing body empowered to issue contracts to organize and operate public school academies; and,

WHEREAS, Act No. 362 of Public Acts of 1993 has been ruled constitutional by the Michigan Supreme Court; and,

WHEREAS, the Michigan legislature has mandated that public school academy contracts be issued on a competitive basis taking into consideration the resources available for the proposed public school academy, the population to be served by the proposed public school academy, and the educational goals to be achieved by the proposed public school academy; and,

WHEREAS, the University Board has developed the following three (3) principles to guide its work in authorizing public school academies: compatibility and congruence of the academy’s educational program with the University mission; financial unnecessary risk; and curriculum and program quality for the academy that will reflect positively on the University; and,

WHEREAS, the University Board has received applications from organizing public school academies and reviewed the applications according to the provisions set forth by the Michigan Legislature and the University’s principles for authorizing public school academies; and,

WHEREAS, the University Board issues contracts to charter public school academies under Part 6a of the Revised School Code (“Code”); and,

WHEREAS, U.S. Learning Corporation (USLC) and its affiliate Lifelong Learning Administration Corporation (LLAC), a management company headquartered in Lancaster, California, submitted an application to the FSU Charter Schools Office (the “CSO”) for a new charter school, Learn4Life Pontiac (the “Academy”) to be located at 142 Auburn Avenue, Pontiac, Michigan; and,

WHEREAS, the CSO has evaluated, reviewed and researched the application, conducted capacity interviews with the management company and school staff, interviewed parents of current students, talked with students and visited the proposed location of the Academy; and,

WHEREAS, the Academy will fulfil a community need for an alternative education for students in grades 9-12 in risk of not graduating from high school; and,

WHEREAS, the Academy currently serves 122 students; and,

WHEREAS, the CSO recommends the University Board grant a charter contract conditional authorization of the Academy.

NOW THEREFORE BE IT RESOLVED:

1. That the application for Learn4Life High Pontiac in Pontiac, Michigan, was submitted under Section 502 of the Code, subject to the conditions set forth herein, appears consistent with the requirements of applicable law and the University Board principles for authorizing public school academies, and is therefore approved for grades 9-12 for a period of five years through June 30, 2030 contingent upon successful completion of the Charter School Office's application and school opening protocols;

2. The University Board establishes the method of selection, length of term, number of members, qualification of members, the procedure for removal of members, and other matters pertaining to the Academy's Board of Directors, as follows:

a. Method of Selection. The University Board shall prescribe the methods of appointment for members of the Academy Board. Ferris State University's Director of Charter Schools ("CSO Director") is authorized to administer the University Board's academy board selection and appointment process (including a Public School Academy Board Member Questionnaire or School of Excellence Board Member Questionnaire or Strict Discipline Academy Board Member Questionnaire, as applicable, and required background checks), as provided below:

1. The University Board shall appoint initial and subsequent members of the Academy Board of Directors by formal resolution, except as prescribed by subparagraph (4) of this subparagraph (a). The CSO Director shall recommend nominees to the University Board based upon a review of the applicable Academy Board Member Application/Conflict of Interest Questionnaire, required background checks, and each nominee's resume. Each nominee shall be available for interview by the University Board or the CSO Director. The University Board may reject any or all Academy Board nominees.
2. The Academy Board shall be provided an opportunity to nominate its subsequent members, by resolution and majority vote, except as provided herein. The Academy Board shall recommend at least one nominee for each vacancy. The

Academy Board's nominees shall submit the applicable Academy Board Member Questionnaire for review by the CSO. If the University Board elects not to appoint any of the Academy Board's nominees for a vacant position on the Academy Board or elects to make its own nomination(s), it may nominate and appoint an Academy Board member of its own choosing for that vacant position, or it may request additional nominees from the Academy Board.

3. An individual appointed to fill a vacancy created other than by expiration of the term shall be appointed for the unexpired term of that vacant position.
4. Under exigent conditions, and with the approval of the University Board's Chair, the CSO Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled formal session. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under the exigent conditions provision.

b. Length of Term. Each member of the Academy Board shall serve at the pleasure of the University Board. The initial terms of the members of the Academy Board shall be staggered in a manner determined by the CSO Director, but no individual member's term shall exceed a period of four (4) years. The subsequent term of each member of the Academy Board shall be for a period of four (4) years. The terms for each position shall begin on July 1st and end on June 30th of the pertinent year.

c. Number of Directors. The number of board positions shall be seven (7), which may be reduced to five (5) or increased back to seven (7) if requested by the Academy and approved by the CSO Director. If the Academy Board fails to attain or maintain its full membership by making appropriate and timely nominations, the University Board or the CSO Director may deem that failure an exigent condition.

In order to legally transact business, the Academy Board shall have a quorum present at a duly called meeting of the Academy Board. A "quorum" shall be defined as follows:

<u># of Academy Board positions</u>	<u># required for Quorum</u>
Five (5)	Three (3)
Seven (7)	Four (4)

A board member may participate in a meeting virtually only if unable to attend a meeting in person due to military duty, or in other circumstances where virtual attendance is permitted by law, and that member's virtual presence shall count towards the required quorum and allow the virtual attendee to participate and vote on business before the board. Notwithstanding any academy board bylaw to the contrary, any decision or action of the board must be approved by three directors if the board has five authorized positions, and four directors if the board has seven authorized positions. Procedural motions such as a motion to adjourn, table or postpone a matter, to schedule a meeting, or a motion to request

a reduction in the number of authorized board positions or nominate persons to fill vacancies, may be approved by a majority of a quorum.

d. Qualifications of Members. To be qualified to serve on the Academy Board, a person shall, among other things: (1) be a citizen of the United States; (2) be a resident of the State of Michigan; (3) submit all materials requested by the CSO including, but not limited to, the applicable Academy Board Member Application/Conflict of Interest Questionnaire which must include authorization to process a criminal background check of the nominee; and (d) submit annually a conflicts of interest disclosure as prescribed by the CSO.

The Academy Board shall include as a member (1) at least one parent or guardian of a child attending the Academy; and (2) one professional educator, preferably a person with school administrative experience. The Academy Board shall include representation from the local community in which the Academy serves.

The members of the Academy Board shall not include (1) any member appointed or controlled by another profit or non-profit corporation; (2) Academy employees or independent contractors performing services for the Academy; (3) any current or former director, officer, or employee of an educational management company that contracts with the Academy; and (4) Ferris State University officials or employees.

e. Oath. Before beginning his/her service, each member of the Academy Board shall take and sign the constitutional oath of office before a justice, judge, or clerk of a court, or before a notary public. The Academy shall cause a copy of such oath of office to be filed with the CSO. No appointment shall be effective prior to the taking, signing and filing of the oath of public office.

f. Removal of Members. The University Board may remove an Academy Board member with or without cause at any time by notifying the affected Academy Board member. The notice shall specify the date when the Academy Board member's service ends. Any Academy Board member may also be removed by a two-thirds (2/3) vote of the Academy Board for cause.

With the approval of the University Board Chair, the CSO Director may suspend an Academy Board member's service, if in his/her judgment the member's continued presence would constitute a risk to persons or property, or would seriously impair the operations of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspension made under this provision.

g. Tenure. Each member of the Academy Board shall hold office until such member's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

h. Resignation. Any member of the Academy Board may resign at any time by providing written notice to the Academy or the CSO. Notice of resignation will be effective upon receipt or at a subsequent time designated in the notice. Any Academy board member who fails to attend three (3) consecutive Academy board meetings, may, at the option of the Academy Board, the University Board, or the CSO Director, be deemed to have resigned, effective at a time designated in a written notice sent to the resigning Academy board member. A successor shall be appointed as provided by the method of selection adopted by the University Board.

i. Board Vacancies. An Academy Board vacancy shall occur because of death, resignation, removal, failure to maintain United States citizenship or residency in the State of Michigan, disqualification, enlargement of the Academy Board, or as specified in the Code.

j. Compensation. An Academy Board member shall serve as a volunteer director and without compensation for his/her services. By resolution of the Academy Board, the Academy Board members may be reimbursed for their reasonable expenses incidental to their duties as an Academy Board member.

k. Initial Members of the Board of Directors. Provided that each initial member submits a completed Academy Board Application, successfully completes a criminal background/record and reference check, and if requested to do so, participates in a mutually satisfactory personal interview with the University Board of Trustees or its designee, the University Board appoints the following seven (7) persons to serve as initial members of the Academy's Board of Directors:

The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy shall ensure that the term or length of any employment contract or consultant agreement does not extend beyond the term of this Contract and shall terminate in the event this Contract is revoked or terminated. In no event may an Academy employee's employment contract term, inclusive of automatic renewals, extend beyond the term of this Contract. The Academy may contract with an Educational Service Provider to provide persons to perform work at the Academy so long as (a) the agreement complies with the requirements of Section 3.9 of these Terms and Conditions; (b) the Academy has first complied with the Charter Schools Office Educational Service Provider Policies, if any, as then in effect; and (c) the CSO Director has not disapproved the agreement. A copy of the agreement between the Academy and the Educational Service Provider (ESP) shall be made available by the authorizer. ESP job descriptions are included as a part of Schedule 5 of the charter contract.

Section 3.7 CSO Director Review of Certain Financing Transactions Involving Pledge of State Aid. If the Academy proposes to (i) finance the acquisition, by lease, purchase, or other means, of facilities or equipment, in excess of \$150,000, pursuant to arrangements calling for payments over a period greater than one (1) year, and which include a pledge, assignment, or direction to one or more third parties of a portion of the funds to be received by the Academy from the State of Michigan pursuant to the State School Aid Act of 1979, as amended, being MCL 388.1601 *et seq.*, or (ii) direct that a portion of its State School Aid Payments be forwarded by the University acting as fiscal agent to a third party account for the payment of Academy debts and liabilities, the Academy shall submit the transaction for prior review by the CSO Director, as

designee of the University Board, in the manner provided herein. The Academy shall, not later than thirty (30) days prior to the proposed closing date of the transaction, submit a written request to the CSO Director describing the proposed transaction and the facilities or equipment to be acquired with the proceeds thereof (if any), and in the case of a transaction described in subparagraph (ii) of this Section, (a) a copy of the Academy Board's resolution authorizing the direct intercept of State School Aid Payments; (b) a copy of a State School Aid Payment Agreement and Direction document that is in a form acceptable to the CSO Director; and (c) copies of such other documentation regarding the transaction which is the subject of the proposed direct intercept as the University Charter Schools Office may request. Unless the CSO Director extends the review period, within thirty (30) days of receiving a written request in compliance with this Section, the CSO Director shall notify the Academy if the proposed transaction is disapproved (the CSO Director may disapprove the proposed transaction in his or her sole discretion). If no response is made during that period, this transaction shall be considered not to have been disapproved. If the proposed transaction is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and any lender, lessor, seller or other party, would cause such disapproval to be deemed withdrawn. No transaction described in this Section may be entered into that is disapproved by the CSO Director. By not disapproving a proposed transaction, the CSO Director is in no way giving approval of the proposed transaction, or any of the terms or conditions thereof.

Section 3.8 University Board Contract Authorization Process.

(a) Pursuant to the Code, the University Board is not required to issue a contract to the Academy. This Contract is for a fixed term and will terminate at that end of the Contract Term without any further action of either the Academy or the University Board.

(b) An Academy seeking a renewal of its Contract shall make a formal request to the Charter Schools Office prior to the end of the current Contract term through the Reauthorization Application. Reauthorization packets are sent to academies and Boards of Directors in the beginning of the final contractual academic year. The Charter Schools Office shall provide to the Academy a description of the timeline and process by which the Academy may be considered for issuance of a new contract. The timeline and process for consideration of whether to issue a new contract to the Academy shall be solely determined by the University Board. The standards for the issuance of a new contract shall include increases in academic achievement for all groups of pupils as measured by assessments and other objective criteria established by the University Board as the most important factor of whether to issue or not issue a new contract. The University Board, at its own discretion, may change its timeline and process for issuance of a new contract at any time, and any such changes shall take effect automatically without the need for any amendment to the Contract. Consistent with the Code, the University Board may elect, at its sole discretion, not to consider the issuance of a contract, consider extending the contract, or consider reauthorization of the Academy and issue a contract for a fixed term.

(c) A "reauthorization" shall generally consist of a contractual renewal period of three (3) or more years as granted by the University Board.

(d) The decision to recommend reauthorization or contract extension to the FSU Board of Trustees shall be determined solely by the CSO Director. Such decisions shall be made in

consultation with appropriate CSO staff, visitation reports, and other relevant data for the contractual period or extension period. Academic achievement for all groups of pupils as measured by assessments and other objective criteria shall be the most important factor in the decision whether to reauthorize or extend a contract.

Section 3.9 CSO Director Review of ESP Agreement.

(a) The Academy may enter into an ESP Agreement with an Educational Service Provider to contract out its administrative, educational, management, and/or instructional functions and personnel. For purposes of this Contract, an employee leasing agreement shall be considered an ESP Agreement, and an employee leasing company shall be considered an ESP. The ESP policies of the CSO are incorporated into and deemed part of this Contract. The CSO may, from time to time during the term of this Contract, amend the ESP policies and the amended policies shall apply to the Academy in accordance with Section 12.16 of the Contract, without any amendment under Article IX of this Contract. If the Academy proposes to enter into a new or renewal ESP Agreement, or to extend the term of an existing ESP Agreement, the Academy shall, not later than thirty (30) days prior to the proposed date of execution thereof, submit the proposed ESP Agreement and a detailed description of the means by which the Educational Service Provider will be held accountable to the Academy Board for the day-to-day performance of the Educational Service Provider's obligations under the ESP Agreement for review by the CSO Director. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement and detailed description in compliance with this Section, the CSO Director shall notify the Academy if the proposed ESP Agreement is disapproved (the CSO Director may disapprove the proposed ESP Agreement if the ESP Agreement is contrary to this Contract or Applicable Law). Without limiting its rights under this Contract and Applicable Law, the University reserves the right to disapprove a proposed ESP Agreement if the University determines in its sole discretion that the ESP Agreement does not comply with the Contract, Applicable Law, or University policies, or where the proposed fees to be charged by the ESP are not a fair and reasonable fee for the services to be provided by the ESP. No ESP Agreement is approved unless the Academy receives from the CSO Director notice of a non-disapproval. If the proposed ESP Agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or the Educational Service Provider, would cause such disapproval to be deemed withdrawn. No ESP Agreement may be entered into that is disapproved by the CSO Director. By not disapproving a proposed ESP Agreement, the CSO Director is in no way giving approval of the proposed ESP Agreement, or any of the terms or conditions thereof. Any subsequent amendment to an ESP Agreement shall be submitted for review by the CSO Director in the same form and manner as a new ESP Agreement.

(b) An ESP Agreement:

- (i) may not contain a non-competition, no-hire, or similar provision prohibiting or restricting the Academy from hiring instructional staff that perform work at the Academy;

- (ii) shall contain a representation and warranty by the Educational Service Provider to the Academy that no non-competition, no-hire, or similar provisions are included in the Educational Service Provider's employment contracts or other agreements with instructional staff that perform work at the Academy, nor will any such provisions be included in any such contracts or agreements for the duration of the ESP Agreement;
- (iii) shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including without limitation but not limited to the information described in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under the Contract;
- (iv) shall not be for a term extending beyond the term of the Contract;
- (v) shall not contain terms inconsistent with the CSO's Educational Service Provider Policies, if any, in effect at the time that the ESP Agreement is entered into, renewed or extended; and
- (vi) shall contain the following provisions:

"Indemnification of Ferris State University. The parties acknowledge and agree that the Ferris State University Board of Trustees, Ferris State University and its members, officers, employees, agents or representatives (collectively referred to as "the University") are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, the [insert name of Educational Service Provider] hereby promise to indemnify, defend, and hold harmless the University from and against all claims, demands, actions, suits, causes of action, losses, judgments, damages, fines penalties, forfeitures, or any other liabilities or losses of any kind, including costs, attorney fees, and related expenses imposed upon or incurred by the University, on account of injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage or any other losses of any kind whatsoever and not caused by the sole gross negligence of the University, which arise out of or are in any manner connected with Ferris State University Board of Trustees' approval of the Academy's application, Ferris State University Board of Trustees' consideration of or issuance of a Contract, the [insert name of Educational Service Provider's] preparation for and operation of the Academy, or which are incurred as a result of the reliance by the University upon information supplied by the [insert name of Educational Service Provider], or which arise out of the failure of the [insert name of Educational Service Provider] to perform its obligations under the Contract, the Agreement or Applicable Law, as applicable. The parties expressly acknowledge and agree that the University, Ferris State University Board of Trustees and its members, and their respective officers, employees, agents or representatives, or any of them, may commence legal action against [insert name of Educational Service Provider] to enforce its rights as set forth in this Agreement."

“Agreement Coterminous with Academy’s Contract. If the Academy’s Contract issued by the Ferris State University Board of Trustees is suspended, revoked or terminated, or a new charter contract is not issued to the Academy after expiration of the Contract, this Agreement shall automatically be suspended or terminated, as the case may be, on the same date as the Academy’s Contract is suspended, revoked, terminated or expires without further action of the parties.”

“Compliance with Academy’s Contract. The Educational Service Provider agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy’s obligations under the Academy’s Contract issued by Ferris State University Board of Trustees. The provisions of the Academy’s Contract shall supersede any competing or conflicting provisions contained in this Agreement.”

“Compliance with Section 503c. On an annual basis, the ESP agrees to provide the Academy Board with the same information that a school district is required to disclose under Section 18(2) of the State School Aid Act of 1979, MCL 388.1618, for the most recent school fiscal year for which the information is available. Within fifteen (15) days of receipt of this information, the Academy Board shall make the information available through a link on the Academy’s website homepage, in a form and manner prescribed by the Michigan Department of Education. The defined terms in Section 503c of the Code, MCL 380.503c, shall have the same meaning in this agreement.”

Amendment Caused By Academy Site Closure or Reconstitution. In the event that the Academy is required (i) to close an Academy site pursuant to a notice issued by the Department under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507 and the Contract Terms and Conditions, and such closure of an Academy site or reconstitution causes an amendment to or termination of this ESP Agreement, the parties agree that this ESP Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and [insert name of Educational Service Provider] shall have no recourse against the Academy or the University Board for implementing such site closure or reconstitution.

Section 3.10 Additional Termination Rights. The University reserves the right to terminate a ESP Agreement for cause, in accordance with the terms of this Contract and Applicable Law, including where the University determines that the ESP is failing to meet the academic, financial, or other operational expectations outlined in the Contract, or if the ESP is in violation of Applicable Laws, regulations, or the terms of any agreement. An ESP Agreement shall provide that any action or inaction by the ESP which causes the Contract of the Academy to be revoked, terminated, or suspended, or which results in the Academy receiving official notification from the CSO, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or suspension of the Contract, shall be designated a material breach, which shall be grounds for termination of the ESP Agreement by the Academy or the University. The ESP Agreement shall also provide for termination if directed by the University Board as part of the process of reconstitution or as a corrective action, as provided by the Revised School Code.

Section 3.11 Certain Other Transactions Requiring Review by the CSO Director. If the Academy desires to enter into a purchase agreement, multi-year lease, or transaction requiring bid documents with respect to (i) the Academy's facilities described in Schedule 6, or (ii) capital assets valued in excess of \$150,000, the Academy shall, not later than thirty (30) days prior to the proposed date of execution of the proposed agreement, lease or bid documents (as applicable), submit the same for review and comment by the University Charter Schools Office. Unless the CSO Director extends the review period, within thirty (30) days of receiving a copy of a proposed agreement, the CSO Director shall notify the Academy if the proposed agreement is disapproved (the CSO Director may disapprove the proposed agreement in his or her sole discretion). If no response is made during that period, the transaction shall be considered not to have been disapproved. If the proposed agreement is disapproved, such disapproval may, but shall not be required to, state one or more conditions which, if complied with by the Academy and/or other party to the agreement, would cause such disapproval to be deemed withdrawn. No agreement described in this Section may be entered into that is disapproved by the CSO Director.

Section 3.12 University Board's Invitation to Academy to Apply For Conversion to Schools of Excellence. If the University Board is interested in accepting applications to issue contracts to charter Schools of Excellence under Part 6E of the Code, and the University Board determines that the Academy meets the University Board's and the Code's eligibility criteria for applying to convert the Academy to a School of Excellence, then the University Board may invite the Academy to submit an application to apply for a contract to convert the Academy to a school of excellence. In accordance with the Code, the University Board shall establish its own competitive application process and provide the necessary forms and procedures to eligible public school academies.

ARTICLE IV

REQUIREMENT THAT THE ACADEMY ACT SOLELY AS GOVERNMENTAL ENTITY

Section 4.1 Limitation on Actions in Performance of Governmental Functions. The Academy shall act exclusively as a governmental entity and shall not undertake any action inconsistent with its status as a governmental entity authorized to receive state school aid funds pursuant to Section 11 of Article IX of the State Constitution of 1963.

Section 4.2 Other Permitted Activities. Nothing in this Contract shall prohibit the Academy from engaging in other lawful activities that are not in derogation of the Academy's status as a public school or that would not jeopardize the eligibility of the Academy for state school aid funds. With the exception of agreements that require prior submittal to the CSO Director or the University Board (or its designee) for review and (a) have not been submitted for review to the CSO Director, (b) have not been submitted for review and disapproved by the CSO Director, or (c) are not contrary to this Contract or Applicable Law, the Academy may enter into agreements with other public schools, public school academies, schools of excellence, governmental units, businesses, community and nonprofit organizations where such agreements contribute to the effectiveness of the Academy or advance education in this state.

Section 4.3 Academy Board Members Serve In Their Individual Capacity. All Directors of the Academy Board shall serve in their individual capacity, and not as a representative or designee of any other person or entity. A person who does not serve in their individual capacity, or who serves as a representative or designee of another person or entity, shall be deemed ineligible to continue to serve as a Director of the Academy Board. A Director who violates this Section shall be removed from office, in accordance with the removal provisions found in the Contract.

- (iii) has an ownership, officer, policymaking, managerial, administrative non-clerical, or other significant role with the Academy's ESP or employee leasing company;
- (iv) has an ownership or financial interest in any school building lease or sublease agreement with the Academy.

(b) The Academy Board shall require each individual who works at the Academy to annually disclose any familial relationship with any other individual who works at, or provides services to, the Academy. For purposes of this sub-Section, familial relationship means a person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or same-sex domestic partner. If an Academy Board member discloses any prohibited familial relationships in the annual disclosure, or if the University finds that an Academy Board member has failed to disclose a prohibited familial relationship, that Academy Board member shall be removed from office, in accordance with the removal provisions found in the Resolution or Schedule 2: Bylaws.

Section 4.6 Dual Employment Positions Prohibited. Any person working at the Academy is prohibited by law from being employed at the Academy in more than one full-time position and simultaneously being compensated for each position.

ARTICLE X

TERMINATION, SUSPENSION AND REVOCATION

Section 10.1 Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board's request for termination shall be made to the Charter Schools Director not less than six (6) calendar months in advance of the Academy's proposed effective date of termination. Upon receipt of an Academy request for termination, the Charter Schools Director shall present the Academy Board's request for termination to the University Board. A copy of the Academy Board's resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board's request for termination. Upon receipt of the Academy Board's request for termination, the University Board shall consider and vote on the proposed termination request. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.2 Automatic Amendment of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.2, if the University Board is notified by the Michigan Department of Education (MDE) that an Academy site is subject to closure under Section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any

further action of the University Board or the Academy. Following receipt of the State's Automatic Closure Notice, the Charter Schools Director shall forward a copy of the notice to the Academy Board and may request a meeting with Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. If the MDE rescinds the State's Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to the Charter Schools Office a proposed Contract amendment incorporating the MDE's school improvement plan, if applicable, for the identified site(s).

If the Michigan Department of Education elects not to issue a Pupil Hardship Exemption and the Charter Schools Director determines, in his or her discretion, that the closure of one or more sites as directed by the MDE creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Charter Schools Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter "Economic Hardship Termination"). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board's revocation procedures set forth in Section 10.6(c) do not apply to an automatic termination initiated by the State's Automatic Closure Notice or an Economic Hardship Termination under this Section.

Section 10.3 Grounds and Procedures for University Termination of Contract. The University Board, in its discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; or (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, or (iii) if exigent circumstances exist that the University Board, in its sole discretion, determines necessitate termination of this Contract to protect the health, safety, or welfare of the Academy students, property, or funds that cannot be cured in a reasonable period as determined solely by the University Board determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Charter Schools Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.2, the revocation procedures in Section 10.4 shall not apply.

Section 10.4 Statutory Grounds for Revocation. In addition to the other grounds for revocation in Section 10.5 and the grounds for an automatic revocation of the Contract as set forth in Section 10.2, this Contract may also be revoked by the University Board upon a determination by the University Board, pursuant to the procedures set forth in Section 10.6, that one or more of the following has occurred:

(a) Notice of Intent to Revoke. The CSO Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

(b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the CSO Director and shall either admit or deny the allegations of non-compliance. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the CSO Director prior to a review of the Academy Board's response.

(c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the CSO Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the CSO Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the CSO Director shall develop a plan for correcting the non-compliance ("Plan of Correction"). In developing a Plan of Correction, the CSO Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the CSO Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.

(d) Plan of Correction May Include Conditions to Satisfy University Board's Contract Reconstitution Authority. As part of the Plan of Correction, the CSO Director may reconstitute the Academy in an effort to improve student educational performance and to avoid interruption of the educational process. An attempt to improve student educational performance may include, but is not limited to, one of the following actions: (i) removal of one (1) or more members of the Academy Board; (ii) termination of at-will board appointments of one or more Academy Board members; (iii) withdrawal of the Academy's authorization to contract with an ESP; (iv) a

The CSO shall notify the Superintendent of Public Instruction of any Plan of Correction that includes a reconstitution of the Academy to ensure that the Academy is not included on the list of school buildings subject to automatic closure.

(e) Request for Revocation Hearing. The CSO Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the CSO Director determines that any of the following has occurred:

- (i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);
- (ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;
- (iii) the Academy Board's response admits violations of the Contract or Applicable Law which the CSO Director deems cannot be remedied or cannot be remedied in an appropriate period of time, or for which the CSO Director determines that a Plan of Correction cannot be formulated;
- (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
- (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
- (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or

The revocation hearing shall be held at a location, date and time as determined by the CSO Director and shall not last more than three (3) hours. The hearing shall be transcribed by a court reporter and the cost of the court reporter shall be divided equally between the University and the Academy. The CSO Director or his or her designee, and the Academy Board or its designee, shall each have

equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the CSO Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this sub-section. A copy of the Hearing Panel's recommendation shall be provided to the University Charter Schools Office and the Academy Board at the same time that the recommendation is sent to the University Board.

If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular formal session, the University Board shall consider the Hearing Panel's recommendation at its next regular formal session and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special formal session to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the University Charter Schools Office, the Academy Board and the Michigan Department of Education.

The University Board may also direct that a portion of the Academy's state school aid funds be directed to fund the Academy's Dissolution account established under Section 10.10 of these Terms and Conditions.

Section 10.7 Contract Suspension. The University Board's process for suspending the Contract is as follows:

Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a decision by the Charter Schools Director to suspend the Contract, may be retained by the University Board for the Academy until the Contract is reinstated, or may be returned to the Michigan Department of Treasury upon the State's request.

(c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the CSO Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in Section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the timeline for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Charter Schools Office and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with Section 10.6(f) through (h).

Section 10.8 Venue; Jurisdiction. The parties agree that all actions or proceedings arising in connection with this Contract will be tried and litigated only in the Circuit Court of Mecosta County, Michigan, the Michigan Court of Claims or the Federal District Court for the Western District of Michigan. The parties irrevocably consent to the service of process out of any such courts in any such action or proceedings by the mailing of copies thereof by registered or certified mail, postage prepaid, to each such party, at its address set forth for notices in this Contract, such service to become effective ten (10) days after such mailing. The parties irrevocably waive any right they may have to assert the doctrine of forum non conveniens or to object to venue to the extent any proceeding is brought in accordance with this Section. This Section 10.8 shall not in any way be interpreted as an exception to the Academy's covenant not to sue contained in Section 11.21 of these Terms and Conditions.

Upon appointment, the Conservator shall have all the powers of a Board of Directors of a Public School Academy and act in the place and stead of the Academy Board. The University President shall appoint the conservator for a definite term which may be extended in writing. Notwithstanding any other provision of this Contract to the contrary, the contents of this Section shall govern in the event of an emergency situation that arises between meetings of the University Board. An emergency situation shall be deemed to occur if the University President or their designee, in his or her sole discretion, determines that the facts and circumstances warrant that emergency action take place before the next meeting of the University Board. Upon the determination that an emergency situation exists, the University President or his or her designee may temporarily take action on behalf of the University Board with regard to the Academy Board or any aspect of the Contract, so long as such action is in the best interests of the University Board. When acting during an emergency situation, the University President or their designee shall have the authority to act in place of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board, or (b) the next meeting of either the University Board or University Board Executive Committee. MEETINGS

Section 1. Annual Organizational and Regular Meetings. The Academy Board shall hold an annual organizational meeting each year prior to the first regular meeting of the year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. Prior to October 15th of each year, the Academy Board shall publicly present the Academy's Annual Report. The Academy Board shall provide notice of the annual organizational and all regular meetings as required by the Open Meetings Act. The regular meeting schedule may be altered, or regular meeting rescheduled, only by action of the members of the Academy Board ("Directors") and with prior approval of the CSO.

Section 2. Special Meetings. A special meeting of the Academy Board, which is a meeting in addition to a regular monthly meeting, may be called (a) by the President of the Academy Board, or (b) by request of at least two Directors. The place of the special meeting shall be the same place as the place designated for the holding of regular monthly meetings, or such other place as directed by the President or Directors. Special meetings shall not be used to take the place of regularly scheduled meetings, and business conducted shall be confined to subjects such as those which require immediate attention or additional study. Business which may be conducted at the meeting shall be limited to that stated in the notice of meeting. The holding of a special meeting shall be subject to prior review and approval of the CSO. The Academy Board shall provide notice of all special meetings as required by the Open Meetings Act.

A number of Directors equal to a majority of the number of board member positions on the Academy Board as determined by resolution of the University Board, constitutes a quorum for the transaction of business at any meeting of the Board of Directors. If less than a quorum is present at a meeting which had been duly noticed and convened, then the Directors present, by action of a majority, may adjourn and provide a time and place for reconvening the meeting, but shall have no authority to take other action. Notice of such reconvened meeting shall be given as provided by the Open Meetings Act. A Director who is absent from a meeting due to military duty, medical conditions, or in the case of a declared state of emergency, may participate in the meeting virtually, and that Director's virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the Academy Board.

Section 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Academy Board. No member of the Board of Directors may vote by proxy or by way of a telephone conference or any other electronic means of communication, except as permitted by the Open Meetings Act for persons on military duty, or for medical conditions or in case of a declared state of emergency.

Section 6. Open Meetings Act. All meetings of the Academy Board shall at all times be in compliance with the Open Meetings Act.

Section 7. Presumption of Assent. A Director of the Academy Board who is present at a meeting of the Academy Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless that Director's dissent shall be entered in the minutes of the meeting or unless that Director shall file a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. This right to dissent shall not apply to a Director who voted in favor of such action.

Section 8. Minutes. Meeting minutes shall be kept and made available as provided by the Open Meetings Act.

ARTICLE VI

The Assistants to the officers, if any, selected by the Academy Board, shall perform such duties and have such authority as shall from time to time be delegated or assigned to them by the Secretary or Treasurer or by the Academy Board. The Academy Board shall have the power to appoint any person to perform the duties of an officer whenever for any reason it is impractical for such officer to act personally. Such acting officer so appointed shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine. However, no assistant shall be entitled to vote as a Director, unless that person is a member of the Academy Board.

Bottom-Line Targets

Improvement in academic growth and student achievement, as measured by state and nationally normed assessments, is the most important factor in determining an Academy's progress. However, the Ferris State University CSO may also consider *Bottom-Line Targets* as an alternative measure to monitor progress.

If an Academy fails to meet the specified number of target measures for each goal, they will need to identify *Bottom-Line Targets* to show academic growth and student achievement through alternative measures. These alternative measures should be created as interim benchmarks that will ultimately lead to compliance with the Contractual Educational Goals. *Bottom-Line Targets* are measures that must be achieved within the timeframe of the Charter Contract, or sooner if applicable, in order to be recommended to the Ferris State University Board of Trustees for contract reauthorization.

Any academy required to identify *Bottom-Line Targets* will work collaboratively with the CSO to develop an Academic Monitoring Plan. The Academic Monitoring Plan will include at least (2) *Bottom-Line Targets* that will be identified and measured using a predetermined list of research-based, CSO-approved metrics. By meeting the *Bottom-Line Targets*, an academy will meet the minimum requirements of this policy.

Strict Discipline and Alternative Education Academies

Academies designated as Strict Discipline Academies or Alternative Education Academies, as per the Michigan School Code, may be exempted from certain parts of these requirements due to their unique nature. In all cases, specific educational measures, targets and metrics will be mutually developed and agreed upon by the Academy and FSU CSO and shall be attached to the contract.

New Academies

For the first three years of operation, new academies will be expected to increase growth towards achievement. Goal #1 will be used for all new K-8 schools. The first target in the high school table will be used for all new schools serving 9th-12th grade students.

SECTION d

METHODS OF PUPIL ASSESSMENT

FERRIS STATE UNIVERSITY

FERRIS FORWARD

CHARTER SCHOOLS OFFICE POLICY

Adopted: 2010

Revised: January 31, 2025

METHODS OF PUPIL ASSESSMENT

Ferris State University monitors demonstrated improved pupil academic achievement for all groups of pupils as required by the Revised School Code.

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Sections 6.3 and 6.4, the Academy shall properly administer all state-mandated academic assessments identified in the Code, as applicable, and all academic assessments identified in the Public School Academy Chartering Policies adopted by the University Board, as applicable, in accordance with the requirements detailed in the Master Calendar annually issued by the Ferris State University Charter Schools Office (CSO).

Without limiting the foregoing, the CSO requires authorized Academies to administer the following assessments. All academies must adhere to state and federal guidelines for the percent of students to be tested. For the CSO chosen nationally-normed assessment, 95% of students must be assessed.

Grade(s)	Assessment	Subjects
Grade K-2	State-Approved Benchmark Assessment	MDE Mandated Areas
Grades 2-10**	Nationally-Normed Assessment (NWEA MAP)	Math and Reading
Grades 8, 9-10	State-Aligned College Entrance Suite (PSAT 8/9, PSAT 10)	Evidence-Based Reading and Writing, Math
Grade 11	State-Mandated College Entrance and Career Readiness Exams (currently SAT/ACT WorkKeys)	As Mandated by State
Grades 3-8, 11	State-Mandated Assessment (M-STEP)	As Mandated by State (ELA, Math, Science, Social Studies)

*NWEA® MAP® for Reading, Math, and Language Usage will be provided to the Academies by the Charter Schools Office (CSO). While administration of the K-1 assessment is not required by the CSO, it is available for the Academies to utilize at no charge.

**NWEA is not required for all academies in Grades 9 and 10. Academies follow their individual Goals and Measures.

- All assessments must be in compliance with the Revised School Code.

- The Academy shall properly administer all state-mandated academic assessments identified in the Code.
- The Academy shall properly administer the academic assessments identified in the current contractual Terms and Conditions and adhere to the ethical standards and assessment procedures associated with these assessments in accordance with the requirements detailed in the Master Academic Calendar annually issued by CSO. The Academy must ensure that those individuals involved with the administration of these assessments are properly trained by attending any CSO-offered professional learning.
- The Academy shall authorize the CSO to have access to the Academy's Student/School Data Applications through the Center for Educational Performance and Information (CEPI), and the electronic reporting system administered by the Michigan Department of Education to access the Academy's state assessment results, as applicable.

Strict Discipline Academies

Academies designated as Strict Discipline Academies or Alternative Education Academies as per the Michigan School Code may be exempted from certain parts of these requirements due to their unique nature. In all cases, specific educational goals will be mutually developed and agreed upon by the Academy and the CSO and shall be attached to the Contract. Written reports on the progress of the Academy's goals shall be submitted annually to Epicenter by June 30.

ADMISSION POLICY AND CRITERIA

FERRIS STATE UNIVERSITY

FERRIS FORWARD

CHARTER SCHOOLS OFFICE POLICY

Revised: January 31, 2025

ADMISSION POLICY AND CRITERIA

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Sections 6.4 and 6.14, the Academy shall comply with the application and enrollment requirements identified in this Schedule.

Enrollment Limits

The Academy will offer the grade ranges set forth in Schedule 7h. Charter schools, legally known as public school academies (PSAs) can set maximum enrollment numbers. Before Open Enrollment, the school needs to set enrollment maximums by building or grade level(s).

Requirements

Section 504 of the Code provides that public school academies shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a Michigan school district.

- Academy enrollment shall be open to all individuals who reside in Michigan. Except for a foreign exchange student who is not a United States citizen, a public school academy shall not enroll a pupil who is not a Michigan resident.
- Academy admissions may be limited to pupils within a particular age range/grade level or on any other basis that would be legal if used by a Michigan school district.
- The Academy shall allow any pupil who was enrolled in the Academy in the immediately preceding school year to enroll in the Academy unless the appropriate grade is not offered.
- No student may be denied participation in the application process due to lack of student records.

- If the Academy receives more applications for enrollment than there are spaces available, pupils shall be selected for enrollment through a random selection drawing.

The Academy may give enrollment priority to one (1) or more of the following:

- (a) A sibling of a pupil enrolled in the public school academy.
- (b) A pupil who transfers to the public school academy from another public school pursuant to a matriculation agreement between the public school academy and other public school that provides for this enrollment priority, if all of the following requirements are met:
 - (i) Each public school that enters into the matriculation agreement remains a separate and independent public school.
 - (ii) The public school academy that gives the enrollment priority selects at least 5% of its pupils for enrollment using a random selection process.
 - (iii) The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.
- (c) A child of a person who is employed by or at the public school academy or who is on the board of directors of the public school academy. As used in this subdivision, "child" includes an adopted child or a legal ward.

The Academy shall comply with the requirements regarding legal notice and advertisement of enrollment procedures under Applicable Law and as are set forth in Schedule 7f.

Matriculation Agreements

- The Academy Board may enter into a matriculation agreement with another public school pursuant to Section 504(4) of the Code.
- However, before the Academy Board approves a matriculation agreement, the Academy shall provide a draft copy of such agreement to Ferris State University's Charter Schools Office ("CSO") for review.
- Any matriculation agreement entered into by the Academy and approved by the CSO shall be added to this Schedule 7e and Schedule 8 through a contract amendment approved in accordance with Article IX in the Terms and Conditions of this Contract.
- Until the matriculation agreement is incorporated into this Contract, the Academy is prohibited from granting an enrollment priority to any student pursuant to that matriculation agreement.

Application Process

- School applications that a student must submit to enroll in the Academy must include the names of the University and any educational management organization that has entered into a management agreement with the University and is responsible for both administrative services or staff and educational and instructional services or staff.
- **The Open Enrollment Period shall be a minimum of two (2) weeks** that include opportunities for students to enroll.
- Enrollment times must include some evening and weekend times.
- The Academy shall make reasonable effort to advertise its enrollment opening.
- The Academy shall accept applications all year. If openings occur during the academic year, students shall be enrolled. If openings do not exist, applicants shall be placed on the official waiting list. The waiting list shall cease to exist at the beginning of the Academy's next open enrollment period.
- In the event that there are openings in the class for which students have applied, students shall be admitted according to the official waiting list. The position on the waiting list shall be determined by the random selection drawing described below (the "lottery"). If there is no waiting list, students shall be admitted on a first-come, first-served basis.
- The Academy may neither close the application period nor hold a lottery for unauthorized grades prior to receipt of written approval from the CSO.
- When the Open Enrollment period ends, the building leader, with input from the Board, must determine if the number of new enrollees (students not currently enrolled) exceeds the number of open slots in a grade, combination of grades, the building, or the district. **The building leader must also add any new enrollees who are siblings of currently enrolled students, whose parent or legal guardian is employed by the school or who is currently on the board of directors, or new enrollees who are part of a matriculation agreement to the currently enrolled number.** These students get enrollment priorities based on MCL 380.504 4(c) and do not need to be placed into the lottery procedure.
 - **If the number of new enrollees DOES NOT EXCEED the number of open slots, no lottery is needed. This means the school has the staff and facility capabilities to educate the combination of currently enrolled students plus the new enrollees. Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects "Enrollment maximum not exceeded, no lottery needed."**

- **If the number of new enrollees during the Open Enrollment period EXCEEDS the number of open slots, a lottery is needed and must be scheduled within two (2) weeks of the close of the Open Enrollment period.** The building leader must inform the Ferris State University Charter Schools Office (CSO) field representative the time, date, and location of the lottery. **Within two (2) days after the Open Enrollment period ends, the school must submit into Epicenter the Lottery Notification Document. Using the Lottery Notification Document, the school selects “Enrollment maximum exceeded, lottery required.”** Field Representatives or a **CSO representative attends academies’ lotteries** to observe and verifies via School Visitation Report. Because an “impartial party” draws the student name cards, the CSO staff member should not actually pick the cards, but observe the process.
- The lottery shall be conducted in a manner that is open to parents, community members and members of the public who want to observe the process, and the Academy shall use numbers, letters, or another system that guarantees fairness and does not give an advantage to any applicant.

Field Representatives must remind their schools to follow the contractual lottery process:

LOTTERY PROCESS

1. Place the name and grade (or other system of grouping) of each student registered to enroll on a 3” x 5” card. Also on a card, place the name and grade (or group) of all siblings who have applied for admission.
2. Sort cards by grade (or group).
3. Start lottery with either highest grade offered or lowest grade offered.
4. Place cards, for group to be drawn, in an opaque container large enough to thoroughly mix the cards.
5. Mix the cards.
6. Have an impartial party draw the cards.
7. Announce the name of student drawn on each card and write the name on a numbered roster sheet for that group. (Note: roster sheets should provide for identifying the status that placed the student’s name on the sheet, “Drawing” or “Sibling”.)
8. Place sibling name(s) on the appropriate roster sheets. (Note: roster sheets should provide for identifying the status that placed the student’s name on the sheet, “Drawing” or “Sibling”.)
9. Remove sibling cards from their drawing group.

10. Continue the process until available seats for the group are filled.
11. Continue the process and place the remaining student names on a waiting-list roster for that group in the order they are drawn. **(Note: Do not remove sibling cards from their drawing group when a student is placed on the waiting list. They still have a chance of being selected during the drawing for their group or for another siblings group.)**
12. Continue the process until all names, for that group, have been drawn.
13. Repeat the process chronologically for each group until all names for all groups have been drawn and the lottery is concluded.

An initial waiting list is populated during the lottery process above based on the order the student's name was drawn after the grade or building enrollment limit was met. The waiting list for enrollees AFTER the lottery process or Open Enrollment period ends is populated by new enrollees in the order the enrollment process is completed based on date and time. These students are added to the initial waiting list based on the time and date of their enrollment.

Building leaders must inform their field representative when a waiting list is generated. **Field Representatives then inform the CSO that a waiting list has been created** (name of school, grades that have a waiting list, any known plans to add sections/staff/space to eliminate waiting list, etc.) Field representatives periodically review academies' waiting lists and verify on School Visitation Report. There are no Epicenter submissions for waiting lists.

The Academy shall notify applicants not chosen in the lottery that they were not selected and that their name has been placed on the Academy's official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection drawing.

PUBLIC NOTICE OF ENROLLMENT PROCEDURES

PUBLIC NOTICE OF ENROLLMENT PROCEDURES

Must contain a statement regarding nondiscrimination.

Revised: January 31, 2025

Public Notice Regarding Recruitment. The Academy will take various steps for advertising its existence and intention to operate as a public school academy. These are listed below:

1. Distribution of flyers announcing the Academy throughout the surrounding community at area churches, community centers, day care institutions, local businesses, community-based organizations and other locations parents and students are likely to frequent.
2. News article in the major local newspapers as to the opening date, enrollment period, overview of the program, and other information pertinent to prospective students and families.
3. Public Service Announcements on local radio and cable.
4. Announcement of the Academy's opening in local area school and community publications.
5. Open House and Kick-Off for the enrollment period including tours of the Academy, overview of the program, examples of planned instructional activities, informal meetings with teachers and administrative staff, and information packets for interested parents.
6. Community Information Meetings to be held at various geographic locations around the county so that the greatest number of parents and students will be informed about the Academy's programs.

Advertisement and Public Notice Regarding Enrollment.

- The Academy shall provide legal notice or advertisement of the application and enrollment process in a local newspaper of general circulation. A copy of the legal notice or advertisement shall be forwarded to the CSO. The legal notice or advertisement of the application period shall be designed to inform individuals that are most likely to be interested in attending the Academy. At a minimum, the legal notice or advertisement must include:
 - The process and/or location(s) for requesting and submitting applications.
 - The beginning date and ending date of the application period.
 - The date, time, and place the random selection drawing(s) will be held, if needed.
- Grade/building level maximums should be available on the PSA's website, as well as included in Open Enrollment posted advertisements. Maximums can be stated as either

the total number of available slots per grade/building or the current number of openings per grade/building (subtract current enrollees from total maximum number per grade/building). The posting should also indicate that the PSA Board has the ability to change the maximum enrollment numbers per grade/building based on potential enrollees, available staff, and facility limitations.

- All promotional material (including without limitation billboards, internet advertisements, television requirements, and radio advertisements), the footer of the Academy's website pages, and the school application that a student must submit in order to enroll in the Academy, must include the names of the University and the educational management organization that is responsible for both administrative services or staff, and educational and instructional services or staff.
- The Academy, being an equal opportunity educational institution, shall be committed to good-faith affirmative action efforts to seek out, create and serve a diverse student body.

LEARN4LIFE PONTIAC does not discriminate in its enrollment process based on:

- Race

- Religion or Creed
- National Origin
- Sex
- Sexual Orientation
- Gender Identity
- Marital Status

1. Describe the current alternative education program, including any innovative ideas being implemented, and how the granting of this waiver will enhance the education of students. Please include how the time not being reported will promote student proficiency. (The response should help paint a picture of the program: daily schedule, number of periods per day, how many teachers/staff, number of credits to graduate).

Flex High School provides an educational program utilizing a personalized learning approach. Students work in collaborative relationships with teachers, administrators, and peers. We use multiple learning strategies, including a computer-based instructional model that allows students to matriculate through the Michigan Merit Curriculum no matter the deficiencies experienced at previous high schools. The curriculum uses several educational modalities, including differentiated instruction and remediation, to support all students with academic success. Course completion consists of independent work and in-person instruction with a certified teacher. Activities are designed to allow students to reflect, synthesize, and apply what they have learned to the real world in meaningful and actionable tasks.

Each student is matched with a mentor teacher who provides the motivation and support the student needs to accomplish their graduation and post-secondary goals. The mentor teacher, in collaboration with others, creates a personalized academic plan tailored to meet the student's specific academic and social-emotional needs. Mentor teachers and students meet weekly to discuss progress and adjust goals when necessary.

Flex High School’s model promotes student proficiency by building essential life and academic skills through flexible, self-directed learning. Students strengthen their ability to prioritize tasks, manage time, and take initiative—skills aligned with success in college, careers, and adulthood. As students demonstrate the ability to stay current with assignments and expectations, they earn increased flexibility in their schedules. This approach fosters self-governance and...

... accountability while supporting students with varying levels of need and independence.

The school operates on two tracks: Track One runs from 8:30 AM to 2:00 PM, and Track Two runs from 10:00 AM to 3:30 PM, each with six periods and totaling 5.5 hours per day. Students attend on individualized schedules—some five days per week for full days, others fewer days or shorter blocks—based on their academic progress and personal circumstances. This flexibility is especially critical for students who are pregnant, parenting, or working full-time to support their families. Students must earn 18 credits to graduate. The school is staffed by a principal, five teachers, and two support staff focused on operations and student success.

This gives the opportunity to meet personal and educational needs.
