Overall Feedback Survey – End of April 2019

On April 22nd, after the LMS demonstrations and pilots are completed, we will send a final survey link to give people an opportunity to voice their recommendations. The quantitative data collected from this electronic survey will be sorted by college and given to the corresponding LMS Subcommittee members from each college. The purpose of this survey is to inform Subcommittee members about what individuals in their college would recommend.

1. I would recommend that Ferris adopts Blackboard's Learn Ultra.

- Yes
- No

Why or why not? [Comment box]

2. I would recommend that Ferris adopts Desire2Learn's BrightSpace.
