The Academy has been granted the Contract by the University Board to organize and operate a public-school academy, together with the powers necessary or desirable for carrying out the educational program set forth in the Contract. The Academy is authorized by law to contract with a private entity to provide educational management services, provided that no provision of such a contract shall be effective if it would prohibit the Board from acting as an independent, self-governing public body, allow public decisions to be made other than in compliance with the Open Meetings Act, or interfere with the Board's constitutional duty to exercise its statutory, contractual and fiduciary obligations governing the operation of the Academy.

B. Delegated Authority. Acting under and in the exercise of such authority, the Academy hereby delegates to EPI, to the extent permitted by law, specified functions relating to the provision of educational services and the management and operation of the Academy; provided, however, that, this Agreement is subject to all the terms and conditions of the Contract. The Contract shall be deemed incorporated herein by this reference. In the event of any inconsistency between provisions of this Agreement and provisions of the Contract, the provisions of the Contract shall prevail.

C. Status of the Parties. EPI is a limited liability company in Michigan and is not a division or a part of the Academy. The Academy is a body corporate and governmental entity authorized by the Code and is not a division or part of EPI. The relationship between EPI and the Academy is based solely on the terms of this Agreement. The parties to this Agreement acknowledge that the relationship between them created by this Agreement is that of an independent contractor, and that except as expressly set forth in this Agreement, no employee of EPI shall be deemed to be an agent or employee of the Academy. EPI will be solely responsible for its acts and the acts of its agents, employees, and subcontractors.

D. Independent Contractor/Designation of Agents. The parties to this Agreement intend that the relationship between them is that of an independent contractor, not as an employee-employer relationship. EPI is not a division of any part of the Academy. The relationship between the parties was developed and entered into through arm's length negotiations and is based solely on the terms of this Agreement. No agent or employee of the Academy shall be determined to be an agent or employee of EPI for any reason or purpose. No agent or employee of EPI shall be determined to be an agent or employee of the Academy, except as follows:

(i) EPI, and its respective officers, directors, employees and designated agents are each hereby authorized to serve as agents of the Academy having a legitimate educational interest in the Program and its students for purposes of the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g et seq., ("FERPA"), such that they are jointly and severally entitled to access the educational records of the Program for all purposes related to FERPA.

(ii) During the term of this Agreement, the Academy may disclose confidential data and information to EPI, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Individuals with Disabilities Education Act ("IDEA"), 20 U.S.C. §1401 et seq., 34 CFR 300.610 — 300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the Americans with Disabilities Act, 42 U.S.C. §12101 et seq.; the Health Insurance Portability and Accountability Act ("HIPAA"), 42 USC 1320d — 13200d-8; 45 CFR 160, 162 and 164; and social security numbers, as protected by the federal Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84.

(iii) As otherwise expressly designated by written agreement of the parties with consent from anyone whose consent is required by law or contract.

The Contract from the University Board is effective through June 30, 2029, and the parties recognize that during the reauthorization process the University Board may condition an extension of the Contract upon modifications to this Agreement or submission of a new Agreement.

B. Revocation or Termination of Academy's Contract. If the Academy's Contract issued by the University Board is revoked or terminated, this Agreement shall automatically terminate on the same date as the Academy's Contract is revoked or terminated without further action by the parties.

EPI agrees to assist the Academy in complying with all of the Academy's reporting, recordkeeping, and other obligations under the Academy's Contract. EPI shall not act in a manner which will cause the Academy to be in breach of its Contract. Any action or inaction by EPI that causes the Contract to be in jeopardy of termination is a material breach of the Agreement. In addition, a failure of EPI to perform reasonably the functions set forth in Article III may be considered a material breach of this Agreement.

N. Additional Programs. The services provided by EPI to the Academy under this Agreement consist of the Educational Program as set forth in the Contract, as the same may change from time to time. The Academy may decide to provide additional programs, including but not limited to summer school. Any

The budget shall include anticipated revenues and projected expenses and costs reasonably associated with operating the Academy and the Educational Program including, but not limited to, the projected cost of all services and Educational Programs provided to the Academy, rent and lease payments, debt service, maintenance and repairs to Academy facilities, supplies and furnishings necessary to operate the Academy, taxes, insurance premiums, utilities, professional fees, and other costs and expenses connected to the operation of the Academy. The Board is responsible for determining the fiscal and academic policies that will govern the operation of the Academy, including policies relative to the conduct of students while in attendance at the Academy or enroute to and from the Academy and regulations governing the procurement of supplies, materials, and equipment. The Board shall exercise good faith in considering the recommendations of EPI on issues including, but not limited to, policies, rules, regulations, procedures, curriculum, and budgets subject to the constraints of law and the requirements of the Contract. Failure of EPI and the Board to agree on educational policies is grounds for termination of the Agreement by either party.

EPI shall have no authority to select, evaluate, assign, supervise or control any educational consultant employed by the Board, and agrees that it will not bring or threaten to bring any legal action against any educational consultant for the performance of the functions requested to be performed by the Board and which are consistent with this Agreement. The cost to employ an educational consultant shall be paid by the Board.

- D. Legal Counsel.** The Board shall select and retain legal counsel to advise it regarding its rights and responsibilities under the Contract, this Agreement and applicable law.
- E. Audit.** The Board shall select and retain an independent auditor to perform the annual financial audit in accordance with the Contract and applicable state law.

EPI may not make expenditures or commitments which deviate from the amounts or purposes of appropriations contained in the approved budget without the prior approval of the Board in the form of an approved amendment of the budget in accordance with applicable law and the Contract. In addition, the Board is responsible for determining the budget reserve amount included as part of the Academy's annual budget, for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount and for approving necessary amendments to the budget to reflect necessary deviations from the adopted budget. The budget may be amended from time to time as deemed necessary by the Board.
- G. Academy Funds.** The Board shall determine the depository of all funds received by the Academy. All funds received by the Academy shall be initially deposited in the Academy's depository account. Signatories on the depository account shall be current Board members properly designated annually by Board resolution. All interest income or investment earnings on Academy deposits shall accrue to the Academy. - J. Evaluation of EPI.** The Board will evaluate the performance of EPI each year to provide EPI with an understanding of the Board's view of its performance under this Agreement. A preliminary evaluation will normally occur in December of each year followed by a year-end evaluation in June. The Board will determine the format to conduct this evaluation. Special evaluations may occur at any time.

ARTICLE V FINANCIAL ARRANGEMENT

- A. Primary Source of Funding.** As a Michigan public school academy, the primary source of funding for the Academy is state school aid payments based upon the number of students enrolled in the Academy combined with such other payments as may be available from state, local and federal sources for specific programs and services.
- B. Other Revenue Sources.** In order to supplement and enhance the state school aid payments and improve the quality of education at the Academy, the Board and EPI shall endeavor to obtain revenue from other sources. In this regard:
1. The Academy and/or EPI shall solicit and receive donations consistent with the mission of the Academy.
 2. The Academy and/or EPI may apply for and receive grant money, in the name of the Academy. EPI shall provide advance notification to the Board of any grant applications it intends to make and receive the approval of the Board for the application prior to filing or submitting the grant application.

3. To the extent permitted under the Code, EPI may charge fees to students for extra services such as summer programs, after school programs and athletics and charge non-Academy students who participate in such programs approved by the Board.

All funds received by EPI or the Academy from such other revenue sources shall inure to and be deemed the property of the Academy, except as otherwise agreed by the parties in writing as an amendment to this Agreement.

- C. Compensation.** For the term of this Agreement, the Academy shall pay EPI a fee of 13% each year of gross revenues for the Academy or \$125,000 per year base whichever is greater.

For purposes of this Section, the term "gross revenues" means the sum of (a) the amount of all payments applicable to a school year that the Academy receives directly or indirectly under Article V, Paragraph A including amounts retained by the University Board plus (b) the amount of all grants received by the Academy under Article V, Paragraph B(2) that were initiated and administered by EPI and which are to be expended during that school year.

EPI's annual fee shall be paid in twelve (12) equal monthly installments beginning in July of each school year. The exact day of the month that each monthly installment payment is to be paid will coincide with the timing of any state aid payment from the State of Michigan to be received in that month. In months where no state school aid payments are to be received, the day of the month when that monthly installment will be due will be mutually agreed upon by the parties after taking into consideration available year-end funds and the timing of funds to be made available from state aid anticipation notes or other sources. The amount of the annual fee is subject to reduction or increase in a mutually agreeable amount in any school year if extenuating circumstances make the entire annual fee inappropriate.

- D. Reasonable Compensation.** EPI's compensation under this Agreement is reasonable compensation for services rendered. EPI's compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the operation of the Academy.

E. Payment of Educational Program Costs. In addition to the Academy's obligation to reimburse EPI for the compensation of certain of its employees under Article VI, all costs reasonably incurred in providing the Educational Program at the Academy shall be paid by the Academy. Such costs shall include, but shall not be limited to, curriculum materials, professional textbooks, library books, computer and other equipment, software, supplies utilized at the Academy for educational purposes, building payments, maintenance, utilities, capital improvements, graphic design, special education supervision and appeals, and marketing and development. The marketing and development costs charged to the Academy shall be limited to those costs specific to the Educational Program and shall not include any costs for the marketing and development of EPI. The Board shall pay or reimburse EPI monthly for approved fees and expenses upon properly presented documentation and approval by the Board, but reimbursements for the cost of compensation of EPI employees under Article VI shall be made not later than three (3) business days before that compensation is due to the employees. At its option, the Board may advance funds to EPI for the fees and expenses associated with the Academy's operation provided that documentation for the fees and expenses is provided for Board ratification. In paying costs on behalf of the Academy, EPI shall not charge an added fee. Any costs reimbursed to EPI that are determined by the independent audit not to be reasonably incurred on behalf of the Educational Program of the Academy shall be promptly returned to the Academy by EPI.

F. EPI Costs. The annual fee to be paid to EPI set forth in Article V, Section C is intended to compensate EPI for all expenses it incurs for administrative and financial services it is required to provide, including but not limited to all expenses, including earnings, taxes and benefits associated with all individuals providing professional and curriculum development services, accounting services, clerical services, legal services for EPI related issues, management and budgeting services, and administrative services. EPI will provide sufficient professional and non-professional staff in these areas, who shall be compensated by EPI. In addition, the annual fee is intended to compensate EPI for all costs incurred by EPI to provide these services. The annual fee does not include payments for EPI personnel provided pursuant to Article VI (B), (C), and (D), the cost of which will be reimbursed in accordance with Article VI (A), nor does it include legal services related to special education appeals or Academy related matters.

G. Other Public-School Academies. The Academy acknowledges that EPI has entered, or will enter, into management agreements with other public-school academies. EPI shall separately account and provide written details for reimbursable expenses incurred on behalf of the Academy and other public-school academies, and only charge the Academy for expenses incurred on behalf of the Academy.

H. Financial Reporting. On not less than a monthly basis, EPI shall provide the Board with a balance sheet, a written report detailing the status of the budget to actual revenues and a detailed schedule of expenditures at an object level detail for review and approval by the Board. This report shall explain any variances from the approved budget, changes in fund balance and shall contain recommendations for necessary budget corrections. The foregoing presentation shall be in a form and format acceptable to the Board and shall be provided to Board members not less than three (3) business days prior to the Board meeting at which the information will be considered in the Board packets sent to Board members in preparation for Board meetings. EPI shall provide special reports as necessary to keep the Board informed of changing conditions.

I. Operational Reporting. At least four (4) times per year EPI will provide the Board with comprehensive written reports detailing Academy operations, finances, and student performance. In order to enable the Board to monitor EPI's educational performance and the efficiency of its operation of the Academy, upon the request of the Board, EPI will provide written reports to the Board on any topic of Academy activity or operations which are consistent with this Agreement. These special reports will be provided in a timely fashion, but not less than the next regular meeting of the board of directors occurring after the request for the report is received by EPI unless the Board and EPI mutually agree upon an extended timetable.

J. Audit Report Information. EPI will make all its financial and other records related to the Academy available to the independent auditor selected by the Board.

K. Other Financial Relationships. Any lease, promissory notes or other negotiable instruments, lease-purchase agreements or other financing agreements between the Academy and EPI shall be contained in a document separate from this Agreement, and shall be separately approved by the University Board, and shall comply with all applicable law, the Contract issued by the University Board, and any applicable policies created by the University Board and/or the University Charter Schools Office.

L. Access to Records. EPI shall keep accurate financial records pertaining to its operation of the Academy, together with all Academy financial records prepared by or in the possession of EPI, and retain all of these records for a period as required by Bulletin 1022 of Michigan's Record Retention Schedule or applicable law, whichever period is the longest, from the close of the fiscal year to which such books, accounts and records relate. EPI shall further make information concerning the operation and management of the Academy, including but not limited to, information required to be kept by the Contract with the University Board, including all exhibits, schedules, and the like, available to the Academy as deemed necessary by the Board in order to enable the Academy to fully satisfy its obligations under the Contract with the University Board. Financial, educational, operational and student records that are now or may in the future come into the possession of EPI remain Academy records and are required to be returned by EPI to the Academy upon demand. EPI and the Academy shall maintain the proper confidentiality of personnel, student and other records as required by law. All Academy records shall be physically or electronically available, upon request, at the Academy's physical facilities. The financial, educational, operational and student records pertaining to the Academy are Academy property and are public records subject to disclosure in accordance with the provisions of the Michigan Freedom of Information Act. This Agreement shall not be construed to restrict the University Board's or the public's access to these records under the Freedom of Information Act or the Contract except to the extent permitted by law.

ARTICLE VI PERSONNEL AND TRAINING

A. Personnel Responsibility. EPI is responsible for providing the Academy with a School Administrator and qualified teaching, food service, secretarial, custodial, maintenance and transportation staff to operate the Academy within the staffing levels approved by the Board in its annual budget. EPI shall

have the authority to select, evaluate, assign, discipline, transfer and terminate the employment of all individuals working at or for the Academy except for the Board employees, if any, consistent with state and federal law and the provisions of this Agreement. Except for Board employees, if any, EPI shall be the employer of all individuals working at or for the Academy and will be responsible for the payment of all costs attributable to these employees, including wages, salaries, fringe benefits, unemployment costs, workers' disability compensation costs, and liability insurance costs. Unless required by applicable statute, court or administrative decision, or Attorney General's opinion, EPI shall not make payments to the Michigan Public School Employees' Retirement System or any other public retirement system on behalf of its employees. EPI will provide the Board with a detailed listing of the actual compensation and fringe benefit costs for all employees of EPI who will be assigned to provide services at or on behalf of the Academy. The Board will reimburse EPI for the cost of the salaries, fringe benefits, and social security withholdings of employees assigned to the Academy, provided that these costs are not higher than anticipated and approved in the annual budget. At its option, the Board may advance funds to EPI for the cost of the salaries, fringe benefits and social security of employees assigned to the Academy if documentation for the fees and expenses are provided for Board review at its next regularly scheduled Board meeting and are consistent with budget allocations. At the request of the Board, EPI will provide payroll services for employees of the Board. EPI will not assign any employee to work at the Academy who has not successfully completed a pre-employment background check (including criminal history, criminal background, and unprofessional conduct checks), credential verification, and a pre-employment physical if appropriate. EPI will not place in the employment contracts with any of its employees assigned to work at the Academy any restrictions that would prevent the Academy from employing those individuals at the Academy or would prevent those individuals from working for the Academy or for any other entity providing educational services to the Academy. EPI agrees that any provision of an employment agreement with any of its employees that would be in violation of this provision is void and shall not be enforceable in any forum. EPI will comply with the requirements of applicable law regarding the evaluation of its employees based in part upon data on student growth and the establishment of employee compensation levels that include job performance and job accomplishments as a significant factor.

B. School Administrators. EPI shall provide the Academy with School Administrators who shall be responsible for the daily operational control of the Academy and to make recommendations to EPI regarding employees to be assigned to the Academy. EPI will have the authority, consistent with state law, to select and supervise the School Administrators and to hold that individual accountable for the success of the Academy. The School Administrators will be EPI employees, but the individuals selected by EPI must be acceptable to the Board. EPI will consult with the Board prior to hiring the School Administrators and will consult with the Board prior to taking any action that would alter the employment status of the School Administrators. At the request of the Board, EPI will review the performance of the School Administrators with the Board. Upon receipt of written notification indicating that the Board is not satisfied with the performance of the School Administrator, EPI will provide a replacement School Administrator if the performance problems are not resolved. The employment contract with the School Administrators, and the duties and compensation of the School Administrators shall be determined by EPI, but that individual must be assigned on a full-time basis to the Academy and may not be providing services to any other school or Academy without the prior approval of the Board. If EPI chooses to execute a contract with a School

Administrator that has a term longer than one (1) year, the Board reserves the right to have the School Administrator placed elsewhere by EPI if the Board is dissatisfied with that individual's performance at the end of any school year.

C. Teachers. As part of the annual budgeting process, EPI shall make a recommendation to the Board regarding the number of teachers required for the operation of the Academy pursuant to the Contract and applicable law. EPI shall provide the Academy with such teachers, qualified in the grade levels and subjects, as are required by the Academy. The curriculum taught by such teachers shall be the curriculum prescribed in the Contract. Such teachers may, in the discretion of EPI, work at the Academy on a full or part time basis. If assigned to the Academy on a part time basis, such teachers may also work at other schools operated by EPI. Each teacher assigned to or retained by the Academy shall be a highly qualified teacher with a valid teaching certificate issued by the State Board of Education under the Code, to the extent required under the Code and Every Student Succeeds Act of 2015 or other applicable law. If EPI chooses to execute contracts with teaching staff that have a term of longer than one year, the Board reserves the right to have teachers placed elsewhere by EPI if the Board is dissatisfied with their performance at the end of any school year. Teachers employed by EPI shall not be considered teachers for purposes of continuing tenure under MCL Section 38.71 et seq.

D. Support Staff. As part of the annual budgeting process, EPI shall make a recommendation to the Board regarding the number of support staff required for the operation of the Academy pursuant to the Contract. EPI shall provide the Academy with such support staff, qualified in the areas required, as are required by the Board. Such support staff may, at the discretion of EPI, work at the Academy on a full or part time basis. If assigned to the Academy on a part time basis, such support staff may also work at other schools operated by the EPI. Each support staff employee assigned to or retained by the Academy shall have received the training and hold the certificates, degrees or licenses legally required for the position to which they are assigned under the Code and Every Student Succeeds Act of 2015 or other applicable law.
