

SERVICES AGREEMENT

This Services Agreement (the "Agreement") is made and entered into as of May 28, 2024 by and between **Integrity Educational Services**, a Michigan nonprofit corporation (IES), and **Lighthouse Academy**, a Michigan public school academy (the "Academy") formed under Part 6(A) of the Revised School Code (the "Code"), as amended, being MCL §380.1311b to §380.1311l.

The Academy is a charter school organized as a public school academy under the Code. The Academy has been granted a contract (the "Contract") by the **BOARD OF TRUSTEES OF FERRIS STATE UNIVERSITY** ("the "Authorizer") to organize and operate a public school academy. The Authorizer is the statutory authorizing body. The Code permits a public school academy to contract with persons and entities for the operation and management of the public school academy.

The Academy and IES desire to create an enduring educational partnership whereby the Academy and IES will work together to develop and bring about systems of educational excellence and services to the Academy based on IES's vision of school design, IES's management principles, and the Educational Program (defined below).

THEREFORE, the parties hereby agree as follows:

ARTICLE I

Relationship of the Parties and Other Matters

Section 1. Authority. The Academy represents that (a) it is authorized by law to contract with a private entity for the provision of management and operational services to the Academy, (b) it has executed the Contract with the Authorizer to organize and operate a strict discipline academy, (c) it is authorized by the Authorizer to supervise and control such academy, and (d) it is vested with all powers necessary or desirable for carrying out the Educational Program (defined below) contemplated in this Agreement.

To the extent provided by applicable laws, the Academy hereby authorizes and grants to IES, all of its authority and power necessary to perform under this Agreement. This authorization and grant of authority and power also is intended to include any

additional authority or power which is subsequently granted to the Academy by the Board, or by applicable laws.

Section 2. Services; Educational Program. The parties agree that IES, to the extent permitted by applicable laws, shall provide all labor, materials, and supervision necessary for the provision of the management and operational services contemplated by this Agreement as specifically set forth on the attached Exhibit A to the Academy (the "Services").

IES shall provide the Services in accordance with the educational goals, curriculum, method of pupil assessment, admissions, policy and criteria, school calendar and school day schedule, and age and grade range of pupils to be enrolled, educational goals and methods to be used to monitor compliance with performance of targeted educational outcomes, as previously adopted by the Board of Directors of the Academy (the "Board"), and as included in the Contract (collectively, the "Educational Program").

Section 3. Relationship of the Parties. IES is not a division or any part of the Academy. The Academy is a corporate and governmental entity authorized under the Code. The Academy is not a division or any part of IES. IES is a supporting organization for the Academy under Section 509(a) of the Internal Revenue Code.

Section 4. IES as Independent Contractor Agency. The parties to this Agreement intend that the relationship of IES to the Academy is that of an independent contractor, and not an employee of the Academy. No agent or employee of IES shall be determined to be an agent or employee of the Academy, except as expressly acknowledged, in writing, by the Academy. Notwithstanding the foregoing, IES and its employees are hereby irrevocably designated as agents of the Academy for the limited purpose of allowing them access to educational records under the Family Educational Rights and Privacy Act, 20 U.S.C. §1232(g), during the Term of this Agreement (defined below). IES will be solely responsible for its acts, the acts of its agents, employees, and those subcontractors who are contracted through IES.

Section 5. No Related Parties or Common Control. The parties hereby agree that none of the voting power of the governing body of the Academy or the Board will be vested in IES or its directors, members, managers, officers, shareholders, or employees.

IES is a supporting organization for the Academy under Section 509(a) of the Internal Revenue Code.

Section 6. Teachers. Teachers employed by IES shall not be considered teachers for purposes of continuing tenure under MCL §38.71 et. seq., if IES elects to execute contracts with administrative, teaching or other staff that have a term of longer than one (1) year, the Board has the right to have each School Leader, teachers or other staff placed elsewhere by IES if the Board is reasonably dissatisfied with their performance at the end of a fiscal year.

Section 7. School Leader. IES shall identify and appoint a School Leader at each school site in the Academy to administer the Educational Program at the Academy (the "School Leader"). The Board will be given an opportunity to provide input on the selection of each School Leader. Each School Leader will be an employee of IES that may be disciplined and/or terminated by IES in its sole discretion. IES will have the authority, consistent with applicable laws, to select and supervise each School Leader and to hold each School Leader accountable for the success of the school site in the Academy. IES will empower each School Leader with the authority to select and hold accountable the staff at each school site in the Academy. If the Board becomes dissatisfied with the performance of a School Leader, it shall state the causes of such dissatisfaction in writing and deliver it to IES, and IES shall have a reasonable period of time to remedy the dissatisfaction; however if it cannot remedy the dissatisfaction, IES shall remove and replace the School Leader at the school site in the Academy as soon as practicable. Additionally, it is agreed that any dissatisfaction of the Board shall be reasonable in nature and related specifically to the duties and responsibilities of each School Leader at the Academy.

Section 8. Criminal Background Checks. IES agrees that it shall not assign any of its employees, agents or other individuals to perform any services under this Agreement except as permitted under Sections 1230, 1230a and related provisions of the Revised School Code pertaining to criminal background checks and criminal conduct. IES shall require that the results of the criminal background check are received, reviewed, and used (subject to a verification process), only as permitted by law to confirm that the individual

does not have a criminal history and to evaluate the qualifications of the individual for his/her assignment.

Section 9. The Board. The Board is the governing body with oversight responsibilities over the Academy. The parties acknowledge that throughout this Agreement the term “Board” and the term “Academy” are sometimes used interchangeably in some sections for the sole purpose of readability based on the nature and subject-matter of the article/section. This Agreement is executed by a duly authorized member of the Board (on behalf of the Academy), and by so executing this Agreement the Board acknowledges and accepts all obligations and responsibilities related to the Board as set forth in this Agreement.

Section 10. Availability of Funds. Notwithstanding any other term or provision in this Agreement to the contrary, IES shall not be, directly or indirectly, liable to any third party for any cost or expense incurred by the Academy, and IES shall only be required to perform its responsibilities under this Agreement to the extent that IES has received such revenues from the Academy pursuant to the terms of this Agreement.

ARTICLE II

Term

This Agreement shall be effective for a period beginning July 1, 2024 and ending June 30, 2025, subject to earlier termination as provided in Article VI and Article IV, section 1.

ARTICLE III

Obligations of the Academy

Section 1. Good Faith Obligation. The Academy shall exercise good faith in considering IES’s recommendations relative to the Educational Program and/or the Services. IES shall not adopt or implement such recommendations without obtaining prior Board or Academy approval. The Board retains its authority to make reasonable regulations relative to anything necessary for the proper establishment, maintenance, management, and carrying on of the Academy, including regulations relative to the

conduct of pupils while in attendance at the Academy or traveling to and from the Academy, consistent with applicable laws.

Section 2. Academy Funds. The Board shall determine the depository of all funds received by the Academy including, but not limited to, the aid (referenced in Article IV) and any Additional Revenue (as defined in Exhibit A). All funds received by the Academy shall be deposited in the Academy's depository account. Signatories on the depository account shall be members of the Board or properly designated Board employees or agents, which may include employees of IES. All interest or investment earnings on Academy deposits shall accrue to the Academy.

ARTICLE IV

Compensation and Reimbursement of Costs

Section 1. Compensation for Services. During the Term of this Agreement, the Board shall pay IES a fee equal to ten point sixty five percent (10.65%) of the general aid foundation allowance received from the State of Michigan, pursuant to the State School Aid Act of 1979, as amended, for the particular number of students enrolled in the Academy, along with Sections 23a, 25e and 25g, but not Section 25F (the "Fee") for services provided. The fee may be adjusted if mutually agreed upon by both parties and will be reduced to 9.0% when the build-out of the Muskegon Community building \$179,133 has been repaid to IES. The Fee may also apply to any Additional Revenue (as defined in Exhibit A) provided that IES discloses that the Fee also applies to said Additional Revenue and the Board approves the same in the Academy's annual budget, or any revised budget, prior to the application of such Fee. At this time, no Additional Revenue has been agreed upon for which additional fee would be charged. The parties agree that the Fee amount is reasonable compensation for the provision of the Services. As necessary, the Academy and IES agree to make adjustments to the Fee as necessary because of factors such as differences in actual and projected enrollments, differences between actual and projected operating expenses and funding changes mandated by federal, state or municipal sources. At no time shall the annual Fee hereunder be less than \$375,000. The Fee shall be IES's sole compensation under this Agreement.

Section 2. Reimbursement of Costs. In addition to the Fee, the Academy shall reimburse IES for all costs reasonably incurred and paid by IES in providing the Services specifically related to the Academy. Such costs include, but are not limited to, all employment costs of IES employees assigned to the Academy, other expenses for equipment, software, supplies, food service, transportation, janitorial, phone service, special education, psychological services, and medical services. Such costs are to be included in the annual budget approved by the Board of the Academy. In paying such costs on behalf of the Academy, IES shall not charge an added fee (or mark-up).

If desired, the Board may advance funds to IES for such costs before such costs are incurred (rather than reimburse IES after the expense is incurred).

IES shall provide to the Academy or the Board proper documentation and accounting of any advanced funds or reimbursement, and such accounting shall be periodically ratified by the Board.

All items acquired with Academy funds including, but not limited to, instructional materials, equipment, supplies, furniture, computers, and other technology, shall be owned by and remain the property of the Academy.

Section 3. Other Institutions. The Academy acknowledges that IES may enter into agreements similar to this Agreement with other public or private educational schools or institutions (the "Institutions"). IES shall maintain separate accounts for reimbursable expenses incurred on behalf of the Academy and for reimbursable expenses incurred on behalf of the Institutions. IES shall only charge the Academy for expenses incurred on behalf of the Academy.

If IES incurs reimbursable expenses on behalf of the Academy and the Institutions which are incapable of precise allocation between the Academy and the Institutions, then IES shall allocate such expenses among the Institutions and the Academy, on a pro-rata basis, based on the number of students enrolled at the Academy and the Institutions, or upon such other equitable basis as agreed by the parties.

Section 4. Review of Budget. IES working with each School Leader shall propose an annual budget for the Academy, and the Board shall review, revise, and timely approve the annual budget.

Section 5. Written Policies. The Board hereby retains the obligation, as provided in Section 1274 of the Code, to adopt written policies governing the procurement of supplies, materials, and equipment to the Academy. Unless otherwise prohibited by law, IES shall directly procure all supplies, materials, and equipment provided that IES complies with Section 1274 of the Code, and the Board's written policies promulgated thereunder related to such items.

ARTICLE V

Proprietary Information

Section 1. Academy's Rights to Curriculum and Educational Materials. The Academy shall own, without restriction, all proprietary rights to curriculum and educational materials that: (a) are or were directly developed by the Academy and paid for with Academy funds; or (b) are or were developed by IES at the direction of the Board using Academy funds for the specific purpose of developing such curriculum or educational materials.

Section 2. IES's Rights to Curriculum and Educational Materials. IES shall own, without restriction, all curriculum and educational materials, and all other proprietary information owned by, developed by or otherwise in the possession of IES, except as set forth in this Article.

Section 3. Non-Disclosure of Proprietary Information; Remedy for Breach. Except as specifically required by the Code or the Michigan Freedom of Information Act, the proprietary information and materials of either party shall be held in strict confidence by the other party to this Agreement.

During the Term of this Agreement, and continuing forever thereafter, both parties hereby agree that they will not use or disclose to anyone, directly or indirectly, for any purpose whatsoever, any such proprietary information without the prior written consent of the other party.

If a party uses or discloses such proprietary information in violation of this Section 3, the disclosing party shall (a) be liable to the other party for all damages, including, but not limited to, lost profits resulting from the breach, and (b) be obligated to reimburse the

non-disclosing party for its legal costs and reasonable attorney fees related to the enforcement of this Section 3.

ARTICLE VI

Termination

Section 1. Termination by IES. IES may terminate this Agreement prior to the end of the Term in the event the Academy fails to remedy a material breach within ten (10) days after written notice of the same from IES. For purposes of this Section 1, a material breach includes, but is not limited to, (a) the Academy's failure to timely remit the Fee, all payroll costs, or any reimbursement due to IES, and/or (b) the Academy's action or decision-making that is deemed by IES, in IES's sole discretion, to be substantially inconsistent with the recommendations of IES relative to the Educational Program or the Services.

Termination prior to the end of the Term shall not relieve the Academy of any financial or other obligations to IES outstanding as of the date of termination. Failure by IES to (a) declare a breach, (b) place the Academy on notice thereof, or (c) fail to exercise or exert any remedy available to IES under this Agreement or applicable laws, shall not be deemed a waiver of IES's right and remedies whatsoever.

Section 2. Termination by Academy. The Academy may terminate this Agreement prior to the end of the Term in the event that IES fails to remedy a material breach within sixty (60) days after written notice of the same from the Academy. For purposes of this Section 2, a material breach includes, but is not limited to:

- a. failure by IES to reasonably account for its expenditures;
- b. failure by IES to pay Academy operating expenses as required under this Agreement (provided funds were timely made available to IES by the Academy to do so);
- c. failure by IES to substantially follow policies, procedures, rules, regulations, or curriculum duly adopted by the Board which are not in violation of applicable laws or this Agreement; and/or
- d. failure by IES to provide the services as required by this Agreement.

- e. IES causes the Contract to be revoked, terminated or suspended, or which results in the Academy receiving official notification from the Charter School Office, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or suspension of the Contract.
- f. if the Academy is directed by Ferris State University Board as part of the process of reconstitution, as provided by the Revised School Code.

Section 3. Change in Law. If any federal, state or local law or regulation, or court or administrative decision, or attorney general's opinion (collectively referred to in this Agreement as the "applicable laws") has a substantial and material adverse impact (as reasonably determined by the party suffering the impact) on the ability of the impacted party to carry out its obligations under this Agreement, then the impacted party, upon written notice, may request a renegotiation of this Agreement. If the parties are unable or unwilling to successfully renegotiate the terms of this Agreement within ninety (90) days after the notice, and after making good faith efforts which shall include, but not be limited to, the use of a third party arbitrator and/or alternative dispute resolution process, the impacted party may terminate this Agreement as of the end of the then-current academic year.

Section 4. Impact on Contract. In the event that any action or inaction by IES which causes the Contract of the Academy to be revoked, terminated or suspended, or which results in the Academy receiving official notification from the CSO, University Board, Superintendent of Public Instruction, or other authorized body or official, of the commencement or an intent to initiate proceedings for the termination, revocation or suspension of the Contract, shall be designated a material breach, which shall be grounds for termination of the Agreement by the Academy. The Agreement may also be terminated, if directed by the University Board as part of the process of reconstitution, as provided by the Revised School Code.

Section 5. Transition. In the event of any termination prior to the end of the Term of this Agreement, IES shall provide the Academy reasonable assistance for up to ninety (90) days to assist in the orderly transition to another service provider or to a regular school.

Notwithstanding the foregoing, IES shall not be obligated to provide such reasonable assistance if the reason for the termination was the documented willful misconduct of the Academy which resulted in financial damages to IES exceeding \$10,000, as reasonably determined by IES.

Section 6. Personal Property upon Termination or Expiration. All personal property purchased or leased by IES using Academy funds shall remain the personal property of the Academy.

Section 7. Obligations Upon Termination or Expiration. Upon any termination or the expiration of this Agreement, the parties shall remain obligated for all financial or other obligations due at the time of the termination or expiration.

After any termination or the expiration of this Agreement, and once all such obligations referenced above are satisfied, the parties shall have no further obligations to each other under this Agreement whatsoever except for the continuing obligations under (a) Article V (confidentiality and non-use/non-disclosure of proprietary information) and (b) Article VII (indemnification).

ARTICLE VII

Indemnification & Cooperation

Section 1. Indemnification of IES. During the Term and continuing forever after any termination or the expiration of this Agreement, the Academy shall indemnify and save and hold IES and all of its employees, officers, directors, subcontractors and agents, harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of:

- a. any non-compliance by the Academy with any agreements, covenants, warranties or undertakings of the Academy contained in or made pursuant to this Agreement;

- b. any misrepresentation or any breach of the representations and warranties of the Academy contained in or made pursuant to this Agreement; and/or
- c. the negligence of the Academy's directors, officers, employees, agents or representatives.

In addition, the Academy shall indemnify and reimburse IES for all legal costs and reasonable attorney fees associated with the defense of any such claim, demand or suit. If desired, all or part of the indemnification obligations set forth in this Section 1, may be met by the purchase of insurance by the Academy. The indemnification in this Section shall also specifically apply, without limitation, to any current claims or litigation at the time this Agreement is executed, as well as any future or additional claims or litigation regarding any prior activities of the Academy. This provision shall survive expiration or termination of this Agreement.

Section 2. Immunities and Limitations. The Academy may assert all immunities and statutory limitations of liability in connection with any claims arising under this Agreement.

Section 3. Indemnification of the Academy. During the Term and continuing forever after any termination or the expiration of this Agreement, IES shall indemnify and save and hold the Academy and all of its employees, officers, directors, subcontractors and agents harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of:

- a. non-compliance by IES with any agreements, covenants, warranties or undertakings of IES contained in or made pursuant to this Agreement;
- b. IES's breach of the Agreement; and/or
- c. the negligence of IES's directors, officers, employees, agents or representatives.

In addition, IES shall reimburse the Academy for all legal costs and reasonable attorney fees associated with the defense of any such claim, demand or suit. If desired, all or part of the indemnification obligations set forth in this Section 2 may be met by the purchase of insurance by IES.

Section 4. Mutual Duty to Cooperate. The parties acknowledge that each party has a duty and obligation to cooperate with the other party, and further that such duty to cooperate is a material part of this Agreement. The purpose of the duty to cooperate is to enable each party to perform its obligations as efficiently as possible. The duty to cooperate shall include all areas of the business of the Academy and the Services, including but not limited to potential and actual issues related to employees or teachers as they arise. The duty to cooperate also includes reasonable assistance in the event of litigation or a dispute involving a party related to the Academy of the Services, such as provision of testimony, records and/or documents reasonably related to the litigation or dispute (which are not otherwise protected from disclosure).

ARTICLE VIII

Insurance

Section 1. Academy Insurance. The Academy shall maintain general liability insurance and umbrella insurance coverage in the amounts as required by the Contract and Michigan University South-Insurance Corporation (MUSIC), with IES listed as an additional insured on all policies. IES shall comply with any reasonable information or recording requirements under the Academy's policies of insurance.

Section 2. IES Insurance. IES shall maintain separate general liability and umbrella insurance coverage, with the Academy listed as an additional insured on all policies. IES shall maintain such insurance in amounts and in accordance with the requirements of MUSIC.

Section 3. Evidence and Notices. Each party shall, upon request, present evidence to the other that it maintains the requisite insurance as required in this Article VIII. The policies of insurance of each party shall also provide that the other party receive from the insurer(s) a minimum thirty (30) day written notice of any termination of said policies.

Section 4. Workers' Compensation Coverage. Additionally, each party shall maintain workers' compensation insurance, as required by state law, covering their respective employees.

ARTICLE IX

Warranties and Representations

Section 1. Warranties and Representations of the Academy. The Academy represents to IES that (a) it has the authority under law to execute, deliver and perform this Agreement and to incur the obligations provided for under this Agreement, (b) its actions have been duly and validly authorized, and (c) it will adopt any and all resolutions or expenditure approval required for execution of this Agreement.

Section 2. Warranties and Representations of IES. IES represents and warrants to the Academy that (a) it is a Michigan nonprofit corporation in good standing duly authorized to conduct business in the State of Michigan, (b) it has the authority under applicable laws to execute, deliver and perform this Agreement and to incur the obligations provided for under this Agreement, (c) its actions have been duly and validly authorized, and (d) it will adopt any and all resolutions required for execution of this Agreement.

Section 3. Mutual Representations and Warranties. Each party represents and warrants to the other party that, to its knowledge, there are no pending actions, claims, suits, or proceedings, whether threatened or reasonably anticipated, against or effecting it, which if adversely determined would have a material adverse effect (as might be reasonably determined by the non-affected party if disclosed) on its ability to perform its obligations under this Agreement.

ARTICLE X

Alternative Dispute Resolution

Any and all disputes between the parties concerning any alleged breach of this Agreement or arising out of or relating to the interpretation of this Agreement or the parties' performance of their respective obligations under this Agreement shall be resolved by arbitration, and such procedure shall be the sole and exclusive remedy for such matters.

The Parties agree that any dispute hereunder shall be resolved exclusively by binding arbitration within the State of Michigan pursuant to rules consistent with those of the American Arbitration Association with a panel of three (3) arbitrators selected one

each by each of the Parties and the third by the other two (2) arbitrators. If the amount in dispute is less than \$100,000 then the Parties shall use a single mutually acceptable arbitrator. The Parties submit to the jurisdiction of the State of Michigan for all purposes. The Parties shall split evenly the cost of the arbitrators and shall be individually responsible for their own respective costs in the arbitration. The arbitrators shall not be permitted to enter an award for punitive or exemplary damages. An arbitration award may be enforced in any court of competent jurisdiction.

IES shall have the responsibility and authority to select, hire, evaluate, assign, transfer, and terminate personnel consistent with the budget, Educational Program, and applicable law. IES shall work with each School Leader in the selection, evaluation, assignment, discipline and transfer of personnel.

I. As set forth in the Agreement, IES shall identify and appoint a School Leader at each school site to administer the Educational Program at the Academy (the "School Leader"). Each School Leader will be an employee of IES.

J. Prior to the commencement of the 2024-2025 academic year of the Academy, and from time to time thereafter, IES shall recommend the number of teachers, based on the applicable grade levels and subjects required for the operation of the Academy, consistent with the parameters adopted and included in the Educational Program. IES shall work with each School Leader to provide the Academy with such teachers, qualified in the applicable grade levels and subjects. IES shall ensure that the curriculum taught by the Academy's teachers is the curriculum prescribed by the Academy. Such teachers may, in the discretion of IES, provide instruction at the Academy on a full or part time basis. If assigned to the Academy on a part-time basis, such teachers may also provide instruction at another institution, or other locations approved by IES. For teachers assigned to more than one location, the Academy will be billed for its portion of the hours that the teacher is assigned to the Academy. Each teacher assigned or retained to the Academy shall hold a valid teaching certificate issued by the State Board of Education under the Code, to the extent required under the Code and all other requirements as established by the Michigan Department of Education, the Academy's authorizer, and state and federal law.

K. Prior to the commencement of the 2024-2025 academic year of the Academy, and from time to time thereafter, IES shall recommend the number and functions of support

staff required for the operation of the Academy, consistent with the parameters adopted and included in the Educational Program. The parties anticipate that such support staff may include clerical staff, administrative assistants and director, bookkeeping staff, maintenance personnel, and the like. IES shall work with each School Leader to provide the Academy with such support staff, qualified in the areas required. Such support staff may, in the discretion of IES, provide services at the Academy on a full or part time basis. If assigned to the Academy on a part-time basis, said support staff may also provide services at another institution, or other locations approved by IES. For staff assigned to more than one location, the Academy will be billed for its portion of the hours that the staff is assigned to the Academy.

L. Since, except as specified in this Agreement, all teaching, support staff and other non-teaching personnel performing functions on behalf of the Academy, shall be employees of IES, compensation of all employees of IES shall be paid by IES and reimbursed as described in Article III, Section 2. For purposes of the Agreement and this Exhibit, "compensation" shall include salary and benefits, social security, unemployment, and any other taxes required by law to be paid on behalf of its employees assigned to the Academy. Unless required by applicable laws, IES shall not make payments to the Michigan Public School Employees' Retirement System or any other public retirement system on behalf of its employees.

M. IES shall conduct criminal background checks and unprofessional conduct checks on its employees that are assigned to the Academy and all subcontractors assigned to regularly and continuously work under contract in the Academy as required by law, as if it were a public school academy under the Code.

N. The Academy shall designate the Chief Administrative Officer (CAO) at its annual organizational meeting.
