

## Application form: DCCL Fellowship/Professional Development Award

### Purpose:

The DCCL Fellowship/Professional Development Award was established to provide partial support for current DCCL students' leadership and professional development activities. Suggested activities include participation in leadership institutes, conference presentations, and expenses related to dissertation research.

### Application review process and available funds:

Applications will be received at any time. Applications will be reviewed quarterly by the DCCL Fellowship and Scholarship committee. Applications must be received at least one month before the activity; however, funds may be awarded in the form of expense reimbursement if the application is received outside of the review cycle. Applications will receive preference if (1) other funding sources have been explored and exhausted and (2) the applicant has not received other funding support from DCCL. Awards begin at \$500.

### Application process:

Applicants should submit this application form with a brief statement (250-500 words) describing the planned use of the funds and how the activity will develop the individual's leadership or professional development skills or contribute to community college scholarship.

Please complete this page and submit with your application statement. Email both documents to [CCLeadership@ferris.edu](mailto:CCLeadership@ferris.edu). Indicate "DCCL Fellowship/Professional Development Application" in the subject line.
